**INFORMATION**

**CALL THE CONTEST MANAGER**

Congratulations on winning your Bi-District contest. Before you do anything else, call your Area contest manager as soon as possible. Leave your name, phone number, school, play title, and the other advancing schools and their play titles so that preparations can begin.

Call (940) 368-1515. Leave a message.

**ELIGIBILITY NOTICE**

Eligibility information is all online. Be sure and check that all of your information has been correctly verified. In addition, please use the attached instructions and program template to send your program copy to deb.shaw@midlandisd.net as soon as possible, please.

**JUDGE’S SCRIPT**

Please send copies of your script to the critic judges at their addresses above.

- Do not send a Xerox copy. The script will be returned.
- Do not send the script as a registered letter requiring a signature. It could cause a delay.
- Make sure the scenes you are not using are "x-ed" out (Not blacked out with a Sharpie like you work for the CIA -- I suggest a pencil) and that the remaining dialogue is highlighted in yellow.
ENTRY FEE AND REQUIRED DOCUMENTATION
Have the following ready to present to the Contest Manager before your rehearsal.

- **Entry Fee:** The fee for each school participating in the area contest is $550.00 to help cover expenses of the contest. Remit this fee by school check made payable to Lee Theatre Booster Club. A school will not be allowed to compete until the entry fee is paid. If a school has difficulty getting a check in the short time between the Bi-District and Area contests, a letter from an authorized school administrator stating that the entry fee is being processed will suffice. In that case, mail the check (made payable to Lee Theatre Booster Club) to the attention of Deb Shaw, 615 W. Missouri Ave., Midland, TX 79701.

- **Proof of Royalty Payment, Publisher’s Permission to Cut, And State UIL Approval Letters:** This includes documentation required for your performance such as permission for cutting long plays, play approval if the play is not on the approved list, letters of permission for additional scenery or any written clarifications from the State UIL office, including emails.

- **Script and Music Cue Log:** Present a copy of the approved published original script, in addition to the one you have provided for the judge, marked to reflect the exact performance text being used. Prepare a music cue log sheet of incidental music, noted in the script showing the duration of each cue and the cumulative total. The log is required even though there is no longer a time limit for music.

REHEARSAL SCHEDULE
Schools will rehearse in performance order. Performance order was determined by a random and witnessed draw with Bi-District letters A or B and a letter (A), (B) or (C) following. (A) refers to the play title in each Bi-District that is first alphabetically, excluding articles. (B) is the play title in each Bi-District that is second alphabetically and (C) respectively.

- **Schools should unload at least 30 minutes prior to rehearsal time.** Each school will have 50 minutes uninterrupted, with the last 10 minutes of the hour reserved for strike. Performance times are approximate. Plays will run back-to-back.

Please try to arrive thirty minutes before the scheduled rehearsal time. Come to the loading door (Look for the "UIL OAP" sign) under the L-E-E letters in the parking lot at the corner of Neely and Tarleton and notify the Contest Manager that your school has arrived. Companies will be allowed to unload props/scenery before the rehearsal time begins, however, to remain on schedule schools must arrive early.
Following the rehearsal, schools may leave props/scenery in the designated storage space. Companies may unload into the dressing rooms earlier than their rehearsal time.

The Auditorium is located adjacent to the parking lot at Neely and Tarleton between the Music and Art halls beneath the L-E-E letters. The loading doors are just south of the dumpsters and the cafeteria loading zone in the shadow of the band hall.

UNIT SET

DRESSING ROOMS
Each school will have a dressing area/classroom assigned for their use during the contest in the art hall. The orchestra hall can be used as a warm-up space. Large handicapped accessible restrooms/dressing rooms are located nearby in the music hall. Each school may unload into their dressing room space the day of the contest. Rooms are not equipped with make-up mirrors. Bring your own. There is a small make-up room in the Art hall where each company can do a make-up check, only, before their show. Please keep and leave the dressing room clean and neat.

ABOUT THE FACILITIES
The Lee High School Auditorium has a proscenium stage with a covered orchestra pit as an apron. A drawing with lighting areas and stage dimensions will be emailed to you. The proscenium opening is 50’ wide. The apron is 15’ deep in front of the grand drape. The stage is 24’ deep from the grand drape to the back traveler. All curtains fly, travelers travel to the full stage openings, and legs hang stationary but may be clipped back for a wider opening at the director’s desire. Please be aware that there is a grand piano storage cage up against the proscenium wall stage left that may affect your downstage entrances and exits.

The lights are preset for twenty areas according to the light plot diagram, which will be emailed to the advancing plays. The light board is an ETC Ion. Directors may email lighting cue sheets to the contest host no later than Monday, March 26, to be pre-loaded in the lighting control board. The email address is scott.timms@midlandisd.net. The cue sheets must list area, level, and speed of each cue. A sample template is located in the back of the OAP Handbook. You may also program or adjust your cues during your rehearsal time or run the board off sub-masters. A red, green and blue general color stage wash will be available. A brand new cyclorama is available (Hurray!). Two follow spots are available in the balcony. The
light booth is located in the back of house left. Headsets with access to both stage left and stage right will be available.

There is a single disc, **SI Performer (Soundcraft) CD player** and cassette player available for your use located in the light booth. You can play cues from an MP3 player if you have an auxiliary cable. You may, however, bring your own portable system to be used backstage.

**AWARDS AND CRITIQUES**

Plaques will be presented to the three advancing plays, the alternate play and the outstanding technical crew. Individual medals will be given to best actor and actress, all-star cast, honorable mention, and all-star tech crew.

The critique is a very important part of the OAP process. Please be courteous, attentive, and receptive towards the judges and other casts. The critiques will be given according to geography with the farthest school being first. The three advancing shows will be critiqued last.

Robert E. Lee High School Theatre – Midland, TX (UIL OAP Light Plot)

- Light board is an ETC ION
- Color washes are available using LED lights
- There is now a cyc available to use
- All areas will be on an individual sub master
- Areas are numbered as per UIL Theatre Office directive. We believe in a stage right to stage left system as that is how people read and lighting designers have the audience’s POV. Our apologies if this new directional labeling is awkward for you. It is for us, as well.
One mission of the UIL One-Act Play Contest is to promote a spirit of cooperation among all involved directors, students, administrators, parents and audience members to promote growth in the realm of educational theatre. The One-Act Play Contest Ethics Code shall carry the force of rule. Member school districts, participant schools and/or covered school district personnel who violate any of the provisions of this code shall be subject to penalty.

(a) ONE-ACT PLAY CONTEST CODE. Section 901, the Spring Meet Code requires participants to:

(1) Participate in the OAP contest with the spirit of fairness and sportsmanship, observing all rules both in letter and intent.
(2) Direct and sponsor companies and individuals without resorting to tactics which attempt to skirt the rules or distract from sound educational principles.
(3) Accept decisions of the adjudicator(s) and contest manager(s) graciously without questioning their honesty or integrity unless concrete evidence of impropriety can be brought forward. Extend courtesy to contest officials and site crews from the company members, school officials and audience. Conduct that berates, intimidates or threatens competitors, based on gender or ethnic origin, has no place in interscholastic activities.
(4) Receive the adjudicator’s point of view with an open mind. Negative reaction during the critique shall be deemed inappropriate.
(5) Provide information or evidence regarding eligibility of any contestant or school to the local school administration, then to the proper district executive committee. To withhold information is considered dishonorable and contrary to good sportsmanship. Schools guilty of violating this section are subject to penalty.

(b) CODE FOR ONE-ACT PLAY CONTEST DIRECTORS AND SCHOOL OFFICIALS. The Code for one-act play directors and school officials includes the principles described above and the purposes listed in Section 1033 (a-d) and the “Guide For One-Act Play Contest directors” in the Handbook for One-Act Play. The Code requires:

(1) Awareness, understanding and observance of all rules governing the competition for which the director is responsible.
(2) Treatment of company members based on sound educational precepts and the general welfare and health of the student.
(3) Professional courtesy to other directors, contest manager(s), adjudicator(s) and participants.
(A) Directors shall communicate the aims and rules of the one-act play contest to all company members in the early stages of the rehearsal process.

(B) Directors shall model professional behavior during the planning, the production rehearsal and throughout the duration of the contest.

(C) Directors shall be responsible for making company members, school officials, parents and patrons aware of the objective criteria described in the Handbook for One-Act Play and the subjectivity involved in the process of adjudication; i.e. evaluating, selecting and critiquing any work of art, including a one-act play.

(D) Directors and company members shall model professional decorum during all phases of the contest. For example, directors and company members, as representatives of their schools and communities, shall refrain from disruptive behavior, slanderous or overt actions of disrespect, or any other displays of negative behavior.

(4) Adherence to the one-act play contest calendar and pre-contest planning procedures.

(5) Avoidance of any practice that would endanger the welfare or safety of any company member.

(6) Emphasis on the academic progress of all participants through a check of their academic standing.

(7) Protests and reports of violations forwarded to the district executive committee at the zone and district levels and the State Executive Committee at the area, regional and state levels.

(c) Directors are encouraged to take advantage of the opportunity for professional growth through affiliations with professional associations and publications.
