### **STAGE/FACILITY**

Barbers Hill ISD facility guidelines prohibit the use of particulates such as powder, flour, glitter small confetti, etc. in district facilities. This includes their use as effects, on costumes, props and/or set pieces.

Intercommunication stations are located SR, SL and two in the booth.

In this packet is a diagram showing all drapery locations, stage dimensions and the light plot.

### **UNIT SET**

The complete unit set will be available for use, including one door, one window and a set of French doors. Contact the contest manager should you need additional doors or windows. Everyone must use the basic set that is provided, including the in-house, intercommunications system. An 8' stepladder is provided, along with stage weights, if needed.

### **SOUND**

Each company is welcome to use the house sound system, but may bring their own to operate from backstage, if so desired. Barbers Hill has a Soundcraft board with CD playback capabilities or you can run your sound from a computer or iPad. Barbers Hill will provide the needed aux cable to run sound from your computer/Ipad to the board.

### **LIGHTS**

Barbers Hill High School has an ETC ION light board.

Each area will be controlled by a single channel on the board. There will be blue and red washes. The cyc is lit with LED instruments, therefore any color can be achieved. Companies will have the option of recording their light cues during their one-hour scheduled rehearsal or can submit their cues by the deadline found below. A Light Cue Sheet has been provided in this packet. Make as many copies of this sheet as needed. **Email** your cues to Chris Irwin at [cirwin@bhisd.net](mailto:cirwin@bhisd.net). You may reach him at 281-576-2221, x2696 or 832-549-0135. **The Light Cue Sheets are for individual cues, NOT looks. Although it may be a task for directors to fill out cue sheets for every cue, it saves the sanity of the tech director.**

**District 21: Friday, March 8 – 3:00 pm**  
**District 22: Monday, March 25 – 3:00 pm**

It is highly recommended that you bring a flash drive for the storage of your cues as a back-up measure.
