AUSTIN, June 4--South San Antonio remained undefeated in high school baseball state tournament play here ~~Monday~~, squeaking by Jasper, 1-0, in a Conference AAA semi-final game.

Tuesday

The Bobcats scored their only run on a single by Meddie Lomas, two sacrifice bunts and a single by winning pitcher Johnny Guzman. Jasper ended the inning in unprecedented fashion, ~~including~~ turning in the first triple play in the 15-year history of the UIL baseball tournaments.

The triple play went from Right Fielder Donald Hines to Catcher Hugh Hamilton to Second Baseman Phillip Brown.

The game was a sparkling pitching duel throughout between Guzman, who struck out four and walked none, and Jasper's Phillip Hennigan, who walked two and struck out five.

Nobody got more than one hit, and there were no extra-base hits.

South San, which won AAA titles in each of its three previous tournament ~~trips~~ trips -- 1958, 1959 and 1961 -- will meet either Dumas or Fort Worth Castleberry Wednesday at 7 p.m. for the AAA title.
