Keynote Speaker

## Jeff Scott Goldman

Jeff Scott Goldman is an Emmy award-winning producer and reporter whose career spanned four decades for CBS News and the PBS NewsHour. Until recently, Goldman was a regular visitor at the White House, covering six presidents over the past 34 years. In that role he traveled the world aboard Air Force One with Commanders-in-Chief Ronald Reagan, George H.W. Bush, Bill Clinton, George W. Bush, Barack Obama and the beginning of the Donald Trump presidency.

interviews were with Syrian President Hafez Al Assad in Damascus, Egyptian President Hosni Mubarak in Egypt, King Hussein in Amman Jordan and then Israeli President Shimon Peres in Jerusalem. In addition, he covered the Balkan war and troop interventions in Somalia, Haiti, and Iraq.

Goldman has been an eyewitness to numerous major historical events. He has covered six wars and military conflicts, including both Gulf Wars in the Middle East, and lived in Kuwait and Saudi Arabia for many months during both military interventions.

Goldman traveled around the globe with Secretaries of State Hillary Clinton, Condoleezza Rice and General Colin Powell. For PBS NewsHour, Goldman produced numerous long-form documentaries on a wide range of topics he witnessed overseas, including the breakup of the former Soviet Union, historic elections in eastern

Europe and the Baltic States, and the Mandela election in South Africa. He was the first to interview Communist leader Mikhail Gorbachev after his meeting with Ronald Reagan as Russia opened up to the world.

He was at the White House on 9-11 when terrorists struck the World Trade Center and the Pentagon, and days later accompanied Washington leaders on an unmarked FBI plane for a secret investigative trip to Ground Zero trying to gather evidence on those attacks.

At CBS News, Goldman also covered every domestic presidential election since 1996. He has been dispatched for breaking news stories around the globe including the horrific Haitian earthquake in 2010 where more than 100,000 people were killed. Goldman was one of the first journalists on the scene with American search and rescue teams dispatched within hours to rescue victims.

Goldman also has traveled to Israel and other countries in the region multiple times with several presidents. After witnessing the historic White House handshake between Israeli Prime Minister Yitzhak Rabin and PLO chairman Yasser Arafat, Goldman was immediately dispatched to the region. He produced exclusive interviews with key regional leaders to look at the future of the Israeli PLO conflict. Those

Goldman retired in 2017 and now speaks to groups with enlightening stories on how the media covers the White House, relations each president has had with the media, and what it is like to fly on Air Force One with our nation's leader.
