**PURPOSE** | To acquaint volleyball coaches and administrators with the policies, rules, procedures, and forms necessary for proper enforcement of regulations for volleyball, and to insure a better opportunity for coaches to have first-hand information.

**LIMITATIONS** | This manual does not cover all rules. The Constitution and Contest Rules is the official UIL rulebook and covers information more detailed than does this manual. Coaches should confer with their principals and superintendents if there are questions concerning the rules.

**NOTE** | Questions concerning the UIL Volleyball Plan and eligibility requirements found in the UIL Constitution and Contest Rules should be directed to Brandy Belk at the UIL office.

**UIL Changes and Amendments**

**GENERAL**

- **Coaches Certification Program (CCP)** – The CCP consists of both UIL and state law requirements and requires a coach to complete the prescribed components on a yearly basis, prior to their sport season. Completion of the CCP will recognize coaches as UIL certified coaches. All coaches shall annually complete the UIL Coaches Certification Program prescribed by the UIL prior to their sport season or prior to the first day of school if their sport is not in season. A coach who is hired less than one week prior to the start of the sport season or after the first day of school (whichever is earlier) must complete the CCP within thirty (30) days of being hired.

- **Physicals** – For the 2020-21 school year only, any participant in athletics or marching band, in any grade level, who has not previously completed a preparticipation physical examination (PPE), and been cleared for participation, will be required to complete the medical history form as noted below, as well as a PPE prior to participation in any UIL practices, games, performances, or matches.

- **Practice Regulations** – Sessions for strength & conditioning instruction may be conducted during the offseason by school coaches for students in grades 7-12 from that coach’s attendance zone starting the first day of school. A strength and conditioning session shall be no more than one hour per day outside the school day, Monday through Friday, and a student shall attend no more than one session of supervised instruction per day.

- **Officials Fees** – The flat fee schedule and mileage reimbursement has increased by $5 per official. In addition, the scrimmage flat fee has increased by $25. The updated Official’s Fee schedule can be found on the UIL website.

- **Eligibility (1st six weeks)** –
  - (a) Grades Nine and Below. Students must have been promoted from the previous grade. (Refer to Official Interpretation 01-09-18 Appendix I).
  - (b) SECOND Year of HIGH School. Two and one-half accumulated credits that count toward state graduation requirements.
  - (c) THIRD Year of HIGH School. Ten accumulated credits that count toward state graduation requirements or student must have earned at least two and one-half credits within the last twelve months that count toward state graduation requirements.
o (d) FOURTH Year of HIGH School. Fifteen accumulated credits that count toward state graduation requirements or student must have earned at least two and one-half credits within the last twelve months that count toward state graduation requirements.

UIL STAFF STUDIES/MONITOR

- A proposal to adjust the start time for Junior High Athletic Competitions
- A proposal to create a separate 1A Conference in Volleyball, Softball and Baseball
- A proposal to consider a $5 increase for officials for the 2021-22 school year or create a long term plan
4-1-4 (NEW): Allows the use of a molded protective face mask made of hard material during play.
*Rationale:* Creates consistency with other NFHS rules codes.

7-1-1; 7-1-1 PENALTIES; 7-1-1 PENALTIES 2 (NEW); 9-9-1a (NEW); 10-3-7b: Eliminates the loss of rally/point penalty for failure to submit the team roster during the prematch conference and replaces the penalty with an unnecessary delay (administrative yellow card).
*Rationale:* Eliminates the double penalty for a late roster and an incorrect roster before the start of the match.

7-1-4a(1) & (2) NEW: Allows a team to correct a submitted lineup if it lists a libero number that no team member is wearing.
*Rationale:* Creates consistency in allowing the correction of a clerical error (listing a number that no team member is wearing) on the lineup for starting position and the libero position.

12-2-6: Establishes that a yellow card issued for unsporting conduct to the head coach, assistant coach(es) or team bench will no longer require the head coach to remain seated, while maintaining that a red unsporting conduct card will require the head coach to remain seated for the remainder of the match.
*Rationale:* Creates a penalty progression by allowing an official to warn a head coach with a yellow unsporting card without requiring the coach to remain seated for the remainder of the match.

Official Signal #15: Establishes that an official will rotate their forearms around each other with closed hands to signal substitution.
*Rationale:* Aligns with current trends of the sport.

**2020-21 VOLLEYBALL MAJOR EDITORIAL CHANGES**

(a) ATHLETIC PURPOSES, CODES, PLAN APPLICABLE. Rules in Sections 1200-1209 also apply to the Girls’ Volleyball Plan.

(b) DATES FOR PRACTICES, MATCHES AND CERTIFICATIONS.

1. Practice Dates.
   (A) There shall be no high school volleyball practice for a contestant or a team until the first week in August as determined by the UIL calendar. See Section 1478 for seventh and eighth grade restrictions.
   (B) School Practice Regulations Outside the School Year. Any volleyball practice conducted by a school outside the school year shall be in accordance with the following regulations:
      (A) Student-athletes shall not engage in more than three hours of practice activities on those days during which one practice is conducted.
      (B) Student-athletes shall not engage in more than five hours of practice activities on those days during which more than one practice is conducted.
      (C) The maximum length of any single practice session shall be three hours.
      (D) On days when more than one practice is conducted, there shall be, at a minimum, two hours of rest/recovery time between the end of one practice and the beginning of the next practice.

2. Scrimmage Dates. Schools shall not scrimmage until the first date allowed on the UIL calendar. Teams and schools may participate in an unlimited number of scrimmages prior to the first day of school. After the first match, scrimmages are not permitted.

3. Matches. Schools shall not participate in a match until the first date allowed on the UIL calendar or after the last date for certifying district representatives, except for teams who have not been eliminated in playoffs.

4. First Two Weeks of Season. During each of the first two calendar weeks allowed for matches on the UIL Official Calendar, teams or students shall participate in no more than three matches (or dual matches) plus one tournament. The second and third match of the calendar week shall be after the last instructional day of the school week if school is in session.

5. Remainder of Season. After the first two calendar weeks allowed for matches, teams or students are limited to no more than two matches (or dual matches) during each calendar week, plus one tournament. The second match of the calendar week shall be after the last instructional day of the school week if school is in session.

6. Beginning First Day of School. On and after the first day of school, teams are limited to no more than one scrimmage, match or dual match during the school week. School week means the week beginning at 12:01 a.m. on the first instructional day of a calendar week and ending at the close of instruction on the last instructional day of the calendar week, excluding holidays.

3. Total Number of Games, Matches, Tournaments. No team or student shall compete in more than three invitational tournaments plus 23 matches in a season, including all matches prior to the first playoff match. This shall include non-district and district matches. If the district champions have a bye for the first round of the play-offs, those schools may schedule a warm-up match in addition to the match limits. This additional match shall be played on a non-school night with no loss of school time. Two matches may be substituted in place of a tournament.

4. Substituting Dual Matches for Regular Matches. Dual matches consisting of two or more teams may be played. A team may play two other teams or play the same team twice at the same site. The second match shall be played as soon as the first match as possibly can be scheduled. A dual match will count as one of the two contests allowed per calendar week (in addition to a tournament), and will count as two of the 23 total matches allowed per season.

5. Exception to Resolve District Ties.
   (A) Two Schools Tied. To resolve a two-way tie, the District Executive Committee may authorize a single elimination match, provided only one other match is played that calendar week. The tie-breaking match may be in addition to the 23 allowed matches. It may not be played as an exception to the school week limitation.
   (B) Three or More Schools Tied. If three or more schools are tied, the District Executive Committee may authorize a tournament provided only two matches have been played that week, using the procedure in Section 1203. These tournament matches may be played in addition to the total number of matches and tournaments allowed for the season.

6. Exception for Rescheduled Matches. District varsity volleyball matches postponed by weather or public disaster (not including illness) shall be rescheduled on the next date, other than Sunday, on which another district match is not
scheduled. In the event weather or public disaster forces the makeup match to be rescheduled, it shall be rescheduled on the next date as described earlier. These makeup matches may be played as exceptions to the school week and calendar week limitations. District varsity games that are postponed by weather or public disaster, and not played on the next available date, shall be rescheduled and played on a date determined by the District Executive Committee.

(7) Invitational Tournament Restriction. No team shall participate in an invitational volleyball tournament held on a Monday, Tuesday or Wednesday, except on school holidays. However, matches or games in tournaments may be played after school on the last day of the school week prior to holidays.

~PRE-SEASON REGULATIONS~

(This rule shall not affect the status of a coach on a leave of absence attending college.) Completion of the CCP will recognize coaches as UIL certified coaches. All coaches shall annually complete the UIL Coaches Certification Program prescribed by the UIL prior to their sport season or prior to the first day of school if their sport is not in season. A coach who is hired less than one week prior to the start of the sport season or after the first day of school (whichever is earlier) must complete the CCP within thirty (30) days of being hired.

Districts shall determine the organization that will provide the certification or training. Resources are available but not limited to those on the UIL web site.

### Eligibility for Athletic Contests

Eligibility rules are found in Section 400 and 440 of the Constitution and Contest Rules. Any question regarding a student’s eligibility, should be addressed to the school principal and/or superintendent. Residence requirements according to Sections 400 (d) 440, and 442 should be thoroughly investigated for any student new to school.

**Students are eligible to represent their school in varsity interscholastic activities if they:**

- are not 19 years of age or older on or before September 1 of the current scholastic year. (See 504 handicapped exception.)
- have not graduated from high school.
- are enrolled by the sixth-class day of the current school year or have been in attendance for fifteen calendar days immediately preceding a varsity contest.
- are full-time day students in a participant high school.
- initially enrolled in the ninth grade not more than four calendar years ago.
- are meeting academic standards required by state law.
- live with their parents inside the school district attendance zone their first year of attendance. (Parent residence applies to varsity athletic eligibility only.) When the parents do not reside inside the district attendance zone the student could be eligible if: the student has been in continuous attendance for at least one calendar year and has not enrolled at another school; no inducement is given to the student to attend the school (for example: students or their parents must pay their room and board when they do not live with a relative; students driving back into the district should pay their own transportation costs); and it is not a violation of local school or TEA policies for the student to continue attending the school. Students placed by the Texas Youth Commission are covered under Custodial Residence (see Section 442 of the Constitution and Contest Rules).
- have observed all provisions of the Awards Rule.
- have not been recruited. (Does not apply to college recruiting as permitted by rule.)
- have not violated any provision of the summer camp rule, Section 1209.
- have observed all provisions of the Athletic Amateur Rule, Section 441.

**Limitation on Awards.** Schools may give one major award, not to exceed $70.00 in value, to a student during high school enrollment at the same school for participation in one of the UIL interschool competitions listed in Section 380. One additional symbolic award, not to exceed $20.00 in value, may be presented for participation in each additional UIL activity listed in Section 380. The $20.00 award may be given to a student for an activity during the same year that the major award is given for that activity. A school may contribute to major awards in honor of winning a UIL State Championship.

Student-athletes shall be in compliance with the Athletic Amateur Rule from the first day of attendance in the ninth grade through their last day of UIL athletic competition in grade twelve. This includes during school and during non-school time and applies to all UIL competition and to non-school participation in the same sports sponsored by the UIL. (For instance, a race of six miles or longer is not considered to be a cross-country meet, so the Amateur Rule is not applicable to students participating in this type of race.)

**Student-athletes in grades 9-12 shall not:**

- Accept any valuable consideration as an award for winning or placing in an athletic contest. Valuable consideration is defined as anything wearable, usable or sellable, and includes such items as t-shirts, hamburger coupons, free or reduced rate tennis racquets, etc.
- Accept valuable consideration for teaching or coaching any UIL sport, except beginning swimming or lifesaving lessons.
- Accept valuable consideration for allowing their name to be used for advertisement of a product, plan or service.
- Accept any special service or benefit offered only to athletes or members of an athletic team.

**Exception:**

- Students may accept reasonable fees that do not exceed prevailing rates for teaching or coaching activities provided they confine the work to teaching or coaching skills.
- Students may accept reasonable fees that do not exceed prevailing rates for officiating athletic contests.

The penalty for violation of the Amateur Rule is forfeiture of varsity eligibility in the involved sport for at least one year from the date of the violation. The Athletic Amateur Rule is sport specific, so that a violation in one sport would make the student ineligible only in that sport, not in all UIL athletic activities.
Student Participation Required Forms

It shall be the responsibility of each school to keep on file the following required annual forms for each student who participates in any practice, scrimmage, or game. Forms to be filed can be downloaded from the UIL website (www.uiltexas.org/athletics/forms).

- **Pre-Participation Physical Examination Form - (For 20-21 school year only).** Upon entering the first and third years of high school, a physical examination signed by a physician, a physician assistant licensed by a State Board of Physician Assistant Examiners, a registered nurse recognized as an advanced practice nurse by the Board of Nurse Examiners or a doctor of chiropractic is required. Standardized Pre-Participation Physical Examination Forms, available from the UIL office and authorized by the UIL Medical Advisory Committee, are required. For the 2020-21 school year only, any participant in athletics or marching band, in any grade level, who has not previously completed a preparticipation physical examination (PPE), and been cleared for participation, will be required to complete the medical history form as noted below, as well as a PPE prior to participation in any UIL practices, games, performances, or matches.

- **Medical History Form.** Each year prior to any practice or participation a UIL Medical History Form signed by both a student and a parent or guardian is required. A Medical History Form shall accompany each physical examination and shall be signed by both a student and a parent or guardian.

- **Parent or Guardian Permit.** Annual participation permit signed by the student’s parent or guardian.

- **Rules Acknowledgment Form.** Annual UIL Rules Acknowledgment Form signed by the student and the student’s parent or guardian.

- **Parent/Student Anabolic Steroid Use and Random Steroid Testing Form.** The parent/guardian of each high school athlete, along with each high school athlete, must annually sign the UIL Illegal Steroid Use and Random Steroid Testing Parent and Student Notification/Agreement Form.

- **Concussion Acknowledgement Form.** Annual UIL Concussion Acknowledgment Form signed by the student and the student’s parent or guardian.

- **Sudden Cardiac Arrest Awareness Form.** Annual UIL Sudden Cardiac Arrest Awareness Form signed by the student and the student’s parent or guardian.

Varsity Participation Required Forms

It shall be the responsibility of each school to keep on file the following required forms. Forms to be filed can be downloaded from the UIL website (www.uiltexas.org/athletics/forms).

- **Eligibility Form.** Schools must submit comprehensive eligibility forms for football, basketball, volleyball, softball, baseball, and soccer. For all other athletic activities, general alphabetical listing of eligible athletes is required. One copy shall be sent to the district executive committee chair and one copy shall be filed in the school’s office. Completed eligibility forms are to be signed by the superintendent or a designated administrator and the coach. These forms are to be postmarked before a contestant is allowed to participate in a varsity contest. Failure to furnish correct and complete information may, upon request by the proper committee, constitute grounds for suspension.

- **Previous Athletic Participation Form.** New students in grades 9-12 who represented their former school in a varsity or sub-varsity athletic contest or practice in grades 8-12 in any previous school year must have a Previous Athletic Participation Form completed prior to participation in a varsity contest at the new school.

- **Late Forms.** If an eligibility form or a Previous Athletic Participation Form was not filed prior to competition, and it was an inadvertent error and the student is actually eligible under Subchapter M of the Constitution, the district executive committee is not required to demand forfeiture or to rule the student ineligible. They may assess the minimum penalty of private reprimand to the school.

- **Foreign Exchange Students.** Subject to the other eligibility rules of the Constitution, foreign exchange students in approved CSIET foreign exchange programs are allowed to apply for exceptions to the residence rule through the UIL waiver process. A waiver could be granted in certain activities if they have not received advanced training or have not had extensive experience in the activity of their choice. Foreign exchange students are not eligible for varsity athletic participation unless they are granted a Foreign Exchange Student Waiver.

- **Varsity Athletic Eligibility for Over-Age Student.** Subject to the other eligibility rules of the UIL Constitution, an individual is eligible to participate in a League varsity athletic contest as a representative of a participant school if that individual is less than 19 years old on September 1 preceding the contest; or has been granted eligibility based on a handicapping condition which delayed his or her education by at least one year and the student is currently in special education and under the auspices of an ARD Committee or has been identified as a 504 student prior to the end of their second year in high school (effective for entering ninth graders in the current school year).
Practice Regulations – Outside Of The School Year

Practice regulations for sports that practice outside of the school year are as follows:
• Students-athletes shall not engage in more than three hours of practice activities on those days during which one practice is conducted.
• Student-athletes shall not engage in more than five hours of practice activities on those days during which more than one practice is conducted.
• The maximum length of any single practice session is three hours.
• On days when more than one practice is conducted, there shall be, at a minimum, TWO hours of rest/recovery time between the end of one practice and the beginning of the next practice.
• **Schools shall not schedule more than one practice on consecutive days, and student-athletes shall not participate in multiple practices on consecutive days. (Exception - Volleyball)**

When determining how to count times spent as "practice activities" please consult the following pre-season chart:

<table>
<thead>
<tr>
<th>What Counts</th>
<th>What Doesn't Count</th>
</tr>
</thead>
<tbody>
<tr>
<td>Actual on field/court practice</td>
<td>Meetings</td>
</tr>
<tr>
<td>Sport specific skill instruction</td>
<td>Weight training*</td>
</tr>
<tr>
<td>Mandatory conditioning</td>
<td>Film study</td>
</tr>
<tr>
<td>Water breaks</td>
<td>Injury treatment</td>
</tr>
<tr>
<td>Rest breaks</td>
<td>Voluntary conditioning*</td>
</tr>
</tbody>
</table>

*Does not count towards practice time, but cannot be done during the two-hour rest/recovery time.

In reference to the minimum two-hour rest/recovery time between the end of one practice and the beginning of the next practice (on days when more than one practice is scheduled), there can be no practice activities at all during this time. This time is exclusively for students to rest/recover for the following practice session, whether that session is an actual on field/court practice or a mandatory conditioning period.

Practice Regulations – When School Is In Session

• Eight Hour Rule – Practice outside the school day, from the beginning of the school week through the end of the school week (excluding holidays), is limited to a maximum of eight hours per school week, per activity.
• **Sessions for strength & conditioning instruction** may be conducted in the off-season by school coaches for students in grades 7-12 from that coaches’ attendance zone starting the first day of school. A strength and conditioning session shall be no more than one hour per day outside the school day, Monday through Friday, and a student shall attend no more than one session of supervised instruction per day.
• The in-school athletic period does not count towards the allotted 8 hours.
• Any time used in connection with a practice that is not part of the athletic period counts as part of the 8 hours (dress, video/meetings, etc).
The following section combines State Law, State Board of Education regulations, and UIL rules. The Texas Education Agency defines participation as being involved with the activity, traveling with the team, or sitting on the bench. UIL defines participation of a student athlete as actually entering the contest as a player. Example: On a Tuesday night, the student’s name is on the scorebook but she remains on the bench and does not actually enter the game. This counts as participation for TEA but not UIL. In other words, that student cannot participate again until Friday after school because of TEA regulations, however that game does not count as one of the allowable games as determined by UIL policy.

Constitution and Contest Rules: Section 5: Definitions

• Calendar week means 12:01 a.m. on Sunday through midnight on Saturday.
• School week means the week beginning at 12:01 a.m. on the first instructional day of a calendar week and ends at the close of instruction on the last instructional day of the calendar week, excluding holidays.

(3) Exceptions.
   (A) Golf. If the regional and/or state golf tournaments are scheduled on a Monday, the one 18-hole practice round allowed at the regional and/or state tournament site may be played on the Sunday afternoon preceding the meet (no earlier than 12:00 noon) if permitted by the regional or state meet director.

**Playing Rules.** The current National Federation Volleyball Rules shall govern League volleyball. Rulebooks may be ordered from the National Federation customer service office (800-776-3462) or www.nfhs.org. Schools may obtain scorebooks, court diagrams, lineup sheets, and libero tracking sheets from the National Federation.

**Single match.** A single match shall be defined as: NFHS Rule 1-2-1, 2, 3
- Art. 1...A match shall consist of the best three-out-of-five sets. The first team to win three sets shall be the winner of the match. The fourth and fifth sets shall not be played unless it is necessary to determine the winner of the match.
- Art. 2...A match shall include a let serve.
- Art. 3...A match shall entitle each team a maximum of two time-outs per set.
- NOTES:
  - By state high school association adoption, teams may play a best two-of-three set match in which a team is considered the winner of the match when it wins two sets. All sets shall be 25 points (no cap). The third set shall not be played unless it is necessary to determine the winner of the match. If a third set is necessary, a coin toss shall be conducted prior to that set.
  - By state high school association adoption, modification of format is permitted for series other than dual varsity matches.

**Dual match.** A dual match consists of a team that plays two other teams or plays the same team twice at the same site (must be the same level of competition). A dual match counts as one contest for the school week, one of the two matches UIL permits students per calendar week and counts as two of the total matches for the student per season. The second match should be played as soon as it can be scheduled for one team after their first match. A dual match can be held any day of the week. All teams at one site do not have to play a dual match.

**Double Header.** A student may play in a varsity and a junior varsity match, a junior varsity match and a ninth-grade match, or a ninth grade and a varsity match the same night. This counts as the total two allowable matches UIL permits the student for the calendar week and counts as two of the total matches for the season.

**Scrimmage.** A scrimmage is a meeting of not more than four teams for practice purposes, which does not count as a game for any of the teams. Admission may be charged. Officials may be paid in accordance with the schedule in Section 1204 (m) and may, by prior agreement with the school, be reimbursed for mileage and meals. A school shall not play in a scrimmage after its first interschool game or match in that sport.

*If more than four teams are invited to a scrimmage, each team may only scrimmage three different teams.*

**Warm-up Games.** Teams that have advanced to the playoffs may schedule a warm-up game after the District Certification Date that is set by the UIL calendar and before their first playoff game if a team has not reached their allowable season limit. School week limitations still apply. **Note: Prior to district certification, games left in your allowable season limit may be scheduled like any other regular season game.**

- Exception – Warm-up games for teams who have exhausted their season limit are given a UIL exception under the following conditions:
  - Teams that are district champions and have a first-round bye.
  - The one game exception can be played only at the end of your school day on Friday, last day of instruction (with no loss of school time) or anytime on Saturday.

**Player Ejection.** Any player ejected from a contest is subject to an automatic penalty. The automatic penalty for such an ejection is as follows:
- Team Sports (volleyball, basketball, baseball softball). Ejected player misses the rest of the game in which they were ejected plus all of the following game. **Soccer Exception.** This Section does not alter the current point penalty structure for soccer player ejections, as required by National Federation of State High School Associations soccer playing rules, that is outlined in the soccer coaches’ manual.
Coach Ejection. In addition to the penalty imposed by the local school district on a coach who is ejected from a game, the Automatic Minimum Penalty is discussed in Section 1208: Athletic Regulations of the Constitution & Contest Rules. ([https://www.uiltexas.org/policy/constitution/athletics/eligibility](https://www.uiltexas.org/policy/constitution/athletics/eligibility))

- The automatic penalty for a coach who is ejected from a contest who is not current on their UIL Coaches Certification Program is suspension in the next contest.

Tournaments. A tournament consists of at least three teams assembled at one site for competition.

- Schools shall not schedule tournaments on Monday, Tuesday, or Wednesday, unless school is not in session.
  Schools may schedule tournaments on Thursday, Friday, and Saturday.
- Tournaments may be scheduled on non-consecutive days. A two-day tournament shall not be scheduled on Thursday and Friday. A one-day tournament must be held on a Saturday.
- Three matches per calendar day are allowed in a three-day tournament.
- Four matches per calendar day are allowed in a one-day tournament scheduled on a Saturday only or a two-day tournament scheduled for a Friday/Saturday.
- A tournament may be played during the week in which there are two matched contests being played.
- A double round robin elimination tournament shall not be used in any League contest except by unanimous consent of participating schools.
- A tournament must be held at the ISD of the host school, or at an adjoining ISD. Host schools may authorize additional sites other than same or adjoining ISD for preliminary round games.

Pool Play. A team may play in pool play during the first rounds of a tournament provided the pool games consist of two "mini games" using rally scoring 0-15 (cap at 20) OR regulation and modified regulation 2-out-of-3 matches using rally scoring 0-25 (no cap).

- Pool play utilizing "mini games" format will count the entire pool as one match for the three allowed matches per day. "Mini games" do not count on the overall win/loss record for the season.
- Pool play utilizing regulation and modified regulation 2-out-of-3 match formats will count as matches allowed per day (3 matches) and per tournament (4 matches).
- Participation in pool play is counted as a tournament. The win/loss record from pool play may be used to create a single elimination bracket.
- When two or more teams are tied in win/loss percentage, two steps should be taken to determine the winner.
  - The team that defeated the other in head-to-head competition will be the winner. If each team won one game in a two-game pool, the team that had fewer points scored against them in both games would be the winner.
  - If a tie still remains, a coin flip(s) would determine the winner(s).

Rally Scoring Format

Warm-Up Procedures. It is recommended that schools use the 15-minute warm-up procedure that is used at the state tournament: Each team will have the court for six minutes. Both teams will share the court for the last three minutes for serves.

Varsity

- 3 out of 5 to 25 (no cap)
- 5th set to 15 (no cap)
- The let serve shall be allowed.
- Each team shall be allowed two time-outs per set.
- Dual and tri-matches must be played using the 3 out of 5 format. No exceptions.

**EXCEPTION:** Varsity tournaments can choose to play 2 out of 3 matches for bracket play (up to the discretion of the tournament director). If the 2 out of 3 format is used, it will be 2 out of 3 to 25 (cap at 30), with the third game being played to 25 (cap at 30).

Sub-Varsity/Junior High. According to Rule 1 Section 2 Article 1, Note 2 of the NFHS Volleyball Rule Book: "By state high school association adoption, modification of match format is permitted for series other than dual varsity matches."

For purposes of the above note from the NFHS Volleyball Rule Book, as long as the modification does not increase playing time above what is allowed in NFHS rules, the participating schools shall mutually agree on the length and format of any sub-varsity or junior high volleyball match.
**Tournament Play – All Levels**

- Pool play "mini games" must consist of two rally scored games to 15 (cap at 20)
- Pool play games start at 0-0
- During pool play, regulation matches can be utilized, provided no team exceeds their total number of allowed matches per day (three matches per day in a three-day tournament, or four matches per day during a two-day tournament or a one-day tournament scheduled on a Saturday).

**Officials**

Please refer to the UIL Constitution and Contest Rules, Section 1204 on the UIL website (https://www.uiltexas.org/policy/constitution/category/constitution-athletics), for the latest information regarding officials (fee schedule, tournament fees, travel reimbursement, mileage calculator, scrimmage fees, other allowable expenses, scratch form, evaluation form, FAQs, etc.).

**Assignment of Officials Out of the UIL Office**

- Member schools shall use registered officials in all varsity contests.
- Neutral Officials: In all contests, schools should always attempt to secure neutral officials who have no affiliation with either school.
- The two schools have the right to “scratch” any chapters or officials they wish. However, the UIL office urges the use of discretion in scratching entire chapters or areas.
  - Notification: When names of officials are received by the visiting school, the visiting school shall immediately notify the host school if officials are not satisfactory. Failure of the visiting school to solicit names of officials from the home school within four days of the contest constitutes agreement.
- To request officials from the UIL office, go to https://www.uiltexas.org/form/officials-request/volleyball.php and complete the Volleyball Officials Assignment Request Form. This form will go directly to the UIL office, and all correspondence will be via email.
- After the schools have indicated officials and/or chapters they do not want, the UIL office then contacts a chapter not scratched and requests officials. **Schools are not permitted to talk with representatives of the chapter once they have agreed for the League to assign officials.**
- Once the officials have been assigned out of the UIL office, the schools may not request a change in the assignment and must pay the assigned officials if they are not used, unless:
  - a. The UIL office makes a mistake by contacting a chapter which the schools have indicated they do not want.
  - b. Communication problems between the school which contacted the UIL and the opponent results in officials being assigned from a chapter which one school had scratched.
- The UIL recommends that officials or chapters not acceptable be written down at the meeting, reviewed by each school to see if the list is complete and accurate, and signed by school authorities from both schools. This should be a part of the contract procedure and a copy retained by each school.
- Once a game has begun there shall be no protest based on the selection of game officials. Beginning a contest constitutes agreement.
- Payment of officials (for all games other than tournament games) shall be according to Section 1204 in the UIL Constitution and Contest Rules. https://www.uiltexas.org/athletics/officials-fee-schedule

**Allowable Contests**

According to State Board of Education mandates, students may only participate on one day per activity during the school week. **Exception:** District varsity contests postponed due to weather or public disaster may also be scheduled during the school week but must be rescheduled and played on the next available date following the postponement in order to be played as an exception.

Post-season competition may also be scheduled as an exception to the one contest during the school week. **School week means the week beginning at 12:01 am on the first instructional day of a calendar week (defined as 12:01 am on Sunday through midnight on Saturday) and ends at the close of instruction on the last instructional day of the calendar week, excluding holidays.** Post-district play means competition in UIL playoff series or contests such
as bi-district, area, regional, etc.

Scrimmages and Games. Volleyball teams may play unlimited scrimmages, with not more than four teams, prior to school starting. Once school begins teams are limited to one scrimmage during the school week. Schools may also participate in an additional scrimmage, with not more than four teams, at the end of the school week (Friday after school or Saturday). No scrimmages may be played after a team’s first interschool game.

*If more than four teams are invited to a scrimmage, each team may only scrimmage three different teams.

A team or individual may only play one match (or dual match) during the school week Monday (12:01 am) through Friday (after school). This means that if a team competes once Monday through Thursday, the second competition must be after school Friday or Saturday. EXCEPTION: Tournaments, post-district play, or district varsity play postponed due to weather or public disaster. Teams or individual(s) are limited to two matches (or dual matches) per calendar week (Monday through Saturday) plus a tournament. Three matches may be played during the first two calendar weeks allowed for matches (according to the official UIL calendar). If school is in session, the one contest per school week rule must be followed.

A team or individual may play up to, but not exceed, three matches per day. There is no required rest break between matches. EXCEPTION: Tournaments – teams may play four matches in a 1 or 2-day tournament.

Two matches may be substituted in place of a tournament. Pre-scheduled district tournaments must count as one of the invitational tournaments unless all matches played in the district tournament are counted in the season match limitation for all schools in the district.

UIL/TEA Side-by-Side. UIL limits participation in contests per calendar week in some sports. For UIL, participation is defined as a student actually entering a contest. Example: On Tuesday night, the student’s name is on the scoreboard, but the student remains on the bench and does not actually enter the game. This does not count as participation in a UIL contest according to UIL (but does count according to state law. The student cannot participate again until Friday after school). The Tuesday game does not count as one of the games UIL permits the student to participate in for that calendar week or for the season because the student did not enter the game.

Volleyball:
(1) A single match.
(2) A dual match (a team plays two other teams or plays the same team twice at the same site on the same day.) A dual match counts as one of the two matches UIL permits students per calendar week and counts as two of the total matches for the student per season.
(3) A double header (a student may play in a varsity and a junior varsity match or a ninth grade and a varsity match at the same site the same night). A double header counts as the total two allowable matches UIL permits the student for the calendar week and counts as two of the total matches for the season.

Students could also play in a tournament the same week they participate in a single match, dual match, or double header.

District Certification

• The DEC shall determine the place and/or time of matches in case of disagreement between two schools.
• If not previously scheduled, a district executive committee may authorize a single elimination match or tournament to resolve district ties. A one-match play-off could break a two-way tie. A tournament could resolve a tie between three or more schools.

NOTE: These matches must be completed by the district certification deadline and will not count against the allowable matches if not previously scheduled. Tie-breaker matches must be held in compliance with calendar week and school week restrictions. Tie-breaker tournaments, if held on more than one day, must be held on consecutive days. If the district executive committee schedules any other matches or tournaments as part of their method for determining play-off representatives, the matches played must count in the match or tournament limitation.
• The district executive committee may permit district varsity volleyball matches postponed by weather or public disaster (not including illness), to be played as an exception to the two-matched-contests per-week rule, provided that they are rescheduled and played on the next available date, other than Sunday, on which another district match is not scheduled. Junior varsity, freshman and junior high teams may not play postponed matches as an exception.
• The State Executive Committee shall have jurisdiction in all disputes arising between districts.
**Guarantees for Contests**

- In district and non-district games/matches, unless there is mutual agreement or a district executive committee ruling, the home team is entitled to 100% of the gate receipts.
- In play-off games, the visiting team shall have a sufficient guarantee to cover expenses and also 50% of the net gate receipts unless mutually agreed upon by both schools.
- A demand of a flat guarantee, which is clearly in excess of expenses, shall upon action of the district or State Executive Committee, disqualify the offending team from further participation. A flat guarantee for a visiting team’s expenses shall be in lieu of expenses and shall be calculated as expenses of the game, prior to division of the net gate receipts.
- Expenses of visiting team, officials, advertising, labor, services, and printing incidental to the contest, shall be considered as expenses of the game. The number of persons allowed upon expense accounts shall be agreed upon by school administrators of teams involved. Unless mutually agreeable otherwise, the home team shall furnish a playing field or court without cost to the visiting school.

**Videotaping/Filming**

**Non-Conference and District Contests**

- Videotaping/Filming by Schools.
  - It is a violation to film or videotape a non-conference or district athletic contest in which your school or team is not competing unless prior consent of the two schools involved has been obtained.
  - A school does not have to obtain permission to film or tape a NON-CONFERENCE OR DISTRICT contest in which it is competing. However, the film or videotape shall not be utilized until after the contest has been completed.
- Films and videotapes become the property of the school doing the filming unless by district rule or by consent of the schools involved in the contest.
- Videotaping/Filming by Individuals. Any individual (other than the officially designated school camera) taping or filming must have prior permission from the schools involved in the contest and may not obstruct the view of other spectators of the contest.
- Commercial Uses. The use of the films or tapes for commercial purposes must be approved by all schools involved in the contest.

**Pep Bands**

- The UIL does allow “pep” bands (up to 20 members) to play at volleyball games during pregame, time-outs, in between sets and post-game. Musical instruments may not be used as noisemakers during the contest. The “pep” band shall not be located behind or near the opposition’s bench.
- If a “pep” band does perform the following guidelines should be followed to ensure a full appreciation of the group’s performance. Band directors are reminded that as a courtesy to the teams and cheerleaders of both schools, performances by the band should be limited to appropriate times.
- Guidelines listed below indicate appropriate playing times for the band:
  - The band may play before the game begins. The director should coordinate the schedule so that the host school may introduce team members.
  - The band may play during time outs and in between sets of the contest.
  - The band may play at the end of the contest if desired.
Forms and Reporting

Eligibility Forms. Eligibility forms will be completed in the UIL Portal. The eligibility forms should not be sent to the UIL office.

UIL Playoff Reporting - Teams Advancing. Coaches are required to submit playoff results immediately following their contest. The winning school should submit playoff game results and next round information via MaxPreps through the assigned coach/admin account. The score reported by a coach on a team’s page will automatically fill in the bracket. The completeness of the data presented on the UIL Texas Scoreboard will be dependent upon the participation of schools and coaches.
