Qualifiers: The top six (6) individuals and relays qualify from each District to the Regional meet. [FAX \(281-327-5885\)](tel:281-327-5885) or [scan/email your UIL official entry blanks or the Hy-Tek Meet Entry Report](#). **IF SENDING A Hy-Tek FILE, MAKE SURE IT IS THE pdf ENTRY REPORT; SORTED BY "MEET EVENT NUMBER," AND NOT A HY-TEK ZIPPED ENTRY FILE.** Your times automatically advance from the finalsof the District meet. No changes are allowed. Please include your name, school address, work and home phone, FAX number, e-mail, and the best time to get hold of you.

Be sure to include your team name on the subject line of the email.

Email the pdf Meet Entries report (sort by event number) to fbisd.meetentries@gmail.com or katie.anselmo@fortbendisd.com, by **4:00 pm Monday, January 31st**. If you have a swimmer that qualified in the top 6 at your District Championships, but is not competing in that individual event, make a note in the email body. This saves me from trying to find you to confirm that a swimmer is not in an event he qualified for and speeds up the process of getting the alternates, and the psych sheet into your hands.

The Meet Director shall, upon receiving each e-mail, notify the appropriate party of the receipt and any problems noted with the files within 24 hours. If no reply within the specified time, please contact the Regional Meet Director immediately.

The entry deadline is 4:00 PM, Monday, January 31st.

District meet directors shall **e-mail** the Hy-tek backup file to the Region Meet Director upon the conclusion of their respective District Championship.

Email meet backup to: fbisd.meetentries@gmail.com

DIVING ENTRIES:

Divers must be indicated as participating in 1M Diving on the entry sheet submitted with the swimmers.

Sheets: Diving entries should be submitted electronically. Access www.cleanentries.com to register you, your team and the divers. The meet will be available as "UIL Region VI-5A". This is the process for the state meet, also. The same instructions are on the UIL state meet site http://www.uil-texas.org/files/athletics/state-swimmingdiving/2011_State_Diving_Entry_Instructions.pdf. All diving sheets must be signed by the diver and the coach before the start of the meet: National Federation Rule 9: Section 3: Article 4. SUBSTITUTES: Individual school coaches should inform their District meet directors of any scratches prior to the entry deadline. The District meet director will, in turn, inform the Region Meet Director of the scratch, and the name and qualifying time of the alternate for the event in question.

After the entry deadline, no changes of entries will be allowed unless the contestant is being scratched from the meet. If one of your swimmers qualifies in an event that you know he or she will not swim at Regional, please have the person completing your Region entries make the necessary changes prior to turning in the Region Entry Forms. Indicate in the email body, and/or on the cover sheet the changes that were made and write "scratch or SCR" in the event they had qualified in.

**CHANGES/
ADJUSTMENTS:** After the entry deadline has passed (4:00 pm, Monday, January 31st), the psych sheet will be emailed to your District Athletic Office as soon as it is prepared, and a copy e-mailed to the email address you provided.

Adjustments from scratches and alternate entries will be made as long as possible.
After the prelims begin, a scratch will result in an open lane.

After the prelims are completed, scratches and alternates will be accepted for one hour.
Once the finals have started, a scratch will result in the lane left open.

Please review Rule 3, Section 1, Article 1, and Section 2, Articles 1, 2, 3, and 5 of the NFHS Swimming and Diving Rules Book concerning meet entries and meet conduct for championship meets.

No changes will be made after the entry deadline.

EVENTS: The events and their order will follow that found in the NFHS Swimming & Diving 2017-18 Rules Book, Rule 5, Section 1, and Article 1.

AWARDS: U.I.L medals will be given to the top three competitors in each event. In addition, a plaque will be presented to the winning relay in each of those events. TISCA will be providing ribbons for places 4-8. There will be a team award for the winning teams (male and female).
