## **A Resolution to Encourage the Editing of the World Anti-Doping Agency's Prohibited Substances List**

1   **WHEREAS,**   The World Anti-Doping Agency (WADA) currently has substances, such as  
2                   cannabis, on their prohibited list that does not meet two of their three  
3                   criteria to qualify; and

4   **WHEREAS,**   This criteria includes the ability for a substance to enhance an athlete's  
5                   performance, the ability for the substance to pose a health risk for  
6                   athletes, and the substance "violates the spirit of the sport."; and

7   **WHEREAS,**   Only five of twenty-three substances classified on the list show evidence  
8                   of having the ability to enhance actual sports performance; and

9   **WHEREAS,**   The World Anti-Doping Agency is punishing athletes internationally for  
10                  substances that are not performance-enhancing, creating more stigma  
11                  around the use of these drugs; now, therefore, be it

12 **RESOLVED,**   That the UIL Congress here assembled make the following  
13                   recommendation that the United States should work to help edit and  
14                   update the World Anti-Doping Agency's prohibited substances list to  
15                   ensure athletes aren't wrongly disqualified for the use of unarmful  
16                   substances.

## A Bill to Implement Water Safety Education Into Schools

1 BE IT ENACTED BY THIS UIL CONGRESS HERE ASSEMBLED THAT:

2 **SECTION 1.** Accidental drowning is among one of the most preventable, and most  
3 common causes of death in children and adolescents. For children age 1-  
4 14, drowning is the second leading cause of unintentional injury death.  
5 This can be reversed and prevented most efficiently by proper education.

6 **SECTION 2.** Education will include, but is not limited to, basic survival swimming  
7 lessons, and education on safety in and around water. Instructors will  
8 undergo adequate training through an appropriate agency prior to  
9 becoming an instructor. Instruction will be for grades K-6 and should  
10 satisfy part of the physical education requirements required for such  
11 grades.

12 **SECTION 3.** The Department of Education will oversee the implementation of this bill.  
13 A. Any schools that fail to comply will lose federal funding until proper  
14 instruction is implemented.

15 **SECTION 4.** This bill should be implemented by August 2023.

16 **SECTION 5.** All laws in conflict with this legislation are hereby declared null and void.
