- Team Information Form (list of players, coaches, etc.; and list of all games played) – fill out online on the UIL website - <http://www.uiltexas.org/football/forms>
- Team Picture – 1MB, color, email to pictures@uiltexas.org
- Picture of Head Coach (head and shoulder shot) – 1 MB, email to pictures@uiltexas.org
- School's Mascot (camera ready art work if possible, if not a copy of the mascot from your letterhead, etc.) – 1MB email to pictures@uiltexas.org

Failure to submit this information could result in a range of penalties as described in Section 27 (b) of the UIL Constitution and Contest Rules or your team not appearing in the State Tournament program.

Incident Weather: If weather conditions make it impossible to determine a winner before certification, **UIL must be contacted for an extension**. The next round opponent(s) or regional site must also be contacted to inform them that the deadline has been extended.

Extreme scheduling difficulties could result in a coin flip, which would determine the representatives to the next round.

POSTSEASON GAME INFORMATION

Site Selection: All potential neutral and home sites (town and stadium) should be designated prior to any coin toss. For the first round of the playoffs only in classifications 5A and 6A, the higher district finish will determine whether the game is played on the top seed's home field or mutually agree to play the game at a neutral site.

Constitution and Contest Rules:

Section 1250: FOOTBALL PLAN

(i) SITE AND DAY OF GAME

(3) Playoff Games. Excluding state championship games, unless mutually agreeable otherwise, the place for playing a playoff game shall be determined on a "home and home" basis for the past two football seasons. The team that was the visiting team the last time the two teams met on a home field in a post-district playoff game may require the game be played at its home field. In case of disagreement between two teams who have not played a post-district playoff game during the past two football seasons, the game site shall be decided by a coin toss. A school cannot be required to flip for a playoff site that is not large enough to accommodate the fans from both schools. Exception: In 5A and 6A, for the first round of the playoffs only, the opponent with the higher district finish will determine whether the game is played on its home field or mutually agree to play the game at a neutral site. If the opponents have the same district finish, the two teams will flip a coin or agree on a neutral site.

Constitution and Contest Rules: Section 1208: ATHLETIC REGULATIONS

(p) SITES DEFINED FOR ALL TEAM SPORTS.

- (1) *Home Sites.* When two schools flip for two separate sites other than their home field or court, the sites are considered home sites unless both sites are near mid-point.
- (2) *Neutral Sites.* A site mid-point or near mid-point, or a site agreed on by both schools as neutral, is a neutral site. Unless mutually agreeable, a site cannot be neutral if its distance from either school is more than two-thirds the total distance between the two schools.

Example:

San Antonio and Dallas have not met in the playoffs for the past 2 years:

Step 1: Designate potential sites. San Antonio: Belton-neutral; Alamo Stadium-home. Dallas: Temple-neutral; Cotton Bowl-home.

Step 2: Flip for type of site (either neutral or home and home).
Heads for home and home.
Tails for neutral.
Comes up heads.

Step 3: Flip to see who wins home.
Dallas calls tails for home.
San Antonio calls heads for home.
Comes up tails.
Game is played at the Cotton Bowl as the Dallas home site.

NOTE: In the 1st round of the playoffs each district team must be represented by a 1st through 4th place finish from their district play. Home field advantage for 5A & 6A is determined by district finish.

- **Contracts:** All playoff arrangements between two schools should be made in writing and signed to protect both parties. Sample football game contracts for use of schools can be found on our website: http://www.uiltexas.org/files/athletics/forms/Football_Game_Contract.pdf

Gate Receipts

The following paragraph is taken from the Football Plan.

(j) SIXTEEN PERCENT POST-DISTRICT RECEIPTS. Sixteen percent of the gross receipts of post-district games shall be paid to the UIL. The radio broadcast receipts and the telecast receipts are considered a part of the game receipts in all post-district games.

The school that handles the receipts of the game, usually the "home team", submits a financial form to the UIL office. The updated football financial form can be found on the football forms page on our website: <http://www.uiltexas.org/football/forms>.

Post Season Halftime Structure:

- Playoff games – Halftimes shall be 24 minutes for post-season games. The intermission between halves for post-season games may be 28 minutes if mutually agreed upon by both schools.
- State Championship Games - Halftimes shall be 24 minutes.

Championship Structure (advancement structure):

- **Playoff Qualifiers:** District representatives are bracketed for weekly playoffs leading to a state championship beginning the first weekend after the designated date for determining district champions. See the UIL website (www.uiltexas.org) for the brackets to determine the elimination schedule for each conference.

In Conference 1A-six man football, both Division I and Division II advance two teams from each district to the playoffs, with each division playing to a state championship.

In Conferences 2A, 3A, 4A, and 5A both Division I and II advance four teams from each district to the playoffs, with each division playing to a state championship.

In the Conference 6A playoff structure, the top four teams from each district advance to the playoffs. The two advancing schools with the largest enrollments, as submitted in October 2017, in grades 9-12 are bracketed into Division I and the other two schools are bracketed into Division II, with both divisions playing to a state championship.

Enrollment figures utilized for determining division I and division II status for 6A can be found on the UIL website at <http://www.uiltexas.org/alignments>

- **Playing dates:** Playoff games past the district level may not be scheduled earlier than the first Thursday after the certification date for district champions. Other playoff games may be played on Thursday, Friday or Saturday as bracketed. Section 1250(e)(4) of the Constitution and Contest Rules states: *Minimum Time Between Playoff Games*. No team or student in any conference shall be permitted to take part in more than one playoff game within six calendar days, unless mutually agreeable to play within five calendar days.
- **Ties:** If two or more schools are tied for district representation at the end of the regular season, the district executive committee must devise a policy to select the schools to represent the district in post-district play. For tie games in the playoffs, Section 1250 (h) of the Football Plan in the *Constitution and Contest Rules* applies in all conferences.
 - (h) TIED GAMES.
 - (1) *Non-District Varsity, District Varsity and Post-District Games.* The NCAA overtime system shall be used in all non-district varsity games, district varsity games and post-district games tied at the end of regulation play. (See manual.)
 - (2) *Other Games.* The NCAA overtime system shall not be used in any sub-varsity games or junior high games.

Officials - Dressing facilities should be available for officials at least 1 1/2 hours prior to the game. Officials should be at the site of the game at least one hour before kickoff. Timers, statisticians and the "chain crew" should meet with the officials at least 30 minutes prior to the game. A police escort should meet the officials at the half and after the game at a designated place. They should accompany the officials to the dressing room.

- **Requesting Officials:** The League office may assign officials if the two schools cannot reach mutual agreement. This can be done on the UIL website: <https://www.uiltexas.org/form/officials-request/football.php>
