LUBBOCK-COOPER ISD  
PERFORMING ARTS CENTER  
LIGHTING AREA "CHEAT SHEET"

Attached are the stage dimensions for the Lubbock-Cooper Performing Arts Center stage as well as lighting areas.

We have a M32 Midas Digital Sound board and an ETC Ion lighting console. Each school will receive their own show file.

\*Note : our front of house instruments run a little "hot". A 75% may need to be adjusted to 50%.

\*There's a slight delay in our catwalk, FOH instruments. A flicker every now and then during a slow fade and a lag when there's a "0 time" light cue.
