QUALIFIERS TO THE REGIONAL MEET: Each district may qualify the first and second place teams and the first and second place individuals to regional competition. If one of the first two individual finishers is on an advancing team, the next highest ranked individual who is not on an advancing team shall advance. If both of the first two individual finishers are on advancing teams, the next two highest ranked individuals who are not on advancing teams shall advance. If a medalist is placed on one of the advancing teams, the next highest finisher will replace the medalist now on the team at the regional tournament. Meet director shall authorize play-offs to break ties. Winners will be certified to the next higher meet by the tournament director.
QUALIFIERS TO THE STATE MEET: Each region may qualify the first, second and third place teams and the first, second and third place individual finishers, to state competition. If one of the first three individual finishers is on an advancing team, the next highest ranked individual who is not on an advancing team shall advance. If all three individual finishers are on advancing teams, the next three highest ranked individuals who are not on advancing teams shall advance. If a medalist is placed on one of the advancing teams, the next highest finisher will replace the medalist now on the team at the state tournament. Meet director shall authorize playoffs to break ties. Winners will be certified to the next higher meet by the tournament director.
RULES COMMITTEE: A rules committee appointed by the executive committee should be established to act on all violations. The committee is: Mark Viskozki, Thomas Devanna, Steve Keasler, Dennis Ward and Dr. Joel Davenport
OFFICIAL RULES: The tournament shall be played under the United States Golf Association Rules. Contestants may not use caddies or electric carts during district, regional or state matches. Pull carts may be used, but participants are required to begin the round with a pull cart if one is desired. Students with disabilities as defined by ADA may apply for a waiver. Contact the UIL office for details.
ELECTRONICS: Cell phones, smart watches that can receive text messages, radios, Ipods, or any type of headphone are not permitted for players during competition. Model Local Rule G-8 will be in place Prohibiting or Restricting Use of Audio \& Video Devices.
RANGE FINDERS: Rangefinders are the only electronic equipment allowed at the district, regional and state tournaments. DMD's are permitted per USGA Rules.
COACHES: The designation of each team's 2 coaches (2023-2024 UIL Rule Amendments) shall be determined before tournament play. No spectator or non-employed individual of a member school district may coach any competitor during the competition. Penalty Structure: First Offense - Warning, Second Offense - Stroke penalty for player and loss of coaching privileges for the coach, Third Offense - Disqualification of the player for the entire tournament.
SPECTATORS: The following rules should be discussed with all participants and coaches. Parents and interested spectators should be reminded that they are spectators and it is NOT their responsibility to report possible rule violations. Rule violations should be reported by the players or the marshals of the meet. Parents, friends, and other spectators should stay a substantial distance from competitors during play. After play has started parents may not coach "or advise" players. A player is subject to a two stroke penalty on the first offense and disqualification by tournament officials if the coaching continues. On course encouragement, support, applause, etc. is not considered coaching or advice; therefore, it is permissible.
SUBSTITUTIONS: There shall be no substitution allowed in the individual competition. Once the tournament has begun, no substitution (except for injury) shall be allowed on a team, as a team is composed of five players. UIL approved
CADDIES AND CARTS: Contestants may NOT use caddies or electric carts during the regional tournament without approval by the UIL. (A pull cart may be used) Tangle Ridge does not have pull carts to rent.

PROTESTS: Any protests lodged must be initiated by a contestant or school official--either a player, coach or administrator from the school for whom a student is playing. These protests should be lodged in writing before the scores are designated as final by the tournament director.
TIES: The lowest four scores compose the team score each day. In case of a team tie, all five players will be involved in the playoff. The teams that are tied will ALL tee off together. At the completion of the first playoff hole, the four best scores per team will be compared to see if the tie is broken. The playoff will begin on \#18 and continue until decided. In case of individual ties for the medalist, they will also tee off \#18.
CONDUCT: Club throwing, violent temper display, abusive language and/or damage to the golf course or facilities are grounds for immediate disqualification by the committee.

## SLOW PLAY

The following conditions and policies shall govern regulation of the pace of play by the Rules Committee:

1. Each player is responsible for playing without undue delay.
2. Each player is responsible for his/her group's maintaining proper position on the course in relation to the rest of the field. Each group should be approximately a starting interval behind the preceding group throughout the whole round. The position of the group following has no bearing in determining whether or not a player's pace of play is satisfactory. A group is deemed to be out of position if they fall a hole behind.
3. A group which is out of position for as many as three holes during one round, not necessarily in consecutive order, will be considered in violation of rule 6-7 (undue Delay). Players contributing to the delay will be automatically penalized.

## REGIONAL QUESTIONS \& ANSWERS

May we schedule our 'one practice round' at a time/day other than the day prior to the tournament?
Yes! The practice round the day prior (Sunday) is primarily for the convenience of out-of-town schools.
May we include the cost of cart rentals in the check with the practice rounds?
It is not a good idea! Carts are rented on a first come, first served basis; therefore carts may or may not be available for your use!
May players take carts on the course to watch others play once we finish our round of tournament golf?
No! Players are prohibited from operating golf carts during the regional tournament.
May we leave the course \& return later that same day to practice putt or chip after our practice round?
No! However, once your coaches' meeting begins players may return to practice putt or chip! The course driving range is not regulated and may be used any number of times after qualifying.
Sunday; may our players go out and walk the course before 12:00 Noon CST?
No! Walking the course is considered playing the course.
May a coach or parent take food and drink to a player during a round.
Yes! However, spectators must maintain a minimum of 30 yards from the golfers and not speak privately with them. They also must follow the cart path and remain off fairways!
May a coach or spectator take a player to the restroom during a round?
Only at the turn! Only tournament officials may take a player to the restroom during a round. There is a restroom by \#6 \& \#13.
May a coat, gloves, or an umbrella be taken to a player during a round?
No! Each day a school must designate a single coach who may engage players tee to green. Exception; if a school qualifies two teams then two coaches may advise players.
May we call the pro shop to learn the tournament tee times and groupings?
Yes! The tee times \& pairings will be posted at Tangle Ridge following the mandatory coaches meeting Sunday, April 23 at 4:00 pm.
May players practice putt, chip, etc. after they finish their round on the first day of regional play? Yes
