Contestants shall write or print the composition **in ink and on only one side of the paper.** If contestants choose to use their own laptop computers, they must bring portable printers and associated hardware, software and paper. The typed entry must be single-sided and double-spaced, using any standard 12-point font on 8 1/2 x 11-inch white paper. When printing the contest on an electronic printer, the print command must be started by the time contest time expires. In case of computer malfunction, the contestant may use the remaining allotted time to complete the composition in handwriting or compose on another computer (if available).
