**WARNING ABOUT THE INHERENT DANGERS OF ATHLETIC COMPETITION**

Student athletes and parents should be aware that any athletic participation will always have inherent dangers. Although rare, death or catastrophic injury can result from participation in sports, and care should be taken by all concerned to minimize such dangers through the use of appropriate equipment, proper training methods and common sense.

**PURPOSE**

To acquaint team tennis coaches and administrators with the policies, rules, procedures, and forms necessary for proper enforcement of regulations for team tennis, and to insure a better opportunity for coaches to have first-hand information.

**LIMITATIONS**

This manual does not cover all rules. The Constitution and Contest Rules is the official UIL rulebook and covers information more detailed than does this manual. Coaches should confer with their principals and superintendents if there are questions concerning the rules.
October 24  District Certification Deadline – 4A, 5A, 6A
October 26-27  Bi District Deadline - 4A, 5A, 6A
October 29-31  Area Deadline – 4A, 5A, 6A
November 2-3  Regional Quarterfinals - 4A, 5A, 6A

**GENERAL**

- **Coaches Certification Program (CCP)** - The CCP consists of both UIL and state law requirements and requires a coach to complete the prescribed components on a yearly basis, prior to their sport season. Completion of the CCP will recognize coaches as UIL certified coaches. All coaches shall annually complete the UIL Coaches Certification Program prescribed by the UIL prior to their sport season or prior to the first day of school if their sport is not in season. A coach who is hired less than one week prior to the start of the sport season or after the first day of school (whichever is earlier) must complete the CCP within thirty (30) days of being hired.

- **Physicals** – For the 2020-21 school year only, any participant in athletics or marching band, in any grade level, who has not previously completed a preparticipation physical examination (PPE), and been cleared for participation, will be required to complete the medical history form as noted below, as well as a PPE prior to participation in any UIL practices, games, performances, or matches.

- **Practice Regulations** – Sessions for strength & conditioning instruction may be conducted for teams during their off-season by school coaches for students in grades 7-12 from that coaches attendance zone starting the first day of school. A strength and conditioning session shall be no more than one hour per day outside the school day, Monday through Friday, and a student shall attend no more than one session of supervised instruction per day.

- **Officials Fees** -

- **Eligibility (1st six weeks)** –
  - (a) Grades Nine and Below. Students must have been promoted from the previous grade. (Refer to Official Interpretation 01-09-18 Appendix I).

Exception for Rescheduled Matches. District varsity team tennis matches postponed by weather or public disaster (not including illness) shall be rescheduled on the next date, other than Sunday, on which another district match is not scheduled. In the event weather or public disaster forces the makeup match to be rescheduled, it shall be rescheduled on the next date as described earlier. These makeup matches may be played as exceptions to the school week and calendar week limitations. District varsity matches that are postponed by weather or public disaster, and not played on the next available date, shall be rescheduled and played on a date determined by the District Executive Committee.

(3) School Week Limitation. ~ PRE-SEASON REGULATIONS ~

All high school coaches must be full-time employees of the school district EXCEPTION: A retired teacher/administrator who has 20 or more years of experience may serve as an assistant coach in all athletics and as a head coach for golf, tennis, team tennis, cross country, track and field, and swimming. (This rule shall not affect the status of a coach on a leave of absence attending college.) Also, student teachers, while they are assigned to a participant school to fulfill their student teaching requirements, may volunteer to serve as an assistant coach in all athletics. Schools shall not pay student teachers for assisting athletic coaches.

**Coaches Certification Program (CCP)**

The CCP consists of both UIL and state law requirements and requires a coach to complete the prescribed components on a yearly basis. Completion of the CCP will recognize coaches as UIL certified coaches. All coaches shall annually complete the UIL Coaches Certification Program prescribed by the UIL prior to their sport season or prior to the first day of school if their sport is not in season. A coach who is hired less than one week prior to the start of the sport season or after the first day of school (whichever is earlier) must complete the CCP within thirty (30) days of being hired.

**Required CCP Modules:**

1. Constitution & Contest Rules

4. Safety Training (state law)
5. Concussion Training (state law)
6. Sport Specific Training – each sport has a sport specific CCP module

7. **Football coaches only – Best Practices in Tackling (Atavus)** certification that will be required for all first-year football coaches and for all football coaches once every two years. All football coaches that are first time coaches in Texas are required to have this certification completed by August of 2020.

9. **Cheerleading Coach/Sponsor only - Safety/Risk Minimization for Cheerleading Course**
   - Must have a current certification or annual training completed prior to contact with participants.
   - Districts shall determine the organization that will provide the certification or training. Resources are
available but not limited to those on the link from UIL website.

**Eligibility for Athletic Contests**

Eligibility rules are found in Section 400 and 403 of the Constitution and Contest Rules. Any question regarding a student’s eligibility, should be addressed to the school principal and/or superintendent. Residence requirements according to Sections 400 (d) 403, and 442 should be thoroughly investigated for any student new to school.

*Students are eligible to represent their school in varsity interscholastic activities if they:*

- are not 19 years of age or older on or before September 1 of the current scholastic year. (See 504 handicapped exception.)
- have not graduated from high school.
- are enrolled by the sixth-class day of the current school year or have been in attendance for fifteen calendar days immediately preceding a varsity contest.
- are full-time day students in a participant high school.
- initially enrolled in the ninth grade not more than four calendar years ago.
- are meeting academic standards required by state law.
- live with their parents inside the school district attendance zone their first year of attendance. (Parent residence applies to varsity athletic eligibility only.) When the parents do not reside inside the district attendance zone the student could be eligible if: the student has been in continuous attendance for at least one calendar year and has not enrolled at another school; no inducement is given to the student to attend the school (for example: students or their parents must pay their room and board when they do not live with a relative; students driving back into the district should pay their own transportation costs); and it is not a violation of local school or TEA policies for the student to continue attending the school. Students placed by the Texas Youth Commission are covered under Custodial Residence (see Section 442 of the Constitution and Contest Rules).
- have observed all provisions of the Awards Rule.
- have not been recruited. (Does not apply to college recruiting as permitted by rule.)
- have not violated any provision of the summer camp rule, Section 1209.
- have observed all provisions of the Athletic Amateur Rule, Section 441.

**Limitation on Awards.** Schools may give one major award, not to exceed $70.00 in value, to a student during high school enrollment at the same school for participation in one of the UIL interschool competitions listed in Section 480. One additional symbolic award, not to exceed $20.00 in value, may be presented for participation in each additional UIL activity listed in Section 480. The $20.00 award may be given to a student for an activity during the same year that the major award is given for that activity. Student-athletes shall be in compliance with the Athletic Amateur Rule from the first day of attendance in the ninth grade through their last day of UIL athletic competition in grade twelve. This includes during school and during non-school time and applies to all UIL competition and to non-school participation in the same sports sponsored by the UIL.. (For instance, a race of six miles or longer is not considered to be a cross-country meet, so the Amateur Rule is not applicable to students participating in this type of race.)

*Student-athletes in grades 9-12 shall not:*

- Accept any valuable consideration as an award for winning or placing in an athletic contest. Valuable
consideration is defined as anything wearable, usable or sellable, and includes such items as tee-shirts, hamburger coupons, free or reduced rate tennis racquets, etc.

- Accept valuable consideration for teaching or coaching any UIL sport, except beginning swimming or lifesaving lessons.
- Accept valuable consideration for allowing their name to be used for advertisement of a product, plan or service.
- Accept any special service or benefit offered only to athletes or members of an athletic team.

**Exception:**
- Students may accept reasonable fees that do not exceed prevailing rates for teaching or coaching activities provided they confine the work to teaching or coaching skills.
- Students may accept reasonable fees that do not exceed prevailing rates for officiating athletic contests
- The penalty for violation of the Amateur Rule is forfeiture of varsity eligibility in the involved sport for at least one year from the date of the violation. The Athletic Amateur Rule is sport specific, so that a violation in one sport would make the student ineligible only in that sport, not in all UIL athletic activities.

**Student Participation Required Forms**

It shall be the responsibility of each school to keep on file the following required annual forms for each student who participates in any practice, scrimmage, or game. Forms to be filed can be downloaded from the UIL website (www.uiltexas.org/athletics/forms/).

- **Pre-Participation Physical Examination Form.** Upon entering the first and third years of high school, a physical examination signed by a physician, a physician assistant licensed by a State Board of Physician Assistant Examiners, a registered nurse recognized as an advanced practice nurse by the Board of Nurse Examiners or a doctor of chiropractic is required. Standardized Pre-Participation Physical Examination Forms, available from the UIL office and authorized by the UIL Medical Advisory Committee, are required. For the 2020-21 school year only, any participant in athletics or marching band, in any grade level, who has not previously completed a preparticipation physical examination (PPE), and been cleared for participation, will be required to complete the medical history form as noted below, as well as a PPE prior to participation in any UIL practices, games, performances, or matches.

- **Medical History Form.** Each year prior to any practice or participation a UIL Medical History Form signed by both a student and a parent or guardian is required. A Medical History Form shall accompany each physical examination and shall be signed by both a student and a parent or guardian.

- **Parent or Guardian Permit.** Annual participation permit signed by the student’s parent or guardian.

- **Rules Acknowledgment Form.** Annual UIL Rules Acknowledgment Form signed by the student and the student’s parent or guardian.

- **Parent/Student Anabolic Steroid Use and Random Steroid Testing Form.** The parent/guardian of each high school athlete, along with each high school athlete, must annually sign the UIL Illegal Steroid Use and Random Steroid Testing Parent and Student Notification/Agreement Form.

- **Concussion Acknowledgement Form.** Annual UIL Concussion Acknowledgement Form signed by the student and the student’s parent or guardian.

- **Sudden Cardiac Arrest Awareness Form.** Annual UIL Sudden Cardiac Arrest Awareness Form signed by the student and the student’s parent or guardian.
It shall be the responsibility of each school to keep on file the following required forms. Forms to be filed can be downloaded from the UIL website (www.uiltexas.org/athletics/forms).

- **Eligibility Form.** Schools must submit comprehensive eligibility forms for football, basketball, volleyball, softball, baseball, and soccer. For all other athletic activities, a general alphabetical listing of eligible athletes is required. One copy shall be sent to the district executive committee chair and one copy shall be filed in the school’s office. Completed eligibility forms are to be signed by the superintendent or a designated administrator and the coach. These forms are to be postmarked before a contestant is allowed to participate in a varsity contest. Failure to furnish correct and complete information may, upon request by the proper committee, constitute grounds for suspension.

- **Previous Athletic Participation Form.** New students in grades 9-12 who represented their former school in a varsity or sub-varsity athletic contest or practice in grades 8-12 in any previous school year must have a Previous Athletic Participation Form completed prior to participation in a varsity contest at the new school.

- **Late Forms.** If an eligibility form or a Previous Athletic Participation Form was not filed prior to competition, and it was an inadvertent error and the student is actually eligible under Subchapter M of the Constitution, the district executive committee is not required to demand forfeiture or to rule the student ineligible. They may assess the minimum penalty of private reprimand to the school.

- **Foreign Exchange Students.** Subject to the other eligibility rules of the Constitution, foreign exchange students in approved CSIET foreign exchange programs are allowed to apply for exceptions to the residence rule through the UIL waiver process. A waiver could be granted in certain activities if they have not received advanced training or have not had extensive experience in the activity of their choice. Foreign exchange students are not eligible for varsity athletic participation unless they are granted a Foreign Exchange Student Waiver.

  **Varsity Athletic Eligibility for Over-Age Student.** Subject to the other eligibility rules of the UIL Constitution, an individual is eligible to participate in a League varsity athletic contest as a representative of a participant school if that individual is less than 19 years old on September 1 preceding the contest; or has been granted eligibility based on a handicapping condition which delayed his or her education by at least one year and the student is currently in special education and under the auspices of an ARD Committee or has been identified as a 504 student prior to the end of their second year in high school (effective for entering ninth graders in the current school year).

### Practice Regulations – Outside of The School Year

Practice regulations for sports that practice outside of the school year are as follows:

- Students-athletes shall not engage in more than three hours of practice activities on those days during which one practice is conducted.

- Student-athletes shall not engage in more than five hours of practice activities on those days during which more than one practice is conducted.

- On days when more than one practice is conducted, there shall be, at a minimum, TWO hours of rest/recovery time between the end of one practice and the beginning of the next practice.

- **Schools shall not schedule more than one practice on consecutive days, and student-athletes shall not participate in multiple practices on consecutive days. (Exception - Volleyball)**
When determining how to count times spent as "practice activities" please consult the following pre-season chart:

<table>
<thead>

*Does not count towards practice time, but cannot be done during the two-hour rest/recovery time.

In reference to the minimum Two-hour rest/recovery time between the end of one practice and the beginning of the next practice (on days when more than one practice is scheduled), there can be no practice activities at all during this time. This time is exclusively for students to rest/recover for the following practice session, whether that session is an actual on field/court practice or a mandatory conditioning period.

**Practice Regulations – When School Is In Session**

- **Eight Hour Rule** – Practice outside the school day, from the beginning of the school week through the end of the school week (excluding holidays), is limited to a maximum of eight hours per week, per activity.
- **Sessions for strength & conditioning instruction** may be conducted for teams during their off-season by school coaches for students in grades 7-12 from that coaches attendance zone starting the first day of school. A strength and conditioning session shall be no more than one hour per day outside the school day, Monday through Friday, and a student shall attend no more than one session of supervised instruction per day.
- The **In-School** athletic period and one-hour strength & conditioning does not count towards the allotted 8 hours.
- **Any time** used in connection with a practice that is not part of the athletic period counts as part of the 8 hours. (Dress, video/meetings, etc.)

**Contest Schedule Rules**

The following section combines State Law, State Board of Education regulations, and UIL rules. The Texas Education Agency defines participation as being involved with the activity, traveling with the team, or sitting on the bench. UIL defines participation of a student athlete as actually entering the contest as a player. Example: On a Tuesday night, the student’s name is on the scorebook but she remains on the bench and does not actually enter the game. This counts as participation for TEA but not UIL. In other words, that student cannot participate again until Friday after school because of TEA regulations, however that game does not count as one of the allowable games as determined by UIL policy.

**Constitution and Contest Rules: Section 5: Definitions.**

- **Calendar week** means 12:01 a.m. on Sunday through midnight on Saturday.
- **School week** means the week beginning at 12:01 a.m. on the first instructional day of a calendar week and ends at the close of instruction on the last instructional day of the calendar week, excluding holidays.

19 TAC 97.113 (K) (1).
• **One contest per school week**: School districts shall adopt policies limiting extracurricular activities from the beginning of the school week through the end of the school week (excluding holidays) by scheduling no more than one contest or performance per activity per student. * Exception: Tournaments and post-season competition, as well as district varsity contests postponed by weather or public disaster, may also be scheduled during the school week.

• **Eight-hour practice rule**: School districts shall adopt policies limiting extracurricular activities from the beginning of the school week through the end of the school week (excluding holidays) by limiting practice outside the school day to a maximum of eight hours per school week per activity.

**Participation.**

(b) **SUNDAY PROHIBITION.** A UIL member school shall not participate in any athletic contest or conduct any practice or teach any plays, formations or skills on Sunday.

(1) **Violation.** Any showing of films to or meetings of athletes for the purpose of instruction or reviewing of plays, formations or skills in any sport will be construed as a violation.

(2) **Coaches Sunday Meetings.** This does not prevent coaches from meeting on Sunday or from seeing films or planning an instructional program, provided no athletes are involved in this meeting.

(3) **Exceptions.**

   (A) **Golf.** If the regional and/or state golf tournaments are scheduled on a Monday, the one 18-hole practice round allowed at the regional and/or state tournament site may be played on the Sunday afternoon preceding the meet (no earlier than 12:00 noon) if permitted by the regional or state meet director.

   (B) **Tennis.** If the regional and/or state tennis tournaments are scheduled on a Monday, and if participants arrive at the site on the preceding Sunday because of travel distance, it will not be a violation of this rule if school district personnel accompany or transport participants to a tennis court for the purpose of practicing on their own, if permitted by the regional or state meet director.

   (C) **Cross Country.** If the regional and/or state cross country meets are scheduled on a Monday, and if participants arrive at the site on the preceding Sunday because of travel distance, it will not be a violation of this rule if school district personnel accompany or transport participants to the course site for the purpose of practicing on their own, if permitted by the regional or state director.

(c) **REGIONAL AND STATE TOURNAMENT COMPETITION ON SUNDAY.** Regional or state tournament directors may reschedule postponed or weather delayed tournaments on Sunday afternoon or evening with prior approval of the tournament director and the participating schools and with prior permission from the UIL Athletic Director.
Team Tennis Regulations

Number of Tennis Tournaments. (Team tennis plus individual tennis)

- No student or team representing a member school shall participate in more than eight tournaments (total for tennis and team tennis combined) during the school year, excluding one district tennis tournament, the regional tournaments and the state tournament. Note: The team tennis district tournament counts as one of the eight allowable tournaments if school time is lost.
- A school may, if permitted by the tournament director, play more than one team at the same varsity tournament. This would constitute one tournament for each tennis player.
- A tennis player could move from the junior varsity level to the varsity level, but a total of eight tournaments (either level - individual and team) would still be in effect for this player.
- Students may represent their schools in team tennis competition after the state team tennis tournament, if they have not already participated in the maximum number of allowed tournaments.
- In district play, the final tournament of the district meet in team tennis will be considered as a district tournament and will count as one of the eight allowable tournaments if there is a loss of school time. If a series of district tournaments is held with more than three schools and/or any loss of school time, those tournaments would have to be considered part of the eight tournaments.

Playing Rules. The United States Tennis Association playing rules shall be used in all League matches with exceptions as noted in this manual. Coaches should be aware of National Federation taunting rules as well.

Coaches are responsible for educating their students and parents about appropriate behavior.

TAUNTING PENALTY. The National Federation disapproves of any form of taunting which is intended or designed to embarrass, ridicule, or demean others under any circumstances including on the basis of race, religion, gender or national origin.

- A coach may make substitutions between team matches and/or during a team match before the individual match begins. In all instances of substitutions, the coach must use the following procedure.
- Singles: The coach removes a player from the lineup. All players lower in the lineup move up to fill the vacant spot in the lineup and the alternate becomes the #6 player. A player removed from the lineup for substitution may return to the lineup for the next team match but only to the position he/she vacated. All other players will return to their original positions.
- Doubles: If the coach removes one member of a doubles team from the lineup, he/she places the alternate in the vacated spot, and the team remains in the same position. If the coach removes both members of a doubles team, then the lower teams will move up to fill the vacant position, and the alternate pair becomes the #3 team.
- If a student has been out of the line up for a grading period for academic purposes and returns in time for the district tournament, the lineup should be re-ranked with the “new” player in his/her appropriate position.
- Under no circumstances shall the coach change his/her lineup during a tournament. The penalty for doing so will be to forfeit the individual matches involved, with the scores becoming 6-0, 6-0 in each match. Coaches should be aware that a substitution and a lineup change are not the same.

**Tie-Break Procedures.** The 12-point tie-break scoring system will operate when the score reaches six games in the first two sets.

a) Procedure for playing the singles tie-break.
   1) A player who first wins seven points shall win the game and the set, provided he/she leads by a margin of two points. If the score reaches six points all, the game shall be extended until this margin has been achieved. Numerical scoring shall be used throughout the tie-break.
   2) The player whose turn it is to serve shall be the server for the first point, which is delivered from the right court. b) Procedure for playing the doubles tie-break.
   1) In doubles, the procedure for singles shall apply: the player whose turn it is to serve shall be the server for the first point. Thereafter, each player shall serve in rotation for two points, in the same order as previously in that set, until the winners of the game and set have been decided.
   2) Players change ends after every six points and at the conclusion of the tie breaker.
   3) The team that served first in the set that ended in a tie breaker shall receive service in the first game of the following set.

c) Procedure for playing the mixed doubles.
   1) In mixed doubles, the procedure for singles shall apply: the player whose turn it is to serve shall be the server for the first point. Thereafter, each player shall serve in rotation for two points, in the same order as
previously in that set, until the winners of the game and set have been decided.
2) Players change ends after every six points and at the conclusion of the tie breaker.

3) The team that served first in the set that ended in a tie breaker shall receive service in the first game of the following set.

There will be a 10-point match tie breaker, in lieu of a third set, when the first two sets are split in both singles and doubles (including mixed doubles).

**Videotaping/Filming**

**Non-Conference and District Contests**

1) Videotaping/Filming by Schools.
   - It is a violation to film or videotape a non-conference or district athletic contest in which your school or team is not competing unless prior consent of the two schools involved has been obtained.
   - A school does not have to obtain permission to film or tape a NON-CONFERENCE OR DISTRICT contest in which it is competing. However, the film or videotape shall not be utilized until after the contest has been completed.

2) Films and videotapes become the property of the school doing the filming unless by district rule or by consent of the schools involved in the contest.

~ POST SEASON ~

**Playoff Information**

**Certification of District Representatives.** District Chairmen will certify representatives. The last day for reporting the district certification is **October 10, 2020** online at [https://www.uiltexas.org/machform/view.php?id=57](https://www.uiltexas.org/machform/view.php?id=57).

Playoff information will be available to district representatives on the UIL website at [http://www.uiltexas.org/team-tennis/post-season-packet](http://www.biltexas.org/team-tennis/post-season-packet).

**Representation.**

- The winners of first, second, third and fourth place in each district shall advance to the post-season.
- Each qualifying school may enter one team consisting of a minimum of six boys and six girls. Girls’ and boys’ point totals count on team totals, but boys and girls cannot compete against each other, other than the mixed doubles match.

**Team Information & Pictures.** Teams advancing to regionals must submit the following materials to the UIL no later than Wednesday, **October 21, 2020**:

- Team Information Form (list of players, coaches, etc.; and list of all games played) – fill out online on the UIL website - [http://www.uiltexas.org/team-tennis/forms](http://www.uiltexas.org/team-tennis/forms)
- Team Picture – 1MB, color, email to pictures@uiltexas.org
- Picture of Head Coach (head and shoulder shot) – 1 MB, email to pictures@uiltexas.org
- School’s Mascot (camera ready art work if possible, if not a copy of the mascot from your letterhead, etc.) – 1MB email to pictures@uiltexas.org

Failure to submit this information could result in a range of penalties as described in Section 27 (b) of the UIL Constitution and Contest Rules or your team not appearing in the State Tournament program.

**UIL Playoff Reporting – Teams Advancing**

Coaches are required to submit playoff results immediately following their contest. The winning school should submit playoff game results and next round information via MaxPreps through the assigned coach/admin account. The score reported by a coach on a team’s page will automatically fill in the bracket.

The completeness of the data presented on the UIL Texas Scoreboard will be dependent upon the participation of schools and coaches. For more information, please see [www.uiltexas.org/athletics/UIL-maxpreps](http://www.uiltexas.org/athletics/UIL-maxpreps).

**Sites**

Sites for all rounds of playoffs prior to the regional tournament are to be selected by the teams involved. See Section 1208 (o)(p) of the UIL Constitution and Contest Rules. If schools cannot agree, they must flip a coin.

- **Home sites.** When two schools flip for two separate sites other than their home field or court, the sites are considered home sites unless both sites are near mid-point.
• **Neutral sites.** A site mid-point or near mid-point, or a site agreed on by both schools as neutral, is a neutral site. Unless, mutually agreeable, a site cannot be neutral if its distance from either school is more than two-thirds the total distance between the two schools.

• **Mid-point sites.** Unless mutually agreed otherwise, post-district contests shall be at mid-point site for schools located more than 100 miles apart.

### Lineups

The advancing teams coach must give his or her complete line-up prior to the start of their next round match. Also, coaches are responsible for exchanging the previous match roster/line-up.

Lineup changes and movement within the players’ ladder is outlined in this section and each coach may use the options **ONCE** in a calendar week during the playoffs. **Exception: No lineup change is allowed between the regional semifinals and the regional finals, and state semifinals and state finals.**

- **Lineup Changes:** The coach may change in the lineup to reflect proper ladder position prior to the start of the match/tournament, based on the following regulations.

- **Singles Movement on Ladder:** After the previous qualifying match/tournament, the coach may move each player no more than one position up or down in the singles lineup.

- **Doubles Movement on Ladder:** After the previous qualifying match/tournament, the coach may move each player no more than one position up or down in the doubles lineup. The coach may change a player from one doubles partner to another partner, but no player may move more than one position in the doubles lineup.

If a student has been out of the line-up for a grading period for academic purposes and returns, the line-up should be re-ranked with the “new” player in his/her appropriate position.

Under no circumstances shall the coach change his/her line-up during a tournament. The penalty for doing so will be to forfeit the individual matches involved, with the scores becoming 6-0, 6-0 in each match. Coaches should be aware that a substitution and a line-up change are not the same.

### Substitutions

A coach may make substitutions between team matches and/or during a team match before the individual match begins. In all instances, the coach must use the following procedure.

- **Singles:** The coach removes a player from the lineup. All players lower in the lineup move up the fill the vacant spot in the lineup and the alternate becomes the #6 player.

- **Doubles:** If the coach removes a member of a doubles team from the line-up, he/she places the alternate in the vacated spot, and the team remains in the same position. If the coach removes both members of a doubles team, then the lower teams will move up to fill the vacant position, and the alternate pair becomes the #3 team.
Every effort must be made by both teams to determine the winner before the certification deadline. This includes obtaining neutral sites and securing any available site. This could mean giving up a home field advantage if another site is playable.

If weather conditions make it impossible to determine a winner before certification, UIL must be contacted for an extension. The next round opponent(s) must also be contacted to inform them that the deadline will be extended.

It is recommended but not required that United State Tennis Association (USTA) officials be use up until the regional tournament.

The participating schools are responsible for supplying the tennis balls. The official ball for the State Team Tennis Tournament will be the Pro Penn Marathon Extra Duty.

The tournament director will notify schools concerning entry fees to be paid. The League office suggests that fees be kept to a minimum.

- If, after an individual match begins, a forfeit occurs due to illness, injury or penalty for misconduct, the games and/or sets won by the forfeiting team shall stand and count.
- In all other matches if an injury or illness occurs before the individual match begins, take the player out of the line-up and move everyone else up in the line-up. The substitute then becomes #6.

Each school is responsible for its own housing.

Each advancing team is responsible for sending team information and official roster/lineup to the director of the next round tournament immediately after the representatives are determined.

- Each district may choose a tournament format to determine representatives (i.e., single elimination, round robin or a combination).
- A district team tennis tournament will count as one of that school’s seven tournaments if there is a loss of school time.
- The winners of first, second, third and fourth place in each district shall advance to the post-season. The district chairman will certify representatives.
Entries.

- Each school shall enter the district meet by certifying entries to the district director by the entry deadline set by the district executive committee. If round-robin format is utilized in lieu of a district tournament, the district executive committee shall specify entry and team roster regulations prior to the entry deadline.
  - If your program gains a new student or if a student loses/gains academic eligibility, we suggest you re-rank to reflect proper ladder position.
  - A team tennis district that plays a round robin district schedule should specify in the district minutes the rules and procedures for stating the line-up at the district tournament. Specifically, districts need to determine how to re-rank lineups when injuries occur or students become eligible/ineligible in district competition, etc. At no time during a round robin district tournament can a line-up change occur, unless the District Executive Committee has specified line-up changes prior to the start of district play.
  - Each District must decide on line-up procedures, weather postponed matches, and procedures for the entire district competition. The minutes of the District Executive Committee should outline all of this.
  - Because of the increase in alleged line-up stacking—each district needs to clearly state that it is a violation and assess a penalty. Specifically, each district must decide:
    - Whether to replay an entire weather postponed match or to continue at the point of suspension.
    - Decide to play a round robin, a district tournament or a combination.
    - Set line-up regulations. Can you change the line-up during the district season? Is the initial line-up turned in set for the entire district? If you play a district tournament at the end of your season, how are line-ups set?
    - Procedure to investigate/penalize a coach who is stacking the line-up.

Exception: No lineup change is allowed between the regional semifinals and the regional finals, and state semifinals and state finals.

The two teams with the best records will be placed in opposite brackets. The team with the third best record will be placed up or down according to a coin flip. The remaining team will be placed in the empty bracket. The actual win/loss percentage will determine the ranking of the teams - not the strength or weakness of the playing schedule.
