Please check this Handbook for updates, especially as we move into mid-April.

❖ Last updated 14 April 2022 ❖

A few things have changed since the last time our campus hosted a UIL Academic Region Meet, the most significant of which is that we have a new building—the Science, Technology, Engineering, and Innovation Building, designated as Building #40 on the two-dimensional maps (last page of this Handbook). In the Academic Events Schedule, the building's name is abbreviated as STEI. Most of the competition scheduled in STEI will occur on the building's first floor; most of the grading and verification is located on the second floor.

*Please see the schedule that follows on the next two pages for complete information.*

| Computer Science (Written) |                         | Accounting 3 <sup>rd</sup> , 305    |

In the past, students and coaches were invited to set up their day-long holding areas in the Student Center. We now offer both the Student Center and the Innovation Center in the new STEI Building; **however, NO food or drinks are allowed in the STEI Innovation Center.** Please do recognize that while we now have more room in which to pitch our base camps, we must do so without crowding either area—the Student Center or the Innovation Center. Please be considerate, especially in this time of Covid. Please do recognize that while we now have more room in which to pitch our base camps, we must do so without crowding either area—the Student Center or the Innovation Center.

Please be considerate, especially in this time of Covid.

*Please do not gather near any of the competition rooms or the grading rooms, and please walk the hallways of both the STEI Building and Academic Building quietly.*

Coaches: The Coaches' Hospitality Room has not been moved; it remains in the Student Center.

## FEES

### OVERVIEW

In order to simplify the accounting procedure for the Regional Meet entry fees, the Spring Meet District Chairperson for each UIL district represented in the region should send **one** check to cover all the high schools in his or her UIL district; this **one** check can cover all the entry fees for both the academic events and any One-Act Play entries; however, a separate check for the One-Act Play entries can be cut by the district chairperson, **OR** each high school advancing to regional One-Act Play can send its own OAP check. The Spring Meet District Chairperson (high school level) may then assess each member school in the UIL district according to each school's total number of contestants. Please include a Fee Form with check(s), which is found under a different link on the region-specific webpage. Invoices will be sent to each UIL District chairperson approximately four weeks before the regional meet.

### ENTRY FEES PAYMENT

Blinn College District will bill each UIL District's lead high school.

→ **\$2600.00**

One-Act Play . . . . . postmarked by **18 April 2022**

**All entry fees should be paid before participants compete.**

**ALTERNATES  
and  
TEAM SUBSTITUTIONS**

Each District Chairperson must certify the district results. The correct and full names, not initials, of the contestants must be given. **The first and second alternates must be notified that if one or two of the qualifiers cannot make the Meet, the alternate(s) will be able to compete at the Regional Meet.** If a school has any changes in its entries after they have been submitted, **both** the District Chairperson and the Regional Meet Director must be informed prior to the day of the contest. Any team substitute, as allowed by the *C&CR*, must present a completed substitution form or a letter of eligibility signed by the designated school administrator.

**ACADEMIC EVENTS FEES**

FULL SLATE  
(ACADEMIC ONLY)  
**\$2600.00**

ONE CHECK  
**ONLY**  
FROM EACH  
UIL DISTRICT

Each District Meet Chairperson handles all entry fees for his or her district and then bills respective high schools for the amount owed. The Chairperson should send the academic fees and One-Act Play fees once all pre-region competition has been certified. One check should be made to cover the full academic slate and another should cover the OAP fees for the UIL district's advancing plays, though, as stated above, each high school can send a check for its OAP entry. (See deadlines above.)

\* How the member schools constituting the UIL district divide the \$2600.00 full slate fee among themselves is the business of the member schools within the district and the district's Spring Meet Chairperson.

**ONE-ACT PLAY FEES**

EACH ONE-ACT PLAY  
**\$550.00**

A \$550 entry fee is required of each one-act play entered in the One-Act Play competition. Each school with a play advancing from area to regional should remember to bring **ALL** the required paperwork, including the new **STANDARDS COMPLIANCE FORM**.

Note: Admission for the One-Act Play Contest is \$4.00 for students and \$8.00 for adults; however, individual members of the cast and crew will not be required to pay the cost of general admission to watch the other plays in the competition. Checks will be accepted.

# Required Oral Interpretation Forms

## Blinn College District UIL District and Region Meets

Natalia Hannath  
Contest Director

Please send completed forms to [uilspeakingdocuments@gmail.com](mailto:uilspeakingdocuments@gmail.com) for prose and poetry.

Please indicate both the contest and district *or* region number **in the email's subject field**;  
e.g., Prose District 27-2A *or* Poetry Region 3-3A.

**Do NOT send forms to Austin for either district or regional competition.**

Please send completed forms *well before* the contest date so that documentation is in place before the contests start.

Every effort will be made to check the documentation and to contact the coach in a timely manner if a problem is discovered. Our goal is to ensure a smooth start of the contests; having the documentation in place and checked well before the date of the contest facilitates a good start to the contests and the meet.
