**IMPORTANT  
SCHEDULES AND PROCEDURES  
FOR RELEASE OF THE  
RECLASSIFICATION AND REALIGNMENT**

Reclassification and realignment information for 2012-13 and 2013-14 will be released on February 2, 2012, at 9:00 a.m., Central Standard Time (8:00 a.m. MST in El Paso) at respective Regional Education Service Centers.

The information will be distributed to school superintendents at the Regional Education Service Centers. Schools may also access reclassification information on the UIL web site ([www.uiltexas.org](http://www.uiltexas.org)) and print alignments. If there is an error in assignment or a school has been omitted, schools are to notify the League office via phone (512/471-5883) or fax (512/471-6589 or 471-5908).

February 2-12, 2012      Schools wishing to change districts may do so by getting a vote from both the district to which they have been assigned and the district to which they wish to change. If a unanimous vote is achieved from both districts, both district chairs must notify the UIL office by phone and follow with fax notification. The school appealing should fill out the Appeal Form.

February 12, 2012      Deadline for a participant school to request an appeal of their district assignment to the UIL office. The school must file its request and a supporting statement with the District Assignment Appeals Committee. The school appealing must inform in writing the superintendent and principal of the schools in the conference and district to which it was assigned as well as the superintendent and principal of the schools in the conference and district to which it wishes to be assigned. Notification in writing must go to all schools that could be involved in the change. The District Assignment Appeals Committee will not consider appeals with respect to conference assignment unless there was an error in the enrollment figures submitted.

February 20, 2012      The District Assignment Appeals Committee hearing for appeals will be held beginning at 9:00 am at the UIL Office in Austin (1701 Manor Road). When all reviews and appeals have been made, the District Assignment Appeals Committee shall approve the assignments to districts. Until this approval, contracts for contests by participant schools are not effective. Schools in the affected districts will be notified in writing by the UIL Executive Director. The chairmen of the affected districts will be notified by email, telephone and/or fax.

February 21, 2012      First day for District Executive Committee meetings to set district schedules.

**NOTE: Football Schools**

Schools may play their first game no earlier than *August 30, 2012*. Beginning practice dates will remain the same for all conferences. Schools are limited to no more than ten regular season games.

Please review Section 356 of the UIL Constitution and Contest Rules. A school may be disqualified for district honors for up to two years in the sport for contracting with other Texas schools prior to the finalization of the reclassification and realignment by all University Interscholastic League appeal committees.
