Important Deadlines

Certification Deadlines for Baseball Playoffs.

May 3	District Certification Deadline, All Conferences.
May 7	Bi-district, All Conferences.
May 14	Area (2A through 6A), Regional quarterfinals (1A).
May 21	Regional quarterfinals (2A through 6A), Regional semifinals (1A).
May 28	Regional semifinals, (2A through 6A). (*1A has 2 weeks for next deadline)
June 4	Regional Deadline, All Conferences.
June 8-11	UIL Baseball State Tournament, All Conferences.

Submitting Playoff Game Information

Brackets (required for each round of playoffs)

Bi-District Match-Ups - Once all DEC Chairs have submitted final district standings, bi-district playoff matchups will **automatically be created** and appear on the bracket once UIL publishes the bracket. Please **do not** create your bi-district match-up in your MaxPreps account. Once you do see the match-up on your schedule in MaxPreps, please add game details (date, time & location.)

UIL Playoff Reporting: Brackets. (*required for each round of playoffs beginning w/ Bi-District results). Beginning with results of the Bi-District round, coaches are required to submit playoff results immediately following their contest. The winning school should submit playoff game results and next round information via MaxPreps through the assigned coach/admin account. The score reported by a coach on a team's page will automatically fill in the bracket. The completeness of the data presented on the UIL brackets will be dependent upon the participation of schools and coaches. Learn more about MaxPreps Sign in or register for a MaxPreps.com account:

<https://secure.maxpreps.com/utility/member/login.aspx>

Pitch Count Report (*required for each game played)

The Pitch Count Rule stays in affect throughout the playoffs. The Home team is still responsible for supplying the official pitch counter to be outside the dugout. The WINNING coach is responsible for filling out the Playoff Pitch Count Verification Form on the UIL website following each game. This form requires an upload of the verification form signed by both coaches from the playoff game. This form can be found on the UIL website on the Baseball Forms Page. [Playoff Pitch Count Verification Form](#)

If you have interruptions in your post season games due to COVID-19, please contact our Baseball Director, AJ Martinez at 361-816-1281. Extensions to competitive rounds (bi-district, areas, regional quarterfinals, etc.) played in the post season must have UIL approval.

State Testing Information

- No playoff game can be scheduled Monday through Thursday during scheduled state testing, as required by state law.
- Once testing is complete for the week, teams may schedule playoff games beginning the following day, provided they remain in compliance with UIL rules for scheduling playoff games.
- On Friday, when there are timed tests that end at a certain time, with school approval, teams could travel no earlier than 30 minutes after the scheduled end of tests on Friday.

- If any test for any student on a team involved in a post-season contest occurs on Friday and is an untimed test, travel for that team is not permitted until the end of the school day.

Please reference <http://www.uil texas.org/policy/tea-uil-side-by-side/limits-on-practice-and-performance> for more information.

NEW as of 4/15

EXCEPTION DURING BI-DISTRICT, AREA ROUNDS (1A-6A) and REGIONAL QUARTERFINAL ROUNDS (1A ONLY)

With state testing and the UIL Regional and State Track and Field Meets all occurring during a 2+ week period from April 29- May 14th, baseball teams that elect to play a three-game series may extend the series until the following Monday to complete the series provided at least one game is completed by the end of the day on Saturday. This applies to the bi-district and area round for 1A-6A teams and the regional quarterfinal for 1A teams only.

Teams electing to use the exception should keep in mind:

- The next round opponent may force a coin toss to begin the next round on Thursday.
- If only one game is played by Saturday, and Monday gets rained out, the series will revert to a one-game format and the winner of that one game will advance.
- If two games are played (and split) and the third game cannot be played on Monday because of weather conditions, the third and deciding game shall be settled by a coin flip.

POSTSEASON INFORMATION

Post-Season Warm-up Games. Teams can schedule a warm-up game after district certification and before their first playoff game if they have not reached their allowable season limit. This game can be scheduled like any other regular season match. Teams that have exhausted their allowable season limit are given a UIL one game exception under the following conditions:

- Teams that are the district champion and have a first-round bye
The one-game exception can be played only at the end of your school day on Friday, last day of instruction (**with no loss of school time**) or anytime on Saturday.

Inclement Weather. Every effort must be made by both teams to determine the winner before the certification deadline. This includes obtaining neutral sites and securing any available site. This could mean giving up a home field advantage if another site is playable. If weather conditions make it impossible to determine a winner before certification, UIL must be contacted for an extension. The next round opponent(s) must also be contacted to inform them that the deadline will be extended.

Extreme scheduling difficulties such as those mentioned above could result in a coin flip which would determine the representatives to the next round.

Sites. The teams involved should select sites for all rounds of playoffs except the state site. See Section 1208 (o)(p) of the UIL Constitution and Contest Rules. If schools cannot agree, they must flip a coin.

- **Neutral Sites:** A site mid-point or near mid-point, or a site agreed on by both schools as neutral, is a neutral site. Unless mutually agreeable, a site cannot be neutral if its distance from either school is more than two-thirds the total distance between the schools.
- **Home Sites:** When two schools flip for two separate sites other than their home field or court, the sites are considered home sites unless both sites are near mid-point.

- **Mid-Point Sites:** Unless mutually agreed otherwise, post-district contests in the team sports of baseball, basketball, soccer, softball, and volleyball shall be a mid-point site for schools located more than 100 miles apart.

Contracts. All playoff arrangements between two schools should be made in writing and signed to protect both parties.

Playoff Game Format. Play-off games may be single elimination or two-out-of-three from bi-district to state. If neither method is mutually agreeable, a coin flip shall determine play-off format.

- In the bi-district round, ***District champions*** are able to determine whether to play a single game or a series. Site and all other game arrangements will be negotiated between the two participating teams.

Two-out-of-three

- If schools play a two-out-of-three elimination series, the first and second games may be played prior to Friday. Games three shall not be played until Friday. If one game is played and a second game cannot be played because of weather, then the winner of the one game advances to the next round. If two games are played (and split) and the third game cannot be played on Saturday because of weather conditions, the third and deciding game should be played on Monday of the next week.
- Schools playing a two-out-of-three series should set parameters for the series prior to the first game. The parameters should include, but not limited to the following areas: how the schools will handle weather problems and delays, how far schools will travel to find an available field, giving up home field advantage, official pitch counter, tie breaking procedures if series cannot be finished, and securing officials must be discussed before one team gains a position of advantage after the first game is completed and the weather is a factor.

Playoff Game Timing.

- Bi-district games may not be played until after the final date for district certification in that respective conference, ***unless permission is granted by all possible area round opponents***. All other playoff games may not be played until ***after*** the final date for completion of the prior round championships.
- **After the bi-district round, playoff games shall not be played before Thursday of that week** unless by mutual consent of both schools (ie. to play Monday, Tuesday or Wednesday both coaches would both have to agree, all other days can be determined by a coin flip).

Additional Timing Rules.

- If both schools have concluded their school year, they may play on any day.
- A team cannot be forced to flip for a time that would prevent a school from attending Graduation.
- A team cannot be required to play on the night prior to final examinations.
- All games or a game will be played to completion of seven innings.
- In all playoff games, suspended games shall be continued at the point of suspension.
- The 10-run rule is enforced in all play-off games.

Playoff Game Recommendations.

- **Trainers:** Trainers should be available throughout playoffs.
- **Officials:** In all conferences at all playoff levels, except the state championship game, officials are to be obtained by the two schools involved. If neutral officials are requested through UIL, the **home team** must make the request.
 - Schools must go to the UIL website to request officials: <https://www.uiltexas.org/form/officials-request/baseball.php>.
 - Officials evaluation form: <https://www.uiltexas.org/form/officials-evaluation/submit.php?sport=Baseball>.
- **Police protection:** Adequate police protection should be provided for all play-off games whether the game is played at a neutral site or on the home court of one of the teams.
- **Balls:** The balls being used at the UIL State Tournament are Spalding Pro NFHS.
- **Housing:** Each school is responsible for its own housing through the regional finals.
- **Awards:** It is the responsibility of the participating schools to decide if awards will be provided.

Regional Final Qualifiers

- **Team Information Form for State Tournament:** Teams qualifying for the Regional Semifinals must fill out the team information form online at <https://www.uiltexas.org/forms/team-info-baseball>. Failure to submit this form may result in your school not appearing in the Baseball State Tournament program. **This form must be submitted via the web site no later than: Wednesday, June 1st.**
- **Team Picture for State Tournament:** Teams advancing to regional semifinals must email (pictures@uiltexas.org) the three items requested below. *The subject of your email must include your school name.* **Please submit the following items to our office no later than Wednesday, June 1st.** Failure to submit this information will result in your school not having pictures in the Baseball State Tournament program.
- Team Picture (5x7 color photo, at least 1 MB)
- Picture of Head Coach (head and shoulder shot, at least 1 MB)
- School mascot or school logo (camera ready art work if possible, if not a copy of the mascot from your letterhead, etc.)
 - NO smart-phone pictures please!

State Qualifiers.

Immediately following your regional final game, the winning coach should text A.J. Martinez (cell: 361-816-1281) and report the following information:

- Head Coach Name and Team
- Score of the regional final game(s) with Team names
- Final season record: (Have scorebook available for questions regarding your season record)
- You will receive an email on Sunday to inform you of all State Tournament information (including lodging arrangements that the UIL blocks for each team).

Officials' (State Tournament). Coaches of the two competing schools will select officials for the semifinal games. The two schools will either agree on crew/chapter selection, or ask for UIL assignment. Officials will be assigned by the UIL if the two schools cannot reach mutual agreement. Requests must be made by **11:00 a.m., Sunday, June 5th** prior to the State Tournament. The baseball request form can be found online here: <https://www.uiltexas.org/form/officials-request/baseball.php>.

The home team will submit the officials request form utilizing the link above. If officials are mutually agreed upon by both the home and visiting team, then the home team will simply input the selected crew/chapter selection into the form. If officials cannot be agreed upon by both the home and visiting team, then the home team will need to include a list of chapters that they prefer not to call the game (scratch list) that is representative of both teams (home and visitor), and UIL will make assignment.

Bat Check (State Tournament).

At the UIL State Baseball Tournament only, prior to a team's first game, there will be bat check administered by officials. The details of the bat check procedure will be communicated prior to the start of the tournament. The purpose of the bat check is to ensure that all bats meet NFHS regulations.

Disruptions in scheduled post season contests due to COVID -19 must be reported to UIL prior to the certification deadline:

Contact AJ Martinez at 361-816-1281
