

# 2023 State Congress Parking Information

## BE ON TIME

Traffic in Austin is heavy. Allow sufficient time to park and get to the University Teaching Center (UTC) for roll call. If you arrive close to the start time for roll call, you should drop your students off to answer roll while you park.

## Unloading for the University Teaching Center - Buses

Turn right onto University Ave. from Martin Luther King (MLK) then turn left onto 21<sup>st</sup> street and drop students off in front of the fountain. **DO NOT turn right** as the street does not go thru. **DO NOT** leave your vehicle unattended. Since there will be other vehicles waiting to unload, disembark as quickly as possible to keep everything running smoothly. The UTC is located 1 block east of this drop off and is NOT accessible to buses. Buses may NOT park on campus, including the intramural fields at 51st and Guadalupe. If buses park on campus, they will receive a citation. Buses MAY park on a “space available” basis at 1800 Comal Street, south of Martin Luther King Jr. Blvd.

***Attention Coaches: Please read all the information below carefully.***

Prices range \$5 to \$10 per day. **Please check all signs carefully before parking in any of these lots and read the time your parking expires on the ticket for your window. Prices are subject to change without notice, so be sure to read the signs before you park your car.**
