UIL SPRING MEET CODE

The general Spring Meet Code means to:

1. Participate in contests in the spirit of fairness and sportsmanship, observing all rules, both in letter and in spirit.

2. Sponsor and advise individuals and teams without resorting to unethical tactics, trickery which attempts to skirt the rules, or any other unfair tactics which detract from sound educational principles.

3. Accept decisions of officials and judges without protest and extend protection and courtesy to officials.

4. Regard opponents as guests or hosts while placing personal and/or team integrity above victory at any cost. Maintain grace and poise in victory or defeat. Conduct that berates, intimidates, or threatens competitors, based on gender or ethnic origin, has no place in interscholastic activities.

5. Provide information or evidence regarding eligibility of any contestant or school to local administrators or to the appropriate judicial bodies upon request.

6. Understand and appreciate the educational values of competition and abstain from modifying or soliciting another teacher to modify grades for eligibility purposes, knowing that such behavior defeats the character-building purposes of extracurricular competition.

7. Abstain from any practice that makes a student feel pressured to participate in non-school activities.

8. At all times, ensure that competition is relative to a more important overall educational effort, using competition as a tool in the preparation of students for citizenship and successful adulthood.

9. Insure that UIL Academic district, regional and state meets receive precedence over non-qualifying contests or meets.

10. School districts shall notify the academic district or regional meet director no later than the end of the second school day following academic district or regional competition if a student or a team knows that it will not compete at the next higher academic meet.
INTRODUCTION

Tyler Junior College supports the philosophy and objectives of the University Interscholastic League; therefore, Tyler Junior College has agreed to serve as the host for this Regional Spring Meet. This handbook contains the information needed to make preparations for the various contests. In addition, the handbook contains general information concerning contest organization and management. A campus map can be found on the Tyler Junior College website – there is a link under this UIL section. Please read the information in the handbook carefully. Any questions which are not answered in the handbook should be directed to the Regional Director.

**JUDGING FEES FOR SPEECH EVENTS:**

Each SCHOOL that qualifies and brings at least one competitor in Lincoln-Douglas debate must provide a judge who is approved as qualified by his/her Regional committee. (See forms on the TJC website: www.tjc.edu/UIL). The debate judge must be available to judge all preliminary rounds of debate and at least one ‘out’ round as assigned by the director.

In addition, each SCHOOL that qualifies at least one competitor in Prose, Poetry, Informative and/or Persuasive must provide a judge who is approved as qualified by his/her Regional Committee. The individual event judge must be available to judge both the preliminary round and the final round of all events as assigned by the director. NO SCHOOL IS REQUIRED TO BRING MORE THAN TWO JUDGES. (However, schools or districts may certainly bring additional volunteer judges if they are qualified.)

The Academic Events Director, M’Liss S. Hindman, must receive the Judge Qualification page (see www.tjc.edu/UIL for forms) for each judge(s) the school is/are providing by Monday, April 20, 2015. If the name of the judge(s) is/are not given to the Regional Academic Events Director by Wednesday, April 22, the SCHOOL will be charged $100.00 per replacement judge for hiring. The check should be made out to Tyler Junior College and should be brought on the day of competition and turned in at the Speech Judges’ Ballot Table.

All judges are required to report to the Judges’ Table, located in the hallway of Wise Cultural Arts Building, by 7:45 a.m. on Saturday, April 25th. They will be used as judges and/or timekeepers during the tournament.

Note: If judges are a NO SHOW on the day of competition, the SCHOOL will be charged the full applicable fee. **JUDGES MUST CHECK IN WITH OFFICIALS AT THE BALLOT TABLE.** The Speech Director may assign these school judges as timekeepers if needed.

Examples: (a) If School A qualifies 2 debaters and 1 Prose competitor, the school must bring two judges to Regionals (one for debate and 1 for Prose/Poetry.) (b) If School B qualifies 2 debaters and 1 Prose competitor and 1 Persuasive competitor, the school must bring two judges to Regionals (one for debate and 1 qualified to judge Prose, Poetry, Informative, or Persuasive.) (c) If School C qualifies 3 debaters, 1 Prose competitor, 1 Poetry competitor, 1 Informative and 2 Persuasive competitors, the school must bring 2 judges to Regionals (one for debate and one for the other events.)

Special Note: School’s speech coaches will qualify as judges. IE Judges must be available for both the preliminary and final rounds of the speech events. Debate Judges should also be available for the three preliminary rounds of debate and at least the first ‘out’ round. Judges may certainly volunteer to stay and judge the out rounds of debate. No judge will judge any competitor from his/her own school.

Expenses: All expenses of the school’s judge or judges are the responsibility of the school and/or district. Tyler Junior College is not responsible for paying any fees or for supplying any meals to school judges.

The Judge Qualification form (located on the TJC/UIL website: www.tjc.edu/UIL/) may be submitted by e-mail or fax.
If a school has a regional qualifying competitor that cannot participate in the meet, and thus the school’s judge that will not attend the meet, the school is obligated to call the Regional Contest Director as soon as possible.

**Contest Headquarters**

The headquarters for the academic contests on April 24-25 will be T107 in the Pirtle Technology Center. There will be no central registration since contestants have been entered and certified by the District Director. Contestants should report to the event location before the time indicated in the contest schedule. Event directors will have an official contestants’ list and will call roll at the starting time for each event.

**Hospitality Room and General Locations for Events:**

Pirtle Technology Room 127, located in Phase III of the Pirtle Technology Building, has been dedicated for school officials and coaches only on Saturday. Coffee and doughnuts will be available for bus drivers and coaches only. Parents need to go to the concession area.

The contest site for One-Act Play will be Wise Auditorium at Tyler Junior College in Tyler, Texas (see map).

The main location for all speech events is the Jean S. Browne theatre located inside the Wise Cultural Arts Building (corner of Fifth Street and Mahon.) Concessions will be available here as well.

The contest sites for athletic events are as follows:

- **Tennis** - TJC Campus Tennis Courts (see map)
- **Boys and Girls Golf** - Oak Hurst, Bullard, Texas (see map)
- **Track and Field** - Wildcat Stadium, Whitehouse, Texas

**ALTERNATE CONTESTANTS**

Should a contestant be unable to participate in the Regional Meet, it is the responsibility of the contestant’s sponsor or school administrator to promptly notify the District Director of the alternate’s name and the school represented. The District Director should notify the alternate and the Regional Director.

**ABSENT CONTESTANTS**

A list of absent contestants will be reported to the state UIL office from each academic event. It is vitally important that you notify the Regional Director in advance if a contestant will be unable to attend the regional competition.

**SCHEDULE CONFLICTS**

The regional contest schedule has been organized according to the University Interscholastic League Academic Conflict Pattern which is included near the end of this book. Contestants will NOT be allowed to enter conflicting events. If contestants qualify to regional in conflicting events, they are to follow the procedures outlined for alternates in the paragraph above.

**CONTEST RULES & VERIFICATION PERIODS**

At the conclusion of most events, contestants and sponsors will have a brief period of time scheduled for verifying the accuracy of contest tabulations. Any questions during this period of time should be directed to the Contest Director. Questioning the decision of the judge or judges during the verification period is inappropriate and will not be allowed.

Official contest results will be announced and posted outside of T127 of the Pirtle Technology Center (except for Speech Events, which will be announced and posted in the WCA building.) Awards will be presented when the contest results are officially announced.
AWARDS

Individual and team awards will be given according to the standardized UIL award system for regional meets. Individual academic medals will be given to first through sixth places with the exception of LD Debate, first through fourth place. Medals will be given to first through third in track and field, golf and tennis. Awards for the One-Act Play Contest will consist of gold medals and a plaque for each of the two advancing plays, gold medals for the best actor and actress, silver medals for members of the all-star cast, and bronze medals for members of the honorable mention all-star cast. The school winning the regional academic championship will be announced at the completion of the last academic contest, which has been around 8:00 p.m. in recent years, if schools are still present. The award will be mailed to the appropriate school the following week.

**Persons picking up contest awards will be required to sign for them.**

It is the responsibility of the contestants, their sponsors, coaches and/or administrators to obtain contest results. Please plan to be present for awards for your event or have someone from your school present. The regional site is under no obligation to mail them to persons who do not attend the awards ceremonies. **If a contestant and/coach or sponsor is not present, the award and/or results will be mailed only if a self-addressed stamped envelope has been left with the contest director.**

WINNERS’ PACKETS

The UIL will post all State Meet information online. Rather than Winner’s Packets, event directors will hand out a postcard that directs 2014 State Meet qualifiers to visit the UIL web site at [www.uiltexas.org](http://www.uiltexas.org). Information packets will not be mailed to schools or handed out during the Regional Meet verification meetings or awards ceremonies, except for Lincoln Douglas coaches. It is imperative LD Coaches whose debater places pick up their packet. Coaches and contestants must go to the UIL web site for tentative schedule, UT parking, UT campus map and other vital State Meet information. Responsibility for knowing times, dates and sites of State Meet events rests solely with coaches and contestants.

Schools within “Area” designations (A or B), will perform alphabetically by play title. Area designations were determined by a drawing announced at the Regional Contest Planning Meeting on February 18, 2015.

Performance times are approximate. The first play will begin at 10:00 a.m., and each performance thereafter will run back-to-back using only such time as is actually needed.

Directors Meeting: A meeting of all directors with the critic judges and contest manager will be held in FA104 at 9:00 a.m.

Critic Judges: The critic judges will be Kathy Harvey, Adonia Placette, & Rod Caspers.

Awards: Awards for the One-Act Play Contest are outlined in the One-Act Play Handbook. The announcement of advancing schools, presentation of awards, and oral critiques will follow the last performance as soon as the judges are ready with their decisions. All companies are required to stay for the critique session.
Preparation Room: When each company arrives on Wednesday, an area will be designated for the storage of sets. On Thursday, a classroom will be available for each company approximately two hours prior to performance. Each company will need to provide its own mirrors.

Rehearsals: You will have exactly 55 minutes on the stage, which includes set-up, rehearsal, and strike. A complete run through of your play may not be possible. You will find the rehearsal period of greater value if you spend your time on difficult scenes and technical elements.

Scenery: A unit set is available. Adequate storage is a problem; therefore, please plan to use this unit set.

Lighting: General stage illumination with limited area lighting is available. All lighting requests must appear on your eligibility notice. Please understand, due to time constraints, your request may not be possible. See Wise Auditorium specs on the website: [www.tjc.edu/UIL](http://www.tjc.edu/UIL).

Sound: You may provide your own equipment. If you wish to use the house system, bring your CD, laptop, or iPod.

Operation of Equipment: An experienced crew from TJC will be on hand to assist your crew. The light board will be operated by your crew. **Due to school policy and the building security and safety system, we are unable to allow the use of smoke and/or fog machines.**

Playing Space: A description of the theatre facility at Wise Auditorium is on the separate link found on the TJC/UIL website. It is being updated Spring 2015.

Time Keeping: There will be four timekeepers. Two timekeepers will be in the auditorium and two backstage. The UIL rules concerning time will be strictly followed.

Additional Information: Students of the TJC Theatre Department will assist all companies; however, each school will be responsible for the unloading of its scenery and props.

Admission: Admission to the plays is $7.00 except for One-Act play companies. Please advise parents and families.
PARKING: Please unload at the rear door to Wise Auditorium and immediately move your vehicles to the east parking lot on Palmer Street. (Refer to the map provided on TJC website.)
