May we leave the course & return later that same day to practice putt or chip after our practice round?

No! However, once your coaches’ meeting begins players may return to practice putt or chip!

May players use the “range” once the “one practice round” has been played?

Yes! Putting or Chipping is prohibited once the practice round has been played, but players may use the range as long as they are in compliance with UIL Constitution and Contest Rules practice regulations.

May players go out and walk the course at a time other than their practice round?

No! Walking the course is considered playing the course.
