**PURPOSE** To acquaint junior high coaches and administrators with the policies, rules, procedures, and forms necessary for proper enforcement of regulations for junior high sports, and to insure a better opportunity for coaches to have first-hand information.

**Warnings About The Inherent Dangers of Athletic Participation** Student athletes and parents should be aware that any athletic participation will always have inherent dangers. Although rare, death or catastrophic injury can result from participation in sports, and care should be taken by all concerned to minimize such dangers through the use of appropriate equipment, proper training methods and common sense. The UIL encourages student athletes in all sports, and their parents, to discuss risks and risk minimizations with coaches and school administrators.

**NOTE** Questions concerning the UIL Junior High Plan and eligibility requirements found in the UIL Constitution and Contest Rules should be directed to the UIL office.
UIL Rule Changes

Excerpt from the UIL Constitution and Contest Rules

Section 1400: JUNIOR HIGH (SEVENTH AND EIGHTH GRADES)

(a) ELIGIBILITY REQUIREMENTS FOR SEVENTH AND EIGHTH GRADE PARTICIPANTS.

   (1) Student’s Eligibility. An individual may participate in UIL competition or contests as a representative of the participant school he/she attends if that student has been in attendance and has passed the number of courses required by state law and by rules of the State Board of Education, and is passing the number of courses required by state law and by rules of the State Board of Education.

   (2) Junior high students are not prohibited from competing at a grade level higher than the one in which they are enrolled. Refer to Subchapter M for high school eligibility standards.

   (3) To participate in athletic competition, a student who initially entered the seventh or eighth grade during the current school year and has a special needs condition which delayed his or her education by at least one year, and students who are overage due to limited English proficiency, and who have substantiation from a language proficiency assessment committee, may petition the UIL to participate at grade level. The following must be submitted to the UIL for eligibility determination (not required for non-athletic competition).

      (A) A special education student must provide documentation of a special education status and documentation that a disability delayed his or her education by at least one year.

      (B) A student with a history of a disability must provide documentation from a 504 committee or an ARD committee proving the existence and length of time of the disability that caused the delay of at least one year in his or her education.

      (C) A student with limited English proficiency must provide documentation of the recommendation of the LPAC.

      (D) Students must provide documentation of date of birth and a copy of a current physical, including height and weight.

      (E) The district executive committee may appeal the decision of the UIL to the State Executive Committee.

(b) ELIGIBILITY REQUIREMENTS FOR ELEMENTARY SCHOOL PARTICIPANTS. An individual may participate in UIL competition or contests as a representative of the participant school he/she attends if that student:

   (1) Has been in attendance and has passed the number of courses required by state law and by rules of the State Board of Education and is passing the courses required by state law and by rules of the State Board of Education.

   (2) Is a sixth grade student who will be too old to participate the following year as a seventh grader and who has a special needs condition which delayed his or her education by at least one year. (Applies to athletic competition only – Refer to Section 446).

   (3) No Interscholastic Athletic Competition Below Seventh Grade. No interscholastic athletic competition is allowed in any conference for teams in the sixth grade and below. This does not apply to annual inter-school elementary field days. This rule would not prohibit a school district from being involved in the facilitation of an enrichment/intervention program which may or may not include athletic activities involving students from their own schools. Exception: Certain athletic exceptions allow sixth grade students to participate. Refer to (2) above and Section 1478.

(c) RULES JURISDICTION. All public schools that participate in seventh and eighth grade UIL activities must abide by public school laws, TEA regulations and UIL regulations. Refer to Section 11.

(d) SCHEDULING.

   (1) District Academic Contests. Schools may use no more than one school day or two half-school days per school year to hold the district academic contests.

   (2) District Music Contests. Schools may use no more than one school day per school year to hold the concert and sightreading contests. Students in seventh and eighth grade may participate in composite groups prior to the end of the academic school day. Refer to Section 1102 for definition of composite groups.

   (3) Other Competitions. No other game, contest or tournament shall begin prior to the end of the academic school day.

(e) SUNDAY PARTICIPATION. No UIL, participant school shall sponsor individuals or teams in any contest or school competition on a Sunday in a UIL contest or a contest similar to one offered by the UIL. Schools shall not conduct practices or teach any plays, formations or skills on Sunday.

(f) NON-TRADITIONAL SCHOOL YEAR. (Refer to Section 383).

(g) LIMITATION OF AWARDS.

   (1) Awards To Individuals. A participant school may not give and a student may not accept awards for participation in interschool competition in excess of $10 per year (total for all UIL school activities). Certificates awarded by the school,
school district or district executive committee to recognize participating students do not count against the $10 limit. A student may accept a symbolic award in recognition of his/her achievement in an interschool contest if it is given by the organization conducting the contest (e.g., all-tournament awards, ribbons, plaques and medals).

(2) Awards To Schools. A district championship trophy or award may be awarded by the district executive committee.

(h) AMATEUR RULE. There is no amateur rule for junior high school students competing in junior high competitions. Section 441, Amateur Athletic Status, does not apply to students until the first class day of their ninth grade year.

(i) MEMBERSHIP.
   (1) School District. Junior high/middle schools receive membership in the UIL through the paid memberships of their parent high schools.
   (2) K-8 Independent School Districts. For school systems with no high schools, refer to the membership fee structure in Sections 10 through 14.
   (3) Superintendent’s Responsibility. The superintendent shall have final responsibility for membership. When a school board elects to pay membership fees to join the UIL, it agrees to accept and observe the terms of participation in the contests as set forth in the Constitution and Contest Rules. This is a voluntary organization. All conditions surrounding participation are freely accepted and both the letter and spirit of the rules are to be observed. Thus, when disputes arise, they shall be settled by the committees in the prescribed manner.

(j) DISTRICTS.
   (1) No District Assignments. Junior high schools will not be assigned to junior high districts or conferences by the UIL office. Schools may follow the high school academic and/or athletic district assignments or form their own district. Students will represent their campus in the junior high academic and athletic district meets.
   (2) Required Assignments. The UIL office reserves the right to assign contestants or teams to districts.
   (3) Composite or Combined Teams. Students will represent their campus. Combined or composite teams are not allowed in UIL district academic or athletic competitions.

(k) PROTESTS.
   (1) Persons Responsible. In junior high schools that do not form a district, the district executive committee of the high school which the students will attend shall decide protests for the junior high school that has been protested. In junior highs that do form districts, the junior high school administrators from their schools shall consider all protests and eligibility of the students. In disputes between junior high schools from different junior high districts, neutral representatives from the executive committees of both districts will settle the dispute.
   (2) Time For Protest. The superintendent or a designated administrator must file the protest in writing with the district executive committee. The protest must be filed within a reasonable time, but not exceeding four days after the contest, unless it involves eligibility or a rule imposing mandatory penalties.
   (3) Appropriate Committees. All disputes among participant schools shall be settled by the appropriate executive committee.
   (4) Jurisdiction Within District. The district executive committee shall have jurisdiction over all eligibility cases, disputes and protests within the district. The representative of a protesting school or the school protested is disqualified from the adjudication of the dispute.
   (5) Jurisdiction Outside Of District. All disputes and protests arising between schools belonging to different districts shall be resolved through a meeting with equal representation from each district including the two teams involved. The disputing school and the school charged with violation shall not be allowed to vote.

(l) VIOLATIONS AND PENALTIES.
   (1) Penalties. Penalties are applicable to the appropriate violator as stated in Sections 27 and 29.
   (2) May Not Play Suspended Schools. No school in the UIL shall engage in any contest, game or scrimmage with a suspended school, and any school violating this rule may be suspended. This prohibition applies only to the contest in which the school is suspended.
   (3) Minimum Penalty. Forfeiture of the contest is the minimum penalty for using an ineligible contestant.
   (4) Receiving High School. The receiving high school will be notified of any violations. The associated high school may be suspended by the State Executive Committee in the activity in which the junior high violates rules if the junior high does not abide by the ruling of the district executive committee.

(m) INDIVIDUAL PLANS. Specific requirements and regulations may be found in the individual contest plans.
   (1) Academic. Sections 1410-1474.
   (2) Athletics. Section 1478.
Section 1478: SEVENTH AND EIGHTH GRADE ATHLETIC PLAN

(a) PURPOSES. The UIL is vitally interested in the welfare and development of every youngster. A properly administered athletic program can enhance their overall education. Junior high programs need to take into consideration the substantial range in individual differences among seventh and eighth grade students, i.e., age, body build, interests, ability, experience, health, and stages of physiological, emotional and social maturity. Exploring a wide range of activities rather than specializing in one area, and what is best for the greatest number of participants involved should be emphasized. Each local district has final responsibility for enforcement of all objectives, guidelines and codes in the junior high program of competition. The purposes of the junior high athletic program of the UIL include the following.

1. To conduct the athletic program so that educational objectives are achieved, highest details of sportsmanship are upheld, and no single phase of the athletic program is promoted at the expense of other programs.

2. To provide broad and varied athletic programs with an opportunity for equitable competition for all students. A desirable program involves participation in intramural competition at several ability levels and interschool competition for the more advanced students.

3. To equalize competition and administer the programs so that mismatching of teams or individuals is not permitted. Individual schools shall have the final responsibility of enforcing this concept.

4. To integrate the athletic program with all other activities essential to junior high school youth, avoiding an excessive activity load for any student.

5. To require that participants are properly examined, approved, equipped, classified, instructed and supervised.

6. To administer the program so that there will be a minimum loss of school time, proper but minimal publicity, competent officiating, limited awards, and the program kept in its proper perspective.

7. To provide qualified faculty leadership who understand this adolescent age group, the objective of this modified sports program, and the emphasis on safety and welfare of the student.

8. To foster proper respect for authority and avoidance of all evidences of undesirable athletic mannerisms.

9. To compete within the spirit of the rules, giving every opponent due credit and respect, and making every effort to be gracious in victory or loss.

(b) ELIGIBILITY REQUIREMENTS FOR SEVENTH AND EIGHTH GRADE PARTICIPANTS. An individual may participate in UIL athletic competition or contests as a representative of a participant school if he/she:

1. has met the requirements of Section 1400 (a) regarding general eligibility;

2. for seventh grade athletic competition, has not reached his/her 14th birthday on or before September 1, and has not enrolled in the ninth grade;

3. for eighth grade athletic competition, has not reached his/her 15th birthday on or before September 1, and has not enrolled in the ninth grade; and

4. a student who initially entered the seventh or eighth grade the current school year and is too old for seventh or eighth grade participation may participate according to age, that is, seventh graders on the eighth grade, ninth grade, high school junior varsity or high school varsity team, and eighth graders on the ninth grade, high school junior varsity or high school varsity team.

(A) Four Consecutive Years. A student has only four consecutive calendar years to complete high school varsity eligibility. Exception: Refer to Section 463.

(B) Athletic Class. Overage junior high school students who have reached their 15th birthday on or before September 1 of that school year may be assigned to high school athletic periods if they are participating with the high school sub-varsity or varsity. Otherwise seventh and eighth grade students remain in their junior high school athletic class throughout the school year.

(C) Full Participation Allowed. Only seventh and eighth grade students who are too old to represent the eighth grade team may participate on the high school’s athletic team. Overage junior high school students who participate with a high school ninth grade, sub-varsity or varsity team, may participate fully under the rules for high school athletes in that sport, including, but not limited to, rules governing number of games, post-season games, etc.

5. Is a full-time student in grade seven or eight at the school he/she represents. Exception: Seventh and eighth grade students from public K-8 ISDs that do not field a team, may participate on the seventh and eighth grade baseball,
basketball, football, soccer, softball and/or volleyball teams at the junior high school in the attendance area where they reside or which is a part of the designated receiving school district. (Parochial, private, and home schooled students are not eligible.)

(6) Has been in attendance and has passed the number of courses required by state law and by rules of the State Board of Education, and is passing the number of courses required by state law and by rules of the State Board of Education.

(7) Has not repeated the seventh or eighth grade for athletic purposes. A student who repeats the seventh or eighth grade for athletic purposes shall be eligible for only two consecutive years in seventh and eighth grade athletic competition after the first enrollment in the seventh grade. A student held back one year in the seventh or eighth grade for athletic purposes shall lose the fourth year of eligibility after entering the ninth grade. A student held back for two years for athletic purposes shall lose the third and fourth years of eligibility after entering the ninth grade.

(8) Has not changed schools for athletic purposes.

Note for (7) and (8): Eligibility is lost for one to three years for seventh grade “A” team, eighth grade “A” team or combined seventh and eighth grade “A” team. An “A” team is the same as a high school varsity team.

c) SIXTH GRADE PARTICIPATION.

(1) No Interscholastic Athletic Competition Below Seventh Grade. With only the exceptions noted below, no interscholastic athletic practice or competition is allowed in any conference for teams in the sixth grade and below. Sixth grade students may not practice with or against junior high students. This does not apply to annual inter-school elementary field days, assuming there is no awarding of place ribbons or determination of team champions.

(2) Student’s Eligibility. A sixth grader may participate in UIL competition or contests as a representative of a participant school only if he/she:

(A) is a student with a disability which delayed his or her education by at least a year and therefore will be too old to participate the following year as a seventh grader;

(B) has met the requirements of Section 1400 (a) regarding general eligibility;

(C) Is a full-time student in grade six at the school he/she represents;

(D) has been in attendance and has passed the number of courses required by state law and by rules of the State Board of Education, and is passing the number of courses required by state law and by rules of the State Board of Education; and

(E) has not changed schools for athletic purposes.

(3) Exceptions. A sixth grader may also participate in UIL competition or contests as a representative of a participant school under the following circumstances.

(A) In Conference 1A and 2A schools or in small junior high schools whose enrollment corresponds to Conference 1A and 2A enrollment, sixth graders may be used when their participation is vital to field one combined seventh and eighth grade baseball, basketball, football, soccer, softball or volleyball team on the first day of the season. Sixth graders may not be used on either team when a school has more than one team playing. The first day of the season is defined as the first day of practice outside the school day or the day of the first competition, whichever occurs sooner. If fewer than the below listed number of seventh and eighth grade students report the first day of the season, then sixth graders shall be notified the next day that they may try out for the combined seventh and eighth grade team and may participate for the entire season. If the number of seventh and eighth graders reporting the first day of the season meets or exceeds the number listed below, then sixth graders shall not be used anytime during the entire season.

- Baseball - 18
- Basketball - 10
- Football: 6-man - 12
- Football: 11-man - 22
- Soccer - 22
- Softball - 18
- Volleyball - 12

If a coach intentionally prevents seventh or eighth graders from reporting at the beginning of the season (so as to permit sixth graders to participate) it will be considered a violation of the Athletic Codes and subject to penalty.

(B) Individual Sports. Sixth graders shall not represent a UIL seventh and eighth school in individual sports (cross country, golf, swimming, tennis, track and field and wrestling), except students with disabilities who meet the criteria of the provisions of Section 1478 (c) (2).

d) GENERAL REGULATIONS FOR ATHLETIC COMPETITION. Prior to all athletic games, meets, matches and practices the following shall be adhered to, if applicable.

(3) Non-Discrimination Policy In UIL Junior High School Contest Plans. Refer to Section 360 of the Constitution.

(4) Pre-Participation Physical Examination. Upon entering the first year in junior high athletics a physical examination signed by a physician, a physician assistant licensed by a state board of physician assistant examiners, a registered nurse recognized as an advanced practice nurse by the board of nurse examiners or a doctor of chiropractic is required. Standardized pre-participation physical examination forms, available from the UIL office and authorized by the UIL Medical Advisory Committee are required.

(5) Medical History Form. Each year prior to any practice or participation a UIL medical history form signed by both student and a parent or guardian is required. A medical history form shall accompany each physical examination and shall be signed by both student and a parent or guardian.

(6) Concussion Acknowledgement Form. According to Section 38.155 of the Texas Education Code, “a student may not participate in an interscholastic athletic activity for a school year until both the student and the student’s parent or guardian or another person with legal authority to make medical decisions for the student have signed a form for that school year that acknowledges receiving and reading written information that explains concussion prevention, symptoms, treatment, and oversight and that includes guidelines for safely resuming participation in an athletic activity following a concussion …..” This section also applies to students participating in the cheerleading program at the school.

(8) Sunday Participation. No UIL participant school shall sponsor individuals or teams in any contest or school competition on a Sunday in a UIL contest or a contest similar to one offered by the UIL. Schools shall not conduct practices or teach any plays, formations or skills on Sunday. Any showing of films to or meetings of athletes for the purpose of instruction or reviewing of plays, formations or skills in any sport will be construed as a violation. This does not prevent coaches from meeting on Sunday or from seeing films or planning an instructional program, provided that no student athletes are involved in the meeting.

(9) Holiday Restriction. A school shall not conduct contests or practices, use school facilities, personnel or equipment during five consecutive days of December. Any organized or required practice will be a violation of this regulation. Schools may choose any five consecutive days which include December 24, 25 and 26, with the following exceptions.

(A) When December 26 falls on a Thursday, schools may participate in a tournament game on December 26.
(B) When December 26 falls on a Thursday, schools shall still follow a five consecutive day restriction, including December 24 and 25.
(C) No practice shall be permitted on any of the five consecutive days.
(D) Travel is permitted on the 26th if a tournament game is scheduled on December 27; however, no practice shall be permitted on the 26th.
(E) Travel will not be permitted on December 25.
(F) A team that has a game on December 23 could travel home on December 24 and still be in compliance with this section.

(10) Officials.

(A) Responsible School. Home school is responsible for obtaining officials. Unless mutually decided otherwise UIL member schools shall use UIL registered officials for non-varsity games.

(B) Fee Schedule. The flat fee schedule and travel reimbursement, as approved by the Legislative Council, shall be posted on the UIL website. www.uiltexas.org/athletics/officials

(11) Tournament Regulations. Definition: at least three teams assembled on days other than Sunday for an elimination contest. Tournament games shall not begin prior to the end of the academic school day for all participants. Games do not have to be scheduled on consecutive days. Round robin tournaments limited to four teams and pool play tournaments limited to 16 teams shall be permitted. Refer to team sports plans for further regulations.

(12) Recommended Standards. It is recommended that seventh and eighth grade activities be held on a Saturday or on a non-school night, or end competition to allow students to be back at home no later than 10 p.m. on a school night. It is highly recommended that no contest be scheduled on a night prior to a semester or a six-weeks exam.

(13) Physical Education/Athletic Periods. No student shall be enrolled in more than one physical education or athletics class per school day. Schools may use a seventh, eighth or zero period concept for athletics, provided no student enrolled in the class is enrolled in any other physical education/athletics class. This period shall not exceed 60 minutes per day (or 300 minutes per week on a block schedule) and the allotted time includes time for dressing and re-dressing in street clothes. Refer to Section 1206 (d).

(e) ADDITIONAL REGULATIONS FOR TEAM SPORTS: BASEBALL, BASKETBALL, FOOTBALL, SOCCER, SOFTBALL AND VOLLEYBALL.
(1) Coaches Involvement with Non-school Teams. School coaches shall not coach or instruct students from their school district attendance zone, except their own adopted or birth children.

(2) Rule Modification. Any extension of a game in baseball, softball, basketball, football or soccer shall involve different players from those who participated in the earlier contest. Any extension means any additional time, i.e., another quarter played at the end of the regulation junior high contest.
