FREQUENTLY ASKED QUESTIONS

Is my school locked in to compete if I file an intent to participate?

No. This is merely an “intent” to participate. This will help us plan for acquiring judges and planning for the evaluation process.

Is there an entry fee?

No.

Can my advisor/sponsor help me write, edit or shoot the film?

They may be on set and help. In fact, that is strongly advised. They may give artistic and technical advice throughout the process only.

When is eligibility checked?

Eligibility is checked at the time of submission. The project is entered as a team representing the school. Ineligible students shall not be allowed to represent the school at the state finals.

What does it mean that there is no “amateur rule?”

Unlike athletic events in UIL, a participant in the film contest can have professional film, TV or commercial credits.

Can our students work with my friends that go to another school?

Only as on-screen or voice talent.

Can I use my little brother/sister from middle school in the cast? What about adults?

Yes.

Will I need location permissions? Waivers? etc?

Schools should check with each location. Waivers from talent, etc shall be the responsibility of the participating school.

May we use pre-generated materials software or automated animation software?

No.

SUBMISSION DEADLINE- JANUARY 19, 2022

How about anything on language or content?

See Section 1036 (c)(1)(B) of the current UIL *Constitution and Contest Rules*.

Does Mockumentary fall under narrative or documentary?

Narrative. Since a mockumentary is fiction, it will fall into that category.

May I use stock footage?

Your film may contain LICENSED or public domain stock footage as needed for a documentary. Stock footage in narrative and animation entries should not be more than 10% of the total running time.

What will I need to prove I have permission to use the music and stock footage?

Receipts will need to be produced if requested by the State Contest Director. A music log should be maintained and kept on file at the school. See Film [page](#) for sample music log. Your school is responsible for acquiring any and all clearances for any copyrighted music or images you use. The UIL cannot give opinions on copyright issues.

Will the school receive any points towards Academic Championships?

Schools placing at State shall receive points that count towards the overall Academic Championship. Additionally, points from One-Act Play, Film and Theatrical Design shall count towards the overall State Theatre Championship. The points are equivalent to any group contest in Academics.

Can I view winning films from previous years?

Yes. Award winning films from previous years may be found on the UIL Film page.

I am new to this contest. Are there any workshops or presentations I can view that could help me prepare?

Yes. There are UIL Film workshops throughout the year. Please check the UIL Theatre site for dates and opportunities. View the UIL YouTube channel for past filmmaking sessions.
