UIL Changes and Amendments

- **Coaches Certification Program (CCP)** - The CCP consists of both UIL and state law requirements and requires a coach to complete the prescribed components on a yearly basis, prior to their sport season. Completion of the CCP will recognize coaches as UIL certified coaches. All coaches shall annually complete the UIL Coaches Certification Program prescribed by the UIL prior to their sport season or prior to the first day of school if their sport is not in season. A coach who is hired less than one week prior to the start of the sport season or after the first day of school (whichever is earlier) must complete the CCP within thirty (30) days of being hired.
- **Physicals** – For the 2020-21 school year only, any participant in athletics or marching band, in any grade level, who has not previously completed a preparticipation physical examination (PPE), and been cleared for participation, will be required to complete the medical history form as noted below, as well as a PPE prior to participation in any UIL practices, games, performances, or matches.
- **Practice Regulations** – Sessions for strength & conditioning instruction may be conducted by school coaches for students in grades 7-12 from that coaches attendance zone starting the first day of school. These TEA guidelines *require* schools to include UIL activities as part of this plan and carefully plan for mitigating risk of spread as students participate in them.
