## 2019 REGIONAL GOLF TOURNAMENT

**Parents and friends shall stay a substantial distance from competitors during play.**

**Parents and interested spectators should be reminded that they are spectators and it is not their responsibility to report possible rule violations. Rules violations should be reported by the players.**

### **COACHING**

A coach may engage with the player(s) from tee to green, once on the green no coaching is to be done.

At district, regional and state competition, only one coach is allowed to coach that team/individual once play has begun that day for that team or player(s).

The intent of the one coach rule per team or individual is not to limit a coach from coaching but rather limit the amount of coaches per school.

#### **Penalty Structure:**

First Offense – Warning

Second Offense – Stroke penalty for player and loss of coaching privileges for the coach

Third Offense – Disqualification of the player for the entire tournament

### **PROTESTS**

Any protest must be initiated by a contestant or coach representing a participating school before the tournament director finalizes scores.

### **SUBSTITUTION**

There shall be no substitution allowed in the individual competition. Once the tournament has begun, no substitution (except for injury) shall be allowed on a team, as a team is composed of five players.

### **OFFICIAL RULES**

The rules committee will be the golf professional and his staff. All play will be by U.S.G.A and UIL rules. Decisions made by the rules committee will be considered final.

### **CADDIES AND CARTS**

Contestants may NOT use caddies or electric carts during district, regional, or state matches without approval by the UIL. (A pull cart may be used.)

### **TIME ORDER OF STARTING**

The team or individuals shall start at the time and in the order arranged by the committee. The penalty for breach of the rule is disqualification.

### **TIES**

The lowest four scores compose the team score each day. In case of a tie, all five players will be involved in a playoff.

### **CELL PHONES/RADIOS**

Cell phones, radios, I-pods, walkmans and any type of headphone are not permitted for players during competition. **Any type of watch that can receive a text message or has access to the internet cannot be used.** The first offense is a warning and the second offense is disqualification.

### **ELECTRONIC EQUIPMENT**

Range finders are the ONLY electronic equipment allowed at the district, regional and state tournaments. Range finders that measure DISTANCE ONLY may be used during competitive rounds. The operative word is “only”. Range finders that offer functions in addition to distance measurement are illegal, even if a player disables other functions. A player using such a device in competition rounds will be subject to the UIL penalty structure (1st offense-warning; 2nd offense-disqualification).

## SLOW PLAY

The following conditions and policies shall govern regulation of the pace of play by the Rules Committee:

1. Each player is responsible for playing without undue delay.

2. Each player is responsible for his/her group's maintaining proper position on the course in relation to the rest of the field. Each group should be approximately a starting interval behind the preceding group throughout the whole round. The position of the group following has no bearing in determining whether or not a player's pace of play is satisfactory. A group is deemed to be out of position if they fall a hole behind.
3. A group which is out of position for as many as three holes during one round, not necessarily in consecutive order, will be considered in violation of rule 6-7 (undue Delay). Players contributing to the delay will be automatically penalized.
4. Once a player is at his/her ball and it is his/her turn to play, if he walks ahead of the ball to check the position of the hole or to walk yardage, the player will be penalized for undue delay if he/she had previously been warned during the round for slow play.
5. Penalties may be assessed **without** a player having been given prior warning during the round by a Rules Official. It is the responsibility of each player to be aware of his/her position on the golf course.
6. If a group's pace of play warrants a penalty being assessed, only players who contributed to slow play will be penalized, not necessarily every member of the group.
7. Officials will use discretion concerning the pace of play of early groups. The first players will be expected to play at a reasonably fast pace. However, the groups immediately following may not be expected to maintain position behind an exceptionally fast group.

## **UIL GOLF DISQUALIFICATIONS**

### Subchapter C. Section 1260 UIL Constitution and Contest Rules

- (8) Disqualifications: A player disqualified (for other than an unsportsmanlike conduct Violation) shall have the disqualification apply only to the 18-hole round in which the Infraction occurred.

Scores from the first 18-hole round of a contestant disqualified during the second 18-holes will also be cancelled. The score of the second day, in this instance, may be counted for team honors.
