The University of Texas
at Austin

Since 1980, ILPC summer publications workshops have set the standards for excellence. Our reputation as a workshop that stresses “work” is unequalled, and staffs that are serious about producing high-quality, journalistic publications return to UT each year. For four days, students and advisers participate in an intensive learning environment, headed by many of the nation’s finest journalism instructors. These instructors are dedicated to one goal: helping others create the finest school newspapers and yearbooks possible. Students and advisers alike return to school in August ready to tackle their jobs, whether they’re beginning reporters or veteran advisers.

We offer classes in new media and video editing, web-design, various newspaper and yearbook strands, photography and design. Tuition, room and board is \$225 per person, based on double-occupancy and community bath. Registration opens March 15 and closes June 2.
