INSTRUCTIONS
Please read from the Constitution and Contest Rules or the A+ Handbook the instructions for evaluating the ready writing essays. Judges should read the paragraph prompts that are given to the contestants. The compositions are to be evaluated as to relative excellence in interest (50%), organization (35%) and correctness of style (15%). While judges are to consider all three elements in selecting the most effective compositions, they should weigh interest more than organization and organization more than correctness of style.
