AUSTIN, March 3 --- The 1961 Interscholastic League boys' basketball tournament got its first new record here Friday night as Mauriceville downed Aspermont, 81-69, for third place in Class B.

The aggregate 150 points breaks the old Class B record of 144, set when Cayuga whipped Kyle, 83-61, three years ago.

Splendidly-balanced Mauriceville ended up with all five starters in the double digits, trailing the 18 logged by co-leaders Paul Clemmons and Benny Williamson.

John Ray Gardner of Aspermont was the game's top scorer with 27. Teammate
