Overall Impressions:

***** Proposed Pilot: UIL One-Act Play Technician Awards**

Awards:

Outstanding Technical Team (1)

Outstanding Technician (1)

Criteria:

Based on the criteria on evaluation form, Contest Manager evaluates and selects the winning team and the top single technician based on work in official rehearsal and performance. The winning technician does not have to be a member of the winning team. If CM determines two teams are equal, ties are to be broken by crew performance in the technical rehearsal. It is based on work and execution by the designated crew members, and not on design.

Awards to be distributed:

1-Plaque for winning team.

1-Gold Medal for winning individual.
