STATE MEET HONOR CREW

ONE-ACT PLAY CONTEST

May 11, 2016

Dear High School Crew Member and Sponsor:

Please read this information carefully.

The State Meet OAP Contest is scheduled May 23-25. You will meet for orientation Sunday, May 22 at 4:30 pm.

Bass Crew will meet in the Bass Concert Hall on the campus of The University of Texas at Austin.

Austin ISD Crew will meet at the Austin ISD Performing Arts Center. 1500 Barbara Jordan Blvd.

You should bring appropriate clothes for backstage work: no open-toed shoes, dark colors. Business attire is appropriate House or Theatrical Design crew.

Your crew assignment is included in this packet and schedule. Please bring appropriate attire for the job indicated. Backstage workers should have black clothes. (A T-Shirt is provided for Student and College Honor crew) Front of House workers should dress business-like with comfortable shoes for all. You will be on your feet for many hours no matter what crew you are working.

If illness, disaster or acts of nature make it necessary for you to withdraw from honor crew participation, call me (512-471-9996 or 471-4517) immediately!

We are looking forward to your participation in an outstanding educational theatre experience.

Sincerely,

Luis Muñoz

State Theatre Director

HONOR CREW GENERAL RULES OAP STATE MEET

- **♦** Sign in and out each time you leave.
- **♦** Don't be late. Official time is the clock tower.
- **♦** Take a shower everyday.
- **♦** Eat at least once everyday.
- **♦** No bad language. No alcohol. No cigarettes to minors.
- **♦** No food or drinks (except water) on stage.
- ♦ Cell phones shall NOT be turned on while on stage or in the house. They may be used only in Greenroom or outside the building.
- **♦** Smile. This is fun.
- **♦** Don't talk about the productions good or bad.
- **♦** You MUST work the rehearsal to work the show.
- **♦** If you want to support the companies simply say "Good Show".
- **♦** Don't get in the way. If you are watching a show it should be from the balcony or from the far wings.
- ♦ Don't wander around the building. Stay in the greenroom when not involved with a show.
- ♦ Wear your name tag at all times in the building. It is also your "ticket" to watch shows from the house.
- ♦ Always enter and exit through the East Security Doors by the Greenroom. Do NOT use the loading dock entrance.
- ♦ If a show is disqualified do not comment in anyway.
- **♦** Keep the greenroom clean. There is no maid service.
- **♦** Keep your voice down. Sound travels better than you think from the Greenroom to the stages.
- **♦** Don't invite anyone extra into the Greenroom. Crew members and Honor Crew sponsors only.
- ♦ Check out at the Bass coat check to get your certificate on Wednesday night.

LOAD-IN PROCEDURES

- Assemble all rolling carts and several wardrobe racks at the loading dock.
- ALL Crews help with load-in. Callers should be available to coordinate taking costumes to dressing rooms or holding areas. One caller should remain at the caller's table during the load-in.
- Pre-cut spike tape into small (1"-1.5") pieces and attach to a coat hanger for spiking.
- Consult the color chart to make sure that you know which schools are which colors.
- Do not load anything until a Stage Manager tells you to.
- Spike ALL items, preferably on the bottom or underside of furniture and take to the designated storage area for that school.
- Do not run, but be quick about storing and spiking items. We only have 1 hour to load in all shows. Remember to take care when moving large or delicate items to prevent damage to the items and to yourself.
- Participating Company members are NOT allowed to enter the backstage area during load-in. They should hand-off items to Honor Crew for spiking and storage once the stage manager has checked the item off.
- If something gets damaged or broken, let Technical Director or a Stage Manager know immediately.
- When the last show is loaded in and all scenery is properly stored you may return to the Greenroom for a donut. Company meeting begins at 7:30 only crew heads must be present for this meeting to be introduced to the companies. You should remain quiet when on-stage until the company meeting is over.

University of Texas at Austin GENERAL GUIDELINES FOR ESTABLISHING VOLUNTEER RELATIONSHIPS

(VOL-A1 / June 25, 2013)

A University volunteer is an individual who, without the expectation of compensation, performs services directly related to the business of the University. The purpose of these guidelines and the associated forms is to provide University departments with a process that will assist them in properly selecting volunteers, obtaining needed information, and assuring that both the volunteer and the University understand the parameters of the volunteer relationship. Under the Federal Fair Labor Standards Act, a current non-exempt employee cannot be both a paid employee and a non-paid volunteer while performing the same type of work for the same employer. Consult HR if you have questions regarding current University employee volunteers.

To qualify as a University volunteer, an individual must meet the minimum qualifications to perform the work assignment and be willing to abide by the University policies and regulations that govern their actions. Departments are responsible for establishing their own volunteer position descriptions and screening process. However, volunteers that are to be assigned to a security sensitive position are required to undergo a screening process, similar to a regular employee, to determine their qualifications and fitness for the assignment, including, but not limited to an interview, reference check and criminal background check. Depending upon the function, volunteers must also meet any necessary licensing and certification requirements.

A University volunteer may not perform any work until he or she has completed and signed the volunteer application and the volunteer assignment detailing the work to be performed and agreeing to the relationship of the volunteer to the University. A volunteer under the age of eighteen may not perform any work without the consent of their parent or legal guardian.

Departments are responsible for providing their volunteers with the necessary training and supervision to safely carry out their assigned volunteer activities. If the volunteer assignment includes working with machines or equipment, a volunteer cannot perform any work until successful completion of training has been documented. In addition, volunteers working with machines or equipment must be provided with appropriate personal protective equipment.

Volunteers are not considered employees for any purpose. Volunteers are University Affiliate (affiliated worker) positions in HRMS. They are not eligible for retirement, health benefits, or workers' compensation as a result of their volunteer status. Although a volunteer does not have the same health benefits and liability protections as a regular employee, there are State and Federal laws that provide volunteers with limited protections from exposure to personal liability while performing duties within the scope of their assignment. In order to assure that volunteers benefit from these protections from personal liability, it is important for departments to specify the scope of their job duties in a written position description at the time of their assignment.

Volunteers serve at the pleasure of the University. Accordingly, a volunteer assignment can be terminated at the discretion of the University at any time, without notice or cause or recourse.
