Dear UIL Sponsors and Participants,

Greetings and welcome to Baylor University and our home, Waco. What a privilege it is to host the twenty-seventh annual UIL Region II, AAAAAA Spring Meet. We are grateful for the opportunity. It is our goal to provide the best possible personnel for the students to excel in their competitions.

Please use this online handbook as a guide for the UIL competitions. This resource is created to provide information concerning all aspects of the spring competition. Should you have any questions, please contact your district representative listed at the top of page six; if he/she cannot help you, please feel free to contact the Baylor UIL Headquarters office at (254) 710-4105.

There are many individuals who will be instrumental in the operations of your competitions. I want to take this moment to introduce a few of our core group. I would truly be amiss without them! Dr. John Knue is again serving as our Regional Academic Director for the ninth year in a row, this will be his last year and Amy Goodman will be taking over. In this role, among many other things, he is responsible for assembling the Baylor faculty members who serve as directors for the different academic competitions. I appreciate his organization and sense of enthusiasm that he brings to the team. Associate Athletic Director for Community Relations & Special Projects, Mr. Tom Hill, will again direct the experienced staff of professionals who have been assembled for the athletic competitions and will directly oversee and provide quality support for the Track & Field competitions.

While you are on campus, if you are interested in a campus visit or would like information about Baylor University, please contact our Campus Visits office at (254) 710-2407.

Best of luck during your competition and again, welcome to Baylor University! I hope your visit is exciting and memorable. If you have questions or comments, please feel free to e-mail or call me. You will find my information below.

Sincerely,

Joi Springer

All OAP directors will be provided with Region UIL name badges.

ELIGIBILITY AND CERTIFICATION

- ENTRIES:** All academic entries, including One-Act Play are certified and entered into the Regional Meet through the UIL Spring Meet Online System. The District Meet Results form serves only as the official entry form for all athletic entries. Each District Director General is responsible for sending the athletic form to the regional site immediately following the district meet. Send forms via e-mail.
- ELIGIBILITY:** The eligibility of a student competing at the regional meet is responsibility of the individual school.
- ACADEMIC CONFLICTS:** If a student who has followed the State Conflict Pattern earn eligibility to compete at the regional level in more than one event and finds that he/she has a full or partial conflict in the two events, he/she must make a choice of which contest he will participate in. No adjustments will be considered to accommodate the conflict.
- LATENESS:** A student will not be allowed to enter a contest room late without prior permission from the contest director. No exceptions are made in Calculator Applications and Number Sense. If a contestant needs to leave early to go to another event, these arrangements (where permitted in the contest plan) **MUST** be made with the contest director prior to the beginning of the contest.
- WITHDRAWALS/ALTERNATES:** If a regional contestant cannot attend the Regional Spring Meet, the contestant's principal or sponsor must notify the District Director of their district and request that he/she contact the alternate and the Regional Director.
- If a member of a school's team is unable to compete, only one substitution may be made. The substitute must give the contest director a letter or substitution form signed by a campus administrator to certify eligibility, unless his/her name already appears on the regional entry form. If more than one member of a team is unable to compete, the alternate team will then advance to competition.

Directors and coaches of these two events should be certain they pick up these information packets. Coaches and contestants must go to the UIL website for the tentative schedule, UT parking, UT campus map and other vital State Meet Information. Responsibility for knowing times, dates, and sites of State Meet events rests solely with coaches and contestants.
