UIL Playoff Reporting: Brackets.

Use MaxPreps.com to submit results and update next round bracket information. Beginning with results of the Bi-District round, coaches are required to submit playoff results immediately following their contest. The winning school should submit playoff game results and next round information via MaxPreps through the assigned coach/admin account. The score reported by a coach on a team's page will automatically fill in the bracket. The completeness of the data presented on the UIL brackets will be dependent upon the participation of schools and coaches. POSTSEASON GAME INFORMATION

Post-season Warmup Games.

- Teams can schedule a warm-up game after district certification and before their first playoff game if they have not reached their allowable season limit. This game can be scheduled like any other regular season game. Teams that have exhausted their allowable season game limit are given a UIL one game exception under the following conditions:
 - Teams that are District Champions and have a first-round bye.
 - The one-game exception can be played only at the end of your school day on Friday or last day of instruction with no loss of school time or anytime on Saturday.

Championship Structure. The top 4 teams in Conferences 4A-6A will advance from district to the postseason.

Playoff Game Details. All game details for playoff games (Bi-district, area & regional quarterfinal rounds) must be mutually agreed upon by the two competing schools. If mutual agreement does not exist on any details, a coinflip will determine that detail. ***Once game details are decided on by the two competing schools that information needs to be added to MaxPreps so game details will appear on the bracket.***

If you have interruptions in your post season games due to COVID-19, please contact Joseph Garmon at 361-244-0497 your Soccer Director.

Site Selection. The teams involved should select sites for all rounds of playoffs except the regional and state sites. See Section 1208 (o and p) of the UIL Constitution and Contest Rules. If schools cannot agree, they must flip a coin.

- **Home Sites.** When two schools flip for two separate sites other than their home field or court, the sites are considered home sites unless both sites are near mid-point.
- **Neutral Sites.** A site mid-point or near mid-point, or a site agreed on by both schools as neutral, is a neutral site. Unless mutually agreeable, a site cannot be neutral if its distance from either school is more than two-thirds the total distance between the two schools.
- **Mid-Point Sites.** Unless mutually agreed otherwise, post district contests in the team sports of baseball, Soccer, soccer, softball, team tennis and volleyball shall be at a mid-point site for schools located more than 100 miles apart.

Officials. Officials for bi-district, area, regional quarterfinal games will be determined by the two competing schools. If officials cannot be agreed upon by both teams, the team on the top of the bracket will need to include a list of chapters that they prefer to NOT call the game (scratch list) this is representative of BOTH teams, and the UIL will make the assignment.

Sport Specific Information.

- **Length of Game:** National Federation rules state that two forty-minute halves constitute a game. In post-season play, if a game ends in a tie after regulation time, there shall be two ten-minute overtime periods. If a tie still exists there shall be a shoot-out.
- **Suspended Game:** In games beyond the district level, a game begun then suspended, shall continue from the point of suspension as soon as a playable field is available. Playoff certification deadlines may not be extended without the permission of the UIL athletic director or soccer director.
