In baseball-

- 1) Two teams tied in percentage for first place: the team that defeated the other in head-to-head competition will be the winner. The other team will be the runner-up.
- 2) Three teams tied in percentage for first place: Step 1) Add points scored against all teams involved. The team with the least points scored against wins. Step 2) If a tie still remains add points scored by each team to determine the winner. Step 2) If a tie still remains, flip a coin.
