There is NO general check-in area or table. Contestants should report directly to contest rooms.

Headquarters

The headquarters for the operation of all academic events is BH 126

Awards

After results are verified, medals should be picked up from BH 126. All medals should be picked up by schools before leaving. Medals must be picked up by an adult representative of the school. **No awards or materials will be mailed.**

First through sixth place medals will be awarded in all individual events. Medals will also be awarded to team members in team events. The winning team's school will also receive a plaque in each of the team events. The school with the highest total points for all academic events will be named the Regional Academic Champion and will be awarded a regional academic champion trophy.

Test Materials

Please note that test materials should be picked up following verification. Materials will not be shipped. Any materials not picked up at verification will be brought to BH 126 and must be picked up before the school leaves.

Contest Assistants

All coaches are asked to check in with the contest director on the day of the contest to offer assistance in proctoring, monitoring, and grading.

Grading

Grading will happen immediately following each contest. Rooms will be designated on the schedule for each contests' grading area. All available coaches are asked to assist with grading. Please note that Computer Applications and Spelling require a grader for all participating schools.

- Computer Applications. All coaches are required to serve as graders, unless excused by the contest director. If a coach cannot grade, it is the coach's responsibility to provide a substitute, preferably someone somewhat familiar with the contest, and advise the director that they are providing a substitute. The contest director may disqualify contestants if a grader is not provided.

-Spelling and Vocabulary. We will utilize the UIL provided recording for part II of the Spelling test. Coaches are encouraged to volunteer as verifiers. All schools taking part in the contest need to provide a grader.

Computers

No computers will be provided by the regional site. All events that require or allow a computer/printer, must be provided by the individual school as well as other resources such as power strips, copy stands, paper, etc.

In events where computers and printers are used, it is the responsibility of each student to ensure the equipment is working properly. Computers must be set up and ready to use when the contest begins. Printing must have started by the end of the contest time. Sponsors will not be allowed to assist students if the equipment malfunctions during the contest and extra time will not be allotted.

Day of Procedures

Competitors and sponsors should report to contest rooms 15 minutes prior to the contest so that events may start on time. Please note that when technology is used, it must be ready at the beginning of contest time. Therefore in those events, contestants may want to arrive more than 15 minutes early.

Dining Options

Please plan accordingly in terms of food options. TAMUCC provides some dining options in their student union but hours and availability will be uncertain. There is a wide variety of dining options on SPID.

Parking

There will be a designated parking lot for all schools located near Bay Hall. Any other parking is subject to the restrictions of the university on Friday and Saturday. Please utilize the designated lot.

Special Accommodations

Contestants requiring accommodations must present their letters from the UIL State Office, noting acceptable adaptations to the Region Meet Directors no less than 5 (five) business days prior to the event in which they are participating. All accommodation requests must have prior approval from the UIL State Office.

Eligibility

The eligibility of each student competing at the Regional Meet is the responsibility of the individual school he or she is representing.

Fees

La Vernia High School will be serving as the Region IV-2A/4A Fiscal Agent. All District Chairs should remit entry fees for the regional contest in the amount of \$2,700.00. This amount is for academics only. Sporting events will be billed separately. These fees do not include OAP. A copy of the invoice is included in this handbook. District Chairs are responsible for making arrangements with District schools for fee payment.

Registration

Academic results are submitted through the UIL Spring Meet online system via SpeechWire. No other contestant registration is necessary for the regional meet.

Entry Changes, Alternates, and Team Substitutions

Each District Chairperson must certify the district results. The correct and full names, not initials, of the contestants must be given. The first and second alternates must be notified that if one or two of the qualifiers cannot make the meet, the alternate(s) will be able to compete at the Regional Meet. If a school has any changes in its entries after they have been submitted, both the District Chairperson and the Regional Meet Director must be informed in writing prior to the day of the contest. Any team substitute, as allowed by the C&CR, must present a completed substitution form or a letter of eligibility signed by the designated school administrator. Any questions about entries or changes should be sent to Region Meet Directors.

Late Arrival

When a student is not present at roll call, they may be replaced by an alternate. Once an alternate has replaced a student in roll call, a further substitution WILL NOT be made. A student who arrives after the contest has begun will not be permitted to compete, even if no alternate has replaced him/her.

Absent Contestants

A list of absent contestants will be reported to the State UIL office from each academic event if prior notification was not given

Verification

Verification will take place in the designated rooms listed on the schedule. Contest directors will announce approximate times for verification and awards presentation at roll call for each event. Coaches or another representative of the school should be

present at verification for each contest to verify results. Once the verification period has ended, results are final. Verification will last for a period of 15 minutes. No photographs can be taken of tests or keys during verification.

No adjustments will be considered to accommodate the conflict if the State Conflict

Pattern was not followed at the district level. Following the Conflict Pattern at Region is mandated by UIL.
