BEFORE YOU ENTER ONLINE, YOU NEED TO SAVE YOUR STUDENTS' WORK INTO A FILE TO UPLOAD. EACH STUDENT WILL BE ENTERED AS A SINGLE PDF FILE. THE REQUIRED ENTRY ITEMS ARE TO BE SAVED IN THE ORDER LISTED BELOW AND THE FILE SHOULD BE NAMED ACCORDING TO THE INSTRUCTIONS ALSO PROVIDED.

This can be accomplished most simply by creating a word document with the justification paper that you then copy and paste pictures of the students work into in the order prescribed below and then save as a PDF using the file naming instructions provided.
