Playoff Broadcast Information - please remember that all video broadcasts of a postseason contest require approval from the UIL. The attached infographic outlines the options schools and media outlets have in regards to broadcasting playoff games as well as the process to be approved. All approved broadcasts will be shared each playoff round to each sport specific media page [on the UIL website](#). Any questions should be directed to pr@uiltexas.org. Full guidelines, resources and forms can be found at the UIL website: <https://www.uiltexas.org/media/broadcast-information>

UIL Playoff Reporting: Brackets.

Use MaxPreps.com to submit results and update next round bracket information. Beginning with results of the Bi-District round, coaches are required to submit playoff results immediately following their contest. The winning school should submit playoff game results and next round information via MaxPreps through the assigned coach/admin account. The score reported by a coach on a team's page will automatically fill in the bracket. The completeness of the data presented on the UIL brackets will be dependent upon the participation of schools and coaches. POSTSEASON GAME INFORMATION

Post-season Warmup Games.

- Teams can schedule a warm-up game after district certification and before their first playoff game if they have not reached their allowable season limit. This game can be scheduled like any other regular season game. Teams that have exhausted their allowable season game limit are given a UIL one game exception under the following conditions:
 - Teams that are District Champions and have a first-round bye.
 - The one-game exception can be played only at the end of your school day on Friday or last day of instruction with no loss of school time or anytime on Saturday.

Championship Structure. The top 4 teams in Conferences 1A-6A will advance from district to the playoffs.

Playoff Game Details. All game details for playoff games (Bi-district, area & regional quarterfinal rounds) must be mutually agreed upon by the two competing schools. If mutual agreement does not exist on any detail, a coinflip will determine that detail. *Once game details are decided on by the two competing schools that information needs to be added to MaxPreps so game details will appear on the bracket.*

Site Selection. The teams involved should select sites for all rounds of playoffs except the regional and state sites. See Section 1208 (o and p) of the UIL Constitution and Contest Rules. If schools cannot agree, they must flip a coin.

- **Home Sites.** When two schools flip for two separate sites other than their home field or court, the sites are considered home sites unless both sites are near mid-point.
- **Neutral Sites.** A site mid-point or near mid-point, or a site agreed on by both schools as neutral, is a neutral site. Unless mutually agreeable, a site cannot be neutral if its distance from either school is more than two-thirds the total distance between the two schools.
- **Mid-Point Sites.** Unless mutually agreed otherwise, post district contests in the team sports of baseball, basketball, soccer, softball, team tennis and volleyball shall be at a mid-point site for schools located more than 100 miles apart.

Officials. Officials for bi-district, area, regional quarterfinal games will be determined by the two competing schools. If officials cannot be agreed upon by both teams, the team on the top of the bracket will need to include a list of chapters that they prefer to NOT call the game (scratch list) this is representative of BOTH teams, and the UIL will make the assignment.

Gate Receipts.

The following paragraph is taken from the Basketball Plan.

(d) POST-DISTRICT RECEIPTS. Sixteen percent of the gate receipts, after fees for referees, scorer and timer are deducted, shall be paid to the UIL for all post-district games except games played at the state tournaments. The UIL office retains an annually determined percentage of gate receipts from the state basketball tournament.

The school that handles the receipts of the game, usually the "home team", submits a financial form to the UIL office. The updated basketball financial form can be found on the basketball forms page on our website: <http://www.uiltexas.org/basketball/page/bbfinancialform>

Program Information for State Tournament.

Teams advancing to the regional tournament must submit following materials to the UIL office by Wednesday, February 22 (Girls) and Wednesday, March 1 (Boys). Please include your school name in the subject of your email. This is an important step in providing you with the best possible program. Your assistance in this effort is appreciated.
