A U S T I N , March 4 --- John Bragg matched a Class B scoring record here Saturday afternoon as he led Frankston to the State Class B high school basketball championship, 60-44 over the Hutto Hippers.

Bragg scored 28 points in the championship game, giving him 88 for the three Frankston tournament games. The Indians' senior forward thereby equaled the 88-point output of McAdoo's George Scott $\frac{1}{2}$ last year.

Hutto, which had shot above 50 per cent from the field in their two previous tourney games, slumped to 25 per cent in the finals. The Hippers built up a 7-0 lead
