SLOW PLAY

The following conditions and policies shall govern regulation of the pace of play by the Rules Committee:

1. Each player is responsible for playing without undue delay. Use the honor system, but be ready when it is your turn to play please.
2. Each player is responsible for his/her group's maintaining proper position on the course in relation to the rest of the field. Each group should be approximately a starting interval behind the preceding group throughout the whole round. The position of the group following has no bearing in determining whether or not a player's pace of play is satisfactory. A group is deemed to be out of position if they fall a hole behind.
3. A group which is out of position for as many as three holes during one round, not necessarily in consecutive order, will be considered in violation of rule 6-7 (undue Delay). Players contributing to the delay will be automatically penalized.
4. Once a player is at his/her ball and it is his/her turn to play, if he walks ahead of the ball to check the position of the hole or to walk yardage, the player will be penalized for undue delay if he/she had previously been warned during the round for slow play.
5. Penalties may be assessed **without** a player having been given prior warning during the round by a Rules Official. It is the responsibility of each player to be aware of his/her position on the golf course.
6. If a group's pace of play warrants a penalty being assessed, only players who contributed to slow play will be penalized, not necessarily every member of the group.
7. Officials will use discretion concerning the pace of play of early groups. The first players will be expected to play at a reasonably fast pace. However, the groups immediately following may not be expected to maintain position behind an exceptionally fast group.

UIL GOLF DISQUALIFICATIONS

According to UIL rules, a player disqualified for an unsportsmanlike conduct violation COULD have all scores posted by the player not count toward the team score.

For example, a player disqualified for unsportsmanlike conduct during the first round will not be allowed to continue. First round scores of a player disqualified for unsportsmanlike conduct during the second round may or may not be cancelled. Thus, the first day or second day score may not be used for the team score.

Unsportsmanlike conduct is defined as profane, vulgar and/or abusive language audible to others; carelessly and/or deliberately throwing clubs; verbalizing with intent of intimidation; or exhibiting behavior not in accordance with the spirit of fair play. First consideration of penalty should be per USGA rules. If the golfer's action warrant, penalty may be disqualification for the round, and/or in the opinion of the tournament director the violation is flagrant, disqualification could be for the tournament.

Please note that in accordance with USGA Rules of Golf, a player that cannot complete the round because of illness or injury is not subject to disqualification for the remainder of the tournament if the tournament director or the rules committee is notified and the reason satisfactory.
