

CONGRATULATIONS TO OUR 2023 UIL THEATRICAL DESIGN STATE QUALIFIERS

I cannot begin to tell you how proud I am of everyone who participated this past year in any level of interest—from those who checked out what we are all about at any of our workshops, or who participated in aspects of it as a class project, or who told your students about it for the first time and to our contestants who got it done and entered in record numbers this year. You have created a momentum and breathed new life into our contest to the extent that we WILL be able to break away from just two divisions as the Film Contest has done. You will notice that we have something new on our list this year and that is that we had to break to semi-finals in some of our events to be able to manage the state contest. While our Semi-Finalists do not advance to State, they made it to an advanced level of evaluation and we want to recognize that outstanding accomplishment.

We are still in the process of filing the ballots/feedback, but plan to open the portal for you to view those shortly after you come back from Spring Break so that our finalists can work on getting their entries ready for State Contest. We will be providing a packet of State Information to the directors through the System Email Blast and posting it on the website within the next couple of weeks as our plans are cemented. Be prepared for a fantastic experience!

Those who did not advance, please consider applying for Honor Crew to assist in the running of the State Contest. A link to the application will be sent in an email blast sent to all directors in the next few weeks.

Enjoy the rest of your Break!

Rachael Gomez
State Contest Director
