# Regional Golf Q & A

---

2/9/2018

***May we schedule our 'one practice round' at a time/day other than the day prior to tournament?***

**Yes, if the course allows!** The assigned practice round the day prior to the competition is primarily for the convenience of out-of-town schools.

***How are the groupings for the first day of the tournament and the Sunday practice rounds determined?***

The groupings are determined in part by a district's placing in the 2017 regional and state tournaments.

***May we include the cost of cart rentals in the check with the practice rounds?***

**It is not a good idea!** Carts are rented on a first come, first served basis; therefore carts may or may not be available for your use!

***May players take carts on the course to watch others play once we finish our round of tournament golf?***

**No!** Players are prohibited from operating golf carts both days of the regional tournament.

***May we leave the course & return later that same day to practice putt or chip after our practice round?***

**No!** Not until your coaches' meeting begins may players return and practice putt or chip!  
Exception: The course driving range is not regulated and may be used any number of times either before or after qualifying.

***Sunday; may players go out and walk the course before 12:00 Noon CST?***

**No!** Walking the course is considered playing the course.  
They may warm up prior to noon if their tee time is at noon or slightly after.

***Tuesday; may players go out and walk the course, warm up or hit prior to their 3:00 pm shotgun start?***

No, at 2:15 pm players may begin warm ups and hitting; but may not begin their round until 3:00 pm.  
Schools are responsible to get their teams to their assigned holes by their 3:00 shotgun start!

***Tuesday; may girls go out on the course prior to 3:00 pm and watch the boys finish their final round?***

**No!** They may however, observe from either finishing green (#9 & #18)!

**Yes!** However, spectators should maintain a minimum of 30 yards from the golfers and not speak privately with them. They also must follow the cart path and remain off fairways!

***May a coach take any player to the restroom during a round?***

**Yes!** This should be a quick break as to not slow down play.

***May a coat, gloves, poor an umbrella be taken to a player during a round?***

**Yes,** but items deemed golf equipment may only be picked up or taken to players at the turn (after 9 holes).

***May both the head coach and an assistant take turns and give advice to our players from green to tee?***

**No!** Each day a school must designate a single coach who may engage those players tee to green.  
*Exception;* if a school qualifies two teams, two coaches may advise each team or medalist.

***May we call the pro shop to learn the tournament tee times and groupings?***

**No!** This information should be posted at the courses and on the Texas Tech UIL web site!

***May players practice putt, chip, etc. after they finish their round on the first day of regional play?***

**Yes!** However, there may be a charge for range balls!

***Who is considered to have made the All Regional Team?***

There are no awards.

The low five individual scores are considered to have achieved All-Regional status!

***What is recommended when scheduling a return plane flight home after the tournament?***

Schools should allow ample time for the breaking of ties for both teams and individuals through fourth place! Also, for the awards presentations.
