**Seven Lakes High School
Katy Independent School District
UIL Region III Academic Meet**

Dear Participating UIL Region III Sponsor:

Welcome to the Region III University Interscholastic League Regional Academic Meet. Seven Lakes High School will be the host site for this year's competition of events on Friday, April 12, and Saturday, April 13, 2018.

The meet begins on Friday at 4:00 p.m. and concludes Saturday at approximately 7:00 p.m. A specific schedule of events and other information is in this packet. We are unable to provide maps of the campus, but we will have volunteers scattered throughout the school to assist you in finding your way around the campus.

We are very pleased to be hosting this year's meet and feel confident that your participants will have the opportunity to perform at a high level during the competition. This booklet should give you information pertinent to your school and any contest specifics or logistical information that you may need.

During the competition, we will have a hospitality room for judges and sponsors located in room 1302 across from the library. Grading and Verification rooms are listed on the attached schedule and sponsors are invited to be part of the grading (if permitted by UIL rules) and most definitely the verification process. We will post results on a sign in the main commons as well as announce in this same location when grading and verification are taking place. If you have questions during the day, you can go to the library to have them answered. Medals will be awarded periodically throughout the day. You can have your participants pick up their medals, or you may pick them up for distribution on your home campus. You may also pick up testing materials after verification in the library.

As an important reminder, all contestants and their sponsors must be checked in at the registration desk prior to the contest.

We look forward to seeing you in April. Best of luck to your team.

Sincerely,

Todd Knobbe
