Contest Headquarter Location

The Regional Meet Headquarters and coach hospitality room will be located in the College of Business Administration (COBA) Building, Room 142. This room is where contest scores will be submitted. Only UIL administration staff and school coaches will be allowed in Headquarters. Food will be available at different times of the day, only for UIL staff and coaches, not for students.

See Food Services section for locations and times when food is available on campus

Eligibility and Certification

Participants in UIL competition must meet qualification guidelines of the *UIL Constitution and Contest Rules*. Academic and One-Act Play results are submitted through the UIL Spring Meet online system. No other contestant registration is necessary for the regional meet.

Entry Fees

See page 18 of this handbook for an invoice that should be forwarded to the District Executive Committee Chair for payment.

All entry fees will be sent from the District Executive Committee Chair. One check will be sent for academic entries for the entire district to the Region Academic Meet Director. UTA should receive one payment from each district, not from individual schools. **Fees should be mailed to the Region Academic Director's office no later than the first school day following the district meet.** Checks should be made payable to the University of Texas at Arlington. **Participants will not be permitted to compete unless all fees have been paid IN ADVANCE of the event. NO EXCEPTIONS. All entry fees are non-refundable.**

Arrival and Registration

On the day of the regional contests there will be NO central registration or check-in location. Coaches and sponsors are expected to have students report to contest locations at times listed in this handbook. Each Contest Director will have a list of those eligible and will call roll at the starting time of the event. If an entered student is not on the Contest Director's list, this information must be reported **IMMEDIATELY** to the Academic Meet Director in the Meet Headquarters.

Computers and Printers

UT Arlington will not be providing computers or printers for any of the contests at the regional academic meet. Schools will need to supply their own for the applicable contests.

Absent Contestants

A list of absent contestants will be reported to the State UIL office from each academic event. ***It is imperative that you notify the Regional Academic Meet Director in advance if a contestant will be unable to attend the regional competition.***

Accommodation Requests

Students who have received an accommodation request approval from the UIL State Office must have their accommodation paperwork sent to the Regional Academic Meet Director no less than five (5) business days prior to the day of the event in which they are participating. Any accommodation for a contest must have prior approval from the UIL State Office.

Withdrawal, Late Arrival, Absenteeism

The school of a district winner who cannot attend the regional meet must notify the District Academic Meet Director **IN WRITING**. The District Director will then notify the alternate and the Regional Academic Director. When a student is not present at roll call, he/she may be replaced by an alternate. Once an alternate has replaced a student in roll call, a substitution will NOT be made. A student who arrives after the contest has begun will not be permitted to compete, even if no alternate has replaced him/her.

Verification/Awards/Posting of Results

Locations and times of awards presentations are provided in this handbook. Results of academic contests will be posted as reports are made available.

Students, coaches and/or other school officials are urged to attend verification periods and award meetings. Regional meet directors are under no obligation to contact winners with the results if winners fail to attend the awards sessions. **Awards and testing materials are not guaranteed to be shipped to schools not attending verification and awards.**

First, second, third, fourth, fifth, and sixth-place medals will be awarded in all individual events. Medals will also be awarded to the first, second and third place team members in team events. The top three winning team's school will also receive a plaque in each of the team/group events.

The school with the highest total points for all academic events will be named the REGIONAL ACADEMIC CHAMPION and will be awarded a regional academic champion trophy. The Academic Champion will be posted on the website on the following Wednesday after the meet.

Students, coaches, and/or other school officials are urged to attend all verification periods. Materials and awards are not guaranteed to be mailed following the meet.

State Meet Information

Information regarding the UIL Academic State Meet is posted on the UIL website at www.uiltexas.org/academics. Coaches and contestants must go to the UIL website for a tentative schedule, UT parking, UT campus map and other vital State Meet information. Responsibility for knowing times, dates, and sites of State Meet events rests solely with coaches and contestants. Second place regional teams should also look for the list of wild card qualifiers.
