What form do you need to complete?

AED Use Reporting Form

Catastrophic Injury Reporting Form

You currently have access to these forms. Clicking the name of the form will allow you to fill it out and submit it to the UIL for review. As soon as a form is submitted, you will be able to review it on the Form Home Page.

Fill out all of the fields and submit.

Depending on the answers to some questions additional details may be requested before form can be submitted. The system will guide you as you progress through the form questions.

As soon as the form is submitted the UIL will be notified, and the form will show up in the queue for your school.
