ENTRIES: Qualifiers: The top six (6) individuals and relays qualify from each District to the Regional meet.
Email your UIL official entry blanks or the Hy-Tek Meet Entry Report to FBISD.MeetEntries@gmail.com.
IF SENDING A Hy-Tek FILE, MAKE SURE IT IS THE pdf ENTRY REPORT; SORTED BY "MEET EVENT NUMBER," AND NOT A HY-TEK ZIPPED ENTRY FILE. Your times automatically advance from the finals of the District meet. No changes are allowed. Please include your name, school address, work and cell phone number, e-mail, and the best time to get hold of you.
Be sure to include your team name on the subject line of the email.
Email the pdf Meet Entries report (sort by event number) to FBISD.MeetEntries@gmail.com by **4:00 pm Monday, January 30, 2023**. If you have a swimmer that qualified in the top 6 at your District Championships, but is not competing in that individual event, make a note in the email body. This saves me from trying to find you to confirm that a swimmer is not in an event he qualified for and speeds up the process of getting the alternates, and the psych sheet into your hands.
The Meet Director shall, upon receiving each e-mail, notify the appropriate party of the receipt and any problems noted with the files within 24 hours. If no reply within the specified time, please contact the Regional Meet Director immediately.

The entry deadline is 4:00 PM, Monday, January 30th.

District meet directors shall **e-mail** the Hy-tek backup file to the Region Meet Director upon the conclusion of their respective District Championship.

Email meet backup to: FBISD.MeetEntries@gmail.com

District Meet Directors: Please Email District Results to the TISCA website at the conclusion of your District Meets. Remember to include the TISCA awards winners!

DIVING ENTRIES: Divers must be indicated as participating in 1M Diving on the entry sheet submitted with the swimmers.

Sheets: Diving entries should be submitted electronically. Access www.cleantentries.com to register you, your team and the divers. The meet will be available as "2023 UIL Region V-5A". This is the process for the state meet, also. The same instructions are on the UIL state meet webpage: <https://www.uiltexas.org/swimming-diving/state>. All diving sheets must be signed by the diver and the coach before the start of the meet: National Federation Rule 9: Section 3: Article 4. Failure to have these signatures will disqualify the diver from the competition. Changes may be made up to one hour before competition begins.

Substitutes: Individual school coaches should inform their District meet directors of any scratches prior to the entry deadline. The District meet director will, in turn, inform the Region Meet Director of the scratch, and the name and qualifying time of the alternate for the event in question.

After the entry deadline, no changes of entries will be allowed unless the contestant is being scratched from the meet. If one of your swimmers qualifies in an event that you know he or she will not swim at Regional, please have the person completing your Region entries make the necessary changes prior to turning in the Region Entry Forms. Indicate in the email body, and/or on the cover sheet the changes that were made and write "scratch or SCR" in the event they had qualified in.

Changes/Adjustments: After the entry deadline has passed (4:00 pm, Monday, January 30th), the psych sheet will be emailed to your District Athletic Office as soon as it is prepared, and a copy e-mailed to the email address you provided.

Adjustments from scratches and alternate entries will be made as long as possible.
After the prelims begin, a scratch will result in an open lane.

After the prelims are completed, scratches and alternates will be accepted for one hour.
Once the finals have started, a scratch will result in the lane left open.

Please review Rule 3, Section 1, Article 1, and Section 2, Articles 1, 2, 3, and 5 of the NFHS Swimming and Diving Rules Book concerning meet entries and meet conduct for championship meets.
No changes will be made after the entry deadline.

EVENTS: The events and their order will follow that found in the current NFHS Swimming & Diving Rules Book, Rule 5, Section 1, and Article 1.

AWARDS: U.I.L medals will be given to the top three competitors in each event. In addition, a plaque will be presented to the winning relay in each of those events. TISCA will be providing ribbons for places 4-8. There will be a team award for the winning teams (male and female). Awards (first through eighth) will be presented at the conclusion of events 8, 14, 18, 22, and 24 during finals, starting with the Medley Relay and 200 Freestyle after the 50 Freestyle (Event 8). Diving awards will be presented at the diving event and recognized at the swimming meet. The presentation of awards is included in the timeline of the breaks.

SCORING: The top 16 shall advance from preliminaries: the fastest (8) to the finals and the next (8) to the Consolation finals in each event, scoring will be to sixteen places. The highest place a Consolation finalist may earn is 9th — even if they have a faster time than a top-8 finalist. The point values will be as follows:

Championship Finals

Place →	1st	2nd	3rd	4th	5th	6th	7th	8th
Individual	20	17	16	15	14	13	12	11
Relay	40	34	32	30	28	26	24	22

Consolation Finals

Place →	9th	10th	11th	12th	13th	14th	15th	16th
Individual	9	7	6	5	4	3	2	1
Relay	18	14	12	10	8	6	4	2

Tie breakers: If two or more divers have the same score at the end of the competition, the points will be split and a coin flip will determine the medal award. If there are ties in swim events, the points will be divided and the preliminary time will determine the place for advancing. If a tie still exists, a coin flip will decide the place. No additional medals will be provided for divers or swimmers.

- State Qualifiers:**
- (1) CHAMPIONSHIP STRUCTURE. (From the UIL Swimming and Diving Manual)
 - (2) Qualifiers to Regional. Top six individuals and relays shall qualify from district to regional.
 - (3) Qualifiers to State. The first place and second place in each of eight regional swimming meets and the next eight swimmers with the best regional final times overall will advance to the state meet.
 - (4) Diving. In diving, three divers will qualify at each of eight regional meets.

Relay entries to the UIL State Meet should be in the UIL office 10 days prior to the start of the meet. No entry sheets need to be sent to the UIL for the state meet, only indicate your relays online. If you are scratching a swimmer or relay after you have left the Region Meet site, contact the Region Meet Director and the UIL with that information. It is your responsibility to get any information to the UIL office they request. Check their website for your responsibilities.

Meet Committee: The Meet Committee will consist of the Meet Director, meet referee, one official, two coaches in attendance (one male, one female) and two students-at-large (one male, one female) chosen after the District meets. Voting members include the coaches, students-at-large, and the official.

Weather Contingency Plan: In the unlikely event that a session(s) needs to be cancelled, the corresponding events and times will be moved to that Saturday/Monday and/or the first available day after then. If there is an issue with the Don Cook Natatorium, the event may be moved to the FBISD Aquatic Practice Facility.
