

STATE MEET HONOR CREW

ONE-ACT PLAY CONTEST

May 13, 2015

Dear State Meet Honor Crew Member:

Please read this information carefully.

The State Meet OAP Contest is scheduled May 26-28. This Honor Crew will meet for orientation Monday, May 25 at 4:30 pm in the Bass Concert Hall on the campus of The University of Texas at Austin.

You should bring appropriate clothes for backstage work: no open-toed shoes, dark colors. Business attire is appropriate House or Theatrical Design crew.

Your crew assignment is included in this packet and schedule. Please bring appropriate attire for the job indicated. Backstage workers should have black clothes. (A T-Shirt is provided for Student and College Honor crew) Front of House workers should dress business-like with comfortable shoes for all. You will be on your feet for many hours no matter what crew you are working.

If illness, disaster or acts of nature make it necessary for you to withdraw from honor crew participation, call me (512-471-9996 or 471-4517) immediately!

We are looking forward to your participation in an outstanding educational theatre experience.

Sincerely,

A handwritten signature in black ink, appearing to read "Luis Muñoz".

Luis Muñoz
State Theatre Director

LOAD-IN PROCEDURES

- Assemble all rolling carts and several wardrobe racks at the loading dock.
- ALL Crews help with load-in. Callers should be available to coordinate taking costumes to dressing rooms or holding areas. One caller should remain at the caller's table during the load-in.
- Pre-cut spike tape into small (1" – 1.5") pieces and attach to a coat hanger for spiking.
- Consult the color chart to make sure that you know which schools are which colors.
- Do not load anything until a Stage Manager tells you to.
- Spike ALL items, preferably on the bottom or underside of furniture and take to the designated storage area for that school.
- Do not run, but be quick about storing and spiking items. We only have 1 hour to load in all shows. Remember to take care when moving large or delicate items to prevent damage to the items and to yourself.
- Participating Company members are NOT allowed to enter the backstage area during load-in. They should hand-off items to Honor Crew for spiking and storage once the stage manager has checked the item off.
- If something gets damaged or broken, let Technical Director or a Stage Manager know immediately.
- When the last show is loaded – in and all scenery is properly stored you may return to the Greenroom for a donut. Company meeting begins at 7:30 only crew heads must be present for this meeting to be introduced to the companies. You should remain quiet when on-stage until the company meeting is over.
