ACADEMIC CONTEST ETHICS CODE

(Section 901 (a) of the *UIL Constitution and Contest Rules*)

The Academic Contest ethics code shall carry the force of rule. Member school districts, member schools and/or covered school district personnel who violate any of the provisions of this code shall be subject to penalty.

- (1) Participate in contests in the spirit of fairness and sportsmanship, observing all rules – both in letter and in spirit.
- (2) Sponsor and advise individuals and teams without resorting to unethical tactics, trickery that attempts to skirt the rules, or any other unfair tactic that detracts from sound educational principles.
- (3) Accept decisions of officials and judges without protest and extend protection and courtesy to officials.
- (4) Regard opponents as guests or hosts while placing personal and/or team integrity above victory at any cost. Maintain grace and poise in victory or defeat. Conduct that berates, intimidates, or threatens competitors has no place in interscholastic activities.
- (5) Provide information or evidence regarding eligibility of any contestant or school to local school administrators or to the appropriate judicial bodies upon request.
- (6) Understand and appreciate the educational values of competition and abstain from modifying or soliciting another teacher to modify grades for eligibility purposes, knowing that such behavior defeats the character-building purposes of extracurricular competition.
- (7) Abstain from any practice that makes a student feel pressured to participate in non-school activities.
- (8) At all times, ensure that competition is relative to a more important overall educational effort, using competition as a tool in the preparation of students for citizenship and successful adulthood.
- (9) Insure that UIL Academic district, regional and state meets receive precedence over non-qualifying contests or meets.
- (10) School districts shall notify the academic district or regional meet director no later than the end of the second school day following academic district or regional competition if a student or a team knows that it will not compete at the next higher academic meet.
