UIL REGION IV SPRING MEET

A MESSAGE FROM THE DIRECTOR GENERAL

Welcome to San Antonio and the 2015 Region IV Interscholastic Spring Meet. Your cooperation and participation has been a major factor in the success of this contest.

This handbook has been prepared to provide the necessary information to coaches, directors and contestants to ensure they have all of the essential details to prepare for their respective events. We hope this handbook will answer many of your questions. If you have additional questions, please call or write the contest directors or me.

All of us involved in this effort feel honored to have the opportunity to host this outstanding competitive event. The University of Texas at San Antonio and the local school districts have been most generous with their time and facilities to make this event a success and they are to be commended for their dedication to our young people.

Kandi King will continue to lend her expertise as the Academic Director again this year.

Dub Farris is retiring as the Athletic Director for Region IV this year. He served 21 years in this role with outstanding success. Thanks Dub!

Jerry Comalander will be the new Athletic Director for Region IV. Congratulation Jerry!

All track and field events will be conducted at Alamo Stadium, San Antonio ISD. Sandra Tapia will be the Meet Director.

Patrick Johnson will be Region IV Tennis Director, North East School District. Patrick has served in all phases of the Tennis Program and we expect the same smooth Regional Meet, as in the past.

Richard Logan will be the Regional Golf Director this year. His organization and expertise in golf result in a successful meet. We are pleased to get golf playing sites back in San Antonio.

It is with special gratitude that we thank Dr. Ricardo Romo, the University of Texas at San Antonio President, for hosting the academic events at the UTSA Campus.

Good luck to all of the contestants! We look forward to another great meet!

Sincerely,

A handwritten signature in dark ink that reads "Charlie Brown". The signature is written in a cursive, flowing style.

3. School Codes: The UIL school codes must be used for the HyTek program to work properly. The school code and the school code name must be the same as listed on the UIL list. DO NOT put HS or High School after the school names.

The HyTek program does not identify the school unless both of these items are typed correctly.

Be sure the person in charge of computer scoring gets these school codes. The schools and codes can be found on the UIL Website on this link:

<http://www.uil texas.org/track-field/page/school-codes-for-hy-tek-region-4>
