

2024 UIL Mathematics Corrections and Comments

Contest	Corrections	Highest Reported Scores
SAC		334
UIL A	# 27, see below	354, 354, 354
UIL B		
TMSCA 6		328, 328, 322
TMSCA 13		
TMSCA State		
TMSCA DWU		
UIL District		
UIL Region		
UIL State		

***** UIL A # 27 This problem needs to be tossed as no correct answer is given as a choice. $y=\sqrt{5/3}$ is a horizontal asymptote and there are no places of intersection with the asymptote and the function.**

STATE MEET PROOFERS AND GRADERS Coaches of the regional team champions and the coaches of the regional wild card teams will be needed to proof the state test (while the contestants are testing) and grade the tests. Note: You must be a full time employee of the school district. You must be listed as the team's coach. You must be willing to stay in the proofing/grading room until all proofing and grading is complete. (Please do not agree to proof and grade if you are not going to be in the room at the designated time.) If you are one of the regional team championship coaches or one of the regional wild card team coaches, you need to email me with the following information:

Mathematics Contest Regional Team Champion _____ Wild Card Team _____
Name _____ School & District _____ Classification _____
Region # _____ District # _____

I will _____ will not _____ be able to help proof and grade the test.

I will send you a reply confirming that I received your email. If you do not receive an email back from me, then I did not receive your email. Hence, I will begin a search for a replacement for you. Email me at gfc800m@gmail.com
