April 2018

Welcome to Magnolia High School,

We are honored to host the Region III-5A University Interscholastic League Spring Academic Meet. Since 1920, the UIL has provided students with opportunities to compete in academic events and to use their wide variety of talents in a positive way.

Representing your school in academic competition at the district level is a tremendous accomplishment. We would like to commend the students of Region III who have spent countless hours in preparation for this contest. Good luck to each and every one of you as you compete!

We would also like to thank the teachers and administrators whose dedication and support make UIL competition a positive experience for students. Your time and energy is greatly appreciated.

Again, welcome to Magnolia High School; best of luck to all of you, and go Win The Day!
