## **Eligibility and Certification**

Participants in UIL competition must meet qualification guidelines of the *UIL Constitution and Contest Rules*. Academic and One-Act Play results are submitted through the UIL Spring Meet online system. No other contestant registration is necessary for the regional meet.

## **Entry Fees**

**See page 34-35 of this handbook for invoices that should be forwarded to the District Executive Committee Chair for payment.**

All entry fees will be sent from the District Executive Committee Chair. One check will be sent for academic entries for the entire district to the Region Academic Meet Director. UTA should receive one payment from each district, not from individual schools. **Fees should be mailed to the Region Academic Director's office no later than the first school day following the district meet.** One check for each OAP entry is provided by the participating school at the official rehearsal. Checks should be made payable to the University of Texas at Arlington. **Participants will not be permitted to compete unless all fees have been paid IN ADVANCE of the event. NO EXCEPTIONS. All entry fees are non-refundable.**

## **Registration**

On the day of the regional contests there will be NO central registration. Coaches and sponsors are expected to have students report to locations at times listed in this handbook. Each Contest Director will have a list of those eligible and will call roll at the starting time of the event. If an entered student is not on the Contest Director's list, this information must be reported **IMMEDIATELY** to the Academic Meet Director. **Each school participating in the academic meet should return the school registration form (1 form per school) located on page 36 of this handbook.**

## **Accommodation Requests**

Students who have received an accommodation request approval from the UIL State Office must have their accommodation paperwork sent to the Regional Academic Meet Director no less than five (5) working days prior to the day of the event in which they are participating. Any accommodation for a contest must have prior approval from the UIL State Office.

## **Withdrawal, Late Arrival, Absenteeism**

The school of a district winner who cannot attend the regional meet must notify the District Academic Meet Director **IN WRITING**. The District Director will then notify the alternate and the Regional Academic Director. When a student is not present at roll call, he/she may be replaced by an alternate. Once an alternate has replaced a student in roll call, a substitution will NOT be made. A student who arrives after the contest has begun will not be permitted to compete, even if no alternate has replaced him/her.

## **Absent Contestants**

A list of absent contestants will be reported to the State UIL office from each academic event. ***It is imperative that you notify the Regional Academic Meet Director in advance if a contestant will be unable to attend the regional competition.***

## **Verification/Awards/Posting of Results**

Locations and times of awards presentations are provided in this handbook. Results of academic contests will be posted as reports are made available.

Students, coaches and/or other school officials are urged to attend verification periods and award meetings. Regional meet directors are under no obligation to contact winners with the results if winners fail to attend the awards sessions. **Awards and testing materials will not be shipped to schools not attending verification and awards.**

First, second, third, fourth, fifth, and sixth-place medals will be awarded in all individual events. Medals will also be awarded to the first, second and third place team members in team events. The top three winning team's school will also receive a plaque in each of the team/group events.

The school with the highest total points for all academic events will be named the REGIONAL ACADEMIC CHAMPION and will be awarded a regional academic champion trophy. The Academic Champion will be posted on the website on the following Wednesday after the meet.

Two unranked One-Act Plays receive plaques and advance to state.

**Students, coaches, and/or other school officials are urged to attend all verification periods. Materials and awards will not be mailed following the meet.**

## Holding/Dressing Rooms:

- An official dressing room will be available from 8am – 10pm.
- Dressing rooms DO NOT have mirrors or bathrooms. Bathrooms are in close proximity.
- Other buildings on campus are off limits to high schools unless advanced permission has been received from the main department occupying that building (receiving permission is the responsibility of the high school). Exceptions include any public areas of the University Center building (individual rooms within the UC must be reserved in advance- this is the responsibility of the high school. A fee may be charged).
- No food or drink is allowed in the holding/dressing rooms of the Fine Arts building (water is permissible). Violation will be considered a transgression of the UIL code of conduct rule. Food props for performance are allowable with advanced permission and expectation to clean up any mess. If you want to bring your own food for meals, please set up outside behind the Fine Arts building (west of the building). Do not set up food facing the parking lots (north of the building). Schools are responsible for cleaning all trash. There are several restaurants within walking distance (15 min or less – see final page of this letter).
- Food will not be allowed in the theatre, in the audience or back stage.
- Only those names entered online as cast, crew, alternates and directors will be allowed backstage and in holding/dressing rooms. Directors and participants MUST wear the badges at all times. All who are not wearing badges will be asked to leave immediately. No questions asked. Badges will allow the student and director to attend all productions for free. If a badge is lost, a ticket must be purchased.
- Immediately following the performance, remove all items from the rooms and remove all trash.

## On Stage Set Up For Performance:

- Prior to your official set up, the cast and crew may move their set materials from the storage space to a specified location immediately behind the performance space. This must be done quietly, in that a performance may be in progress.
- Our theatre space has an approximately 14' apron. Use of the grand drape is optional but must be specified at the rehearsal period. Lighting areas will be available on the apron for performances.
- You have 7 minutes to move your set from behind the stage and construct your set/tech. Also, during this time, set all props that will be needed for the opening of the show.
- The Contest Stage Manager will give the company audible warnings at one-minute intervals beginning at five minutes through 1-minute remaining. A warning will also be given at 30 seconds and 15 seconds remaining. No other warnings will be given.
- Please be careful not to drag anything.
- All participants must be wearing shoes during set up and strike
- Your time will start/stop after the agreed upon signal is given to the Contest Stage Manager.
- The Contest Manager will meet the cast backstage after the 7 min setup, send the Directors to the front of the house, and will confirm that the Adjudicators are in place. The performance time shall begin no more than 60 seconds after directors and adjudicators are in place unless the contest manager calls a "time- hold."
- There will be NO announcements made during this contest other than a reminder to turn off cell phones. The Contest Stage Manager will give a verbal warning to the student Stage Manager or their agreed upon proxy, when the one minute has begun. The house lights will be dimmed and stage lights will go to black or blue as needed. Actors may go to places during these 60seconds.
- Actors may not carry sets or props on stage during this minute, unless used during their first entrance.
- 1 minute is the time that will be allowed to start the performance after declaration of end of set up. An official timekeeper back stage shall give the company audible warnings at 10 second intervals beginning at 60 seconds (i.e. "you have 10 seconds remaining.")

## Performance:

- Please inform your supporters that performances will start back to back without an intermission. **Under no circumstances will there be any late admissions after the performance has begun. This is for the benefit of the performers on stage so that they are not distracted.**
- Remember, any signal from behind the wings and/or from the audience to the performers on stage is considered “prompting.” Any use of cell phones on stage or backstage during the show will be considered prompting. Absolutely no cell phones are allowed, unless used as a prop in the show.
- The Contest Stage Manager will give a single verbal warning by way of the intercom headset to the student Stage Manager, or their agreed upon proxy after 15 minutes and 35 minutes have elapsed. A warning will be given at 5 minutes, 3 minutes, 2 minutes, 1 minute, 30 seconds and 15 seconds remaining. You will be asked to confirm. No other warnings will be given. It is then the responsibility for the performing company to end their show on time, and not go over the 40-minute limit. These procedures to be followed shall be reviewed with each cast at the official rehearsal and reviewed with directors at the Director Meeting.
- After the 35-minute warning has been given, the student Stage Manager may give a verbal request to the Contest Stage Manager as to the official time. Other cast and crew may request a visual look at the Contest Stage Manager’s official time during this 5-minute period as well, but no verbal request may be made with the exception of the student Stage Manager.

## Strike/Load Out:

- The strike will follow immediately after the performance, and the time will start/stop with an agreed upon signal.
- In your strike, you have 7 minutes to accomplish the following tasks: Unit Set to its storage area; your set pieces past the roll up doors; and the stage cleared. Do not drag.
- The Contest Stage Manager will give the company audible warnings at one-minute intervals beginning at five minutes through 1-minute remaining. A warning will also be given at 30 seconds and 15 seconds remaining. No other warnings will be given.
- When your stage items are at the loading dock and outside the theatre, you may send people to clean your dressing room.
- During your show (or immediately following), please move your truck to the loading dock after the previous school vacates the area. If your truck has a beeping sound when backing up, please wait to back in until the loading door goes up. You must have all scenery and props back into your truck by the time the next school is finished with their performance.
- Please have your truck/bus available to begin loading immediately following your performance
- Clear and clean the dressing rooms.

## **Timekeepers:**
