From:    Jana Riggins, State Speech and Debate Director
Re:     2014-2015 Speech Year
Date:      August 2014

This booklet provides important information to get your competitive year started off right. I invite you to read the entire booklet carefully, and complete our online information form so that we might serve you better.

• **Speech Coach’s Information Form.** ([https://www.uiltexas.org/form/speech-coach/](https://www.uiltexas.org/form/speech-coach/)) This form will allow us to contact you throughout the school year. Please update your information each year, as we send reminders with important information and announcements.

• **Judge Interest Form.** ([https://www.uiltexas.org/form/speech-judge-interest/](https://www.uiltexas.org/form/speech-judge-interest/)) If you would like to be included on our database of individuals who are interested in judging UIL invitational, district, regional and state tournaments, complete this form.

• **UIL Resources to Help You.** Explore this list to discover assistance the League provides to make your coaching job easier. If you are a new UIL coach, email us and we’ll mail you a complimentary copy of our Beginning Coach manual.

• **Student Activities Conference.** Get your students ready for competition early by bringing them to a **UIL SuperConference** this fall. No registration—no fees.

• **Capital Conference.** The League hosts a 2-day conference at UT-Austin every summer providing over 120 workshops for novice and varsity UIL coaches. Cost is minimal. Online registration is available in the spring.

• **Extemporaneous speaking topics** are posted regularly on the Speech page of the UIL website throughout the season.

• **Leaguer.** Available online. Provides news, articles and official notices.

• **Dates/sites for invitational meets.** You will find these posted online. If you plan to host a tourney, the dates for using UIL **invitational meet materials** have been set. Judging instructions and ballots are available for practice meets without date restrictions. To have your UIL invitational tourney posted, enter your request via the online form posted at **http://www.uiltexas.org/academics/invitational-meets-submit.** More UIL invitational meets are needed so you are encouraged to consider hosting one this year.
• **CX Debate Policy Resolution and LD Debate Value Resolutions** are posted online. The CX topic for the ensuing year is posted in January. The LD Debate topic for the fall is posted early August and the spring topic (for Invitational A & B meets/District/Region/State) is posted early December.

• **CX Debate District.** Your district should hold a planning meeting by October 1 and schedule a time for cross-examination district competition. The agenda to follow is found on the following webpage:

  http://www.uiltexas.org/speech/debate

Entries must be submitted online. Note that CX debate, unlike the other academic contests, advances from district to state, with the state tournament scheduled mid-March.

• **State Debate Judge.** If your school qualifies CX or LD debaters to the State Meet, you are obligated by C&CR rules to provide an *experienced judge* as long as your debater(s) remain in the state tournament. The coach of each qualified school may serve as the judge to meet the requirement. Begin planning early in the season so you know who your judge will be if your debaters advance and you want the judge to be someone other than yourself.

• **Volunteer.** (http://www.uiltexas.org/machform/view.php?id=67) If you are interested in serving on a UIL *speech advisory committee*, submit the interest form located on our webpage.

• **Legislative Council.** The UIL Standing Academic Committee met in June, and the full Council meets on October 19-20, 2014 in Austin. Check our web page for current proposals. Coaches may propose rule changes.

• **The Texas Speech Communication Association.** Our state’s professional organization for speech communication educators hosts a convention including over 60 programs and valuable workshops. The 2014 convention will be held at The Overton in Lubbock, October 2-4, 2014. Network with speech people from around the state! Information is online at: www.etsca.com/convention.asp

• **National Federation of State High School Associations.** UIL is a member of the NFHS. We've included a document outlining the membership benefits of the National Federation’s division for speech and debate, and a description of speech and debate products available through NFHS.

• **How to Get Information.** The UIL utilizes a website as our main method of disseminating information to member schools. *Our site is continually updated. Check it throughout the year for the latest information and official contest rulings.* (www.uiltexas.org)

• **How to Reach Us.** I am excited about serving as your state speech and debate director. It is my desire to be accessible to you as a resource and to listen to your ideas and concerns. The most efficient way to reach me is via email: jriggins@uiltexas.org. The UIL office number is (512) 471-5883. Our fax number is (512) 232-7311.

Best wishes for a great school year!

Debate Fall Planning Meeting — Suggested Agenda

Debate coaches representing all district schools should be invited to attend the fall planning meeting, which needs to be held prior to October 1. Refer to the UIL *Spring Meet Manual* posted online for a detailed discussion of each item listed below.

**Items to be discussed include the following:**

- **Appoint a CX Contest Director.**
  The name should be provided to the League office no later than November 1. The form is found on the UIL web site at: [http://www.uitexas.org/machform/view.php?id=68](http://www.uitexas.org/machform/view.php?id=68)

- **Select the contest site.**
  Consider the number of rooms required for debating and contest tabulation.

- **Set the contest date(s) and time schedule.**

- **Decide on the format** (round robin, prelims for elimination seeding) to determine winners.

- **Determine whether Spring Meet Director or your CX Contest Director** will be responsible for setting up the district meet online. Deadline is Dec. 1.

- **Determine who will be involved in pairing the debaters.**

- **Decide whether to alter or break brackets** to prevent teams from the same school from debating each other. This is critical to decide before beginning the tournament.

- **Establish the criteria for tabulating results.**

- **Discuss who recruits judges,** and what judging requirements (age, credentials, experience) should be followed to secure a competent impartial judging pool. At minimum, judges should be high school graduates.

- **Set deadlines** for securing and confirming judges.

- **Establish tabulation room procedures,** particularly in terms of ballot verification and open/closed tab room.

- **Check the number of awards** needed and determine who will order them.

- **Outline hospitality/concession plans.**

- **Confirm the date that district schools can expect to receive a copy of the finalized details** of the contest.

- **Remind schools of online entry deadlines** and emphasize the importance of notifying contest officials in a timely manner if there are changes in the entry.

- **Discuss district executive committee’s ruling concerning late entries.**

- **Review dates for CX State Meet and State judging requirements so schools are prepared to complete online judging forms should their team(s) win.** Late entries will not be accepted.

- **If school representatives also coach Lincoln-Douglas debate,** it is wise to discuss similar issues for the LD contest at this time (refer to Section 1002(i)(4) of the *C&CR* for important information on LD dates).
2014-2015 UIL Debate

Cross-Examination Team Debate

Resolution

Resolved: The United States federal government should substantially increase its non-military exploration and/or development of the Earth’s oceans.

Lincoln-Douglas Debate

Resolution for September through December

Resolved: On balance, government restrictions on threatening speech are desirable.

Two L-D topics will be used by UIL. The resolution above will be used for September through December. The resolution for January through May will be announced by December 15 and available on the UIL Web site: www.uiltexas.org

Because hosts of invitational meets may select any L-D topic of their choice, it is wise to consult with the sponsor of the invitational tournament regarding which topic will be debated at that particular contest. Both UIL topics will be published in the Leaguer.

★ THEY'RE free! No pre-registration needed!
★ THE CONFERENCES begin at 9 a.m. and end by 1:30 p.m. without a lunch break. This allows us greater flexibility in scheduling without sacrificing program quality, and allows schools to return home earlier. Bring along snacks for students who need a sugar or carbo boost around noon.
★ CONFERENCES are scheduled as best as possible to minimize conflicts with national testing dates, band contests and state conventions and to maximize participation by the finest students and teachers in Texas. Pre-registration is not required and there is no fee for attendance.
★ INSTRUCTIONAL SESSIONS are designed for beginning students, advanced students and academic coordinators and coaches. Lectures and demonstrations will be scheduled for all UIL academic contests, including one-act play.
★ CONFERENCES feature lectures and presentations by UIL contest directors, college professors and high school teachers. Sessions will include discussions on contest preparation, demonstrations, performances and contest administration. Students may choose from novice and advanced sessions in some academic areas, as well as small-group sessions in specific UIL activities.
★ BRING STUDENTS! Most sessions are intended to help students begin preparing for high school spring contests. Mark your calendar and plan to attend one or more of these free conferences.
★ TENTATIVE programs for each site will be posted on the UIL web site, and final programs will be available at each site.
