#### District judges

District acting judge: Matthew Simpson

District judge B: Laurie Durrett

District judge C: Rachel Harrah

#### Are you running Zones? No

If any of the settings above are incorrect [click here to modify them.](#)

You will also see a list of the schools in your contest, including their titles and their Zone assignments, if you are Zoning. There is an “Include?” checkbox for each school, which should be checked if they are going to participate in your contest. **Only uncheck the box if you are 100% certain that the school will not participate in your contest! If a school DQs at contest, you should uncheck the box next to their school name. You will still be able to enter points for any acting awards they receive.**

**Schools to include**

If you know for a fact that any schools are not participating, uncheck the box on their line to exclude them from the sectioning for tabulation.

Finally, under the “Competition specifics” heading, you will confirm the number of judges you will use for District and Zone. Once you have set this, click “Proceed with preparation”. You are now ready to enter results.

Note: Even if your meet is not zoning, the system appears to show a number for zone judges—you can ignore this if you are not zoning. It will not affect anything. If you are zoning, you can designate the number of judges as “1” or “3”.
