

Reminder to Coaches of UIL Prose and Poetry contestants:

The 2017-2018 documentation rules require contestants to prepare and provide for the Contest Director and each Judge a printed hard copy of the UIL Documentation online form for each category. These are required for district, region and state level UIL competition.

The forms are interactive so contestants can type in their category information, download and print the documents. Forms can be located on the UIL Oral Interpretation webpage:

Prose:
